INTRODUCTION

1. I, the Chairman of the Committee on Government Assurances, having been authorised by the Committee to submit the Report on their behalf, present their First Report.
2. The Committee was nominated by the Speaker, Haryana Vidhan Sabha, under Rule 261 of the Rules of Procedure and Conduct of Business in the Punjab Legislative Assembly on the 2nd August, 1968,—vide notification No. CB/PAC-Genl/68/13, dated the 3rd August, 1968.
3. The work done by the Committee after the Re-organisation of the composite Punjab State, i.e., from 1st November, 1966 is set forth in this Report.
4. The Committee also place on record their high appreciation of the whole-hearted co-operation and assistance given to them by the Secretary, Haryana Vidhan Sabha and his staff.

Dated Chandigarh, the 16th January, 1969.

MUKHTIAR SINGH,
Chairman.

The Committee could not present any report to the House as the Assembly stood dissolved by the proclamation issued by the President of India under Article 356 of the Constitution on the 21st November, 1967.

3. The Committee on Government Assurances for the year 1968-69 consisting of nine Members including the Chairman was constituted by the Speaker, Haryana Vidhan Sabha under rule 261 of the Rules of Procedure and Conduct of Business in the Punjab Legislative Assembly on the 2nd August, 1968,—*vide* notification No. CB/PAC—EC—Genl/68/13, dated the 3rd August, 1968. Chaudhri Mukhtiar Singh was appointed Chairman of the Committee. The Committee held 8 sittings after its constitution.

Position of assurances

Before the reorganisation of the State of Punjab, the position in regard to the assurances given on the floor upto Budget Session, 1965 of the composite Punjab Vidhan Sabha was shown in the 11th Report of the Committee on Government Assurances presented to that House on the 28th March, 1966. A statement showing the number of assurances given on the floor of the composite Punjab Vidhan Sabha upto Budget Session, 1966 before the 1st November, 1966 together with the assurances relating to the areas now forming part of Haryana as also the assurances given during the Sessions of Haryana Vidhan Sabha held in the year 1966, 1967 and 1968 is shown in Appendix I.

Functions of the Committee

The functions of the Committee are to scrutinise the assurances, promises and undertakings etc. given by Ministers from time to time, on the floor of the Assembly and to report on :—

- (a) the number and kind of assurances given and the names of the Ministers and the Department to which they relate ;
- (b) the extent to which such assurances have been implemented ; and
- (c) where implemented whether such implementation has taken place within the minimum time necessary for the purpose.

The main purpose of this Committee is to scrutinise the various assurances given by the Ministers/Deputy Ministers on the floor of the House.

Forms of assurances

The Committee considered the standard list of forms constituting assurances, as approved by the Committee on Government Assurances of Lok Sabha and also incorporated in the 1st Report of the Committee on Government Assurances of the composite Punjab Vidhan Sabha, in its meeting held on the 20th August, 1968 and approved the forms as given in Appendix II to be treated as a guide for extracting assurances.

Scrutiny of assurances

The Committee took up the unfinished work of the Committee on Government Assurances for the year 1967-68 and also scrutinised assurances given by the Ministers on the floor of the composite Punjab Vidhan Sabha upto the Autumn Session 1965 in so far as those related to Haryana State. It also examined the assurances given by the Ministers on the floor of the Haryana Vidhan Sabha during the Budget (March—June) Session, 1967 and Budget (July) Session 1968. The Committee also scrutinised 33 assurances contained in the 11th Report of the Committee on Government Assurances

REPORT

1. The Committee on Government Assurances for the year 1966-67 consisting of five Members including the Chairman was constituted by the Speaker, Haryana Vidhan Sabha under Rule 261 of the Rules of Procedure and Conduct of Business in the Punjab Legislative Assembly on the 9th December, 1966,—vide notification No. CB/Genl-2/66/9, dated the 12th January, 1967. Chaudhri Devi Lal was appointed Chairman of the Committee. The Committee did not hold any meeting during its tenure and no report was presented to the House.

2. The Committee on Government Assurances for the year 1967-68 consisting of seven Members including the Chairman was appointed by the Speaker, Haryana Vidhan Sabha, under Rule 261 of the Rules of Procedure and Conduct of Business in the Punjab Legislative Assembly on the 21st June, 1967,—vide notification No. CB/PAC-EC-Genl-2/67/46, dated the 27th June, 1967. Shri Daya Krishan was appointed Chairman of the Committee. The Committee discussed its functions and held five sittings after its constitution.

The Committee scrutinised the assurances given by the Ministers on the floor of the composite Punjab Vidhan Sabha during the Budget Session, 1966 (before the reorganisation of the Punjab State) in so far as these relate to Haryana State and also examined the assurances given by the Ministers on the floor of the Haryana Vidhan Sabha during the sessions held in December, 1966 as also March-June, 1967 (relating to month of March, 1967 only).

The Committee also examined 1017 assurances printed in the 11th Report of the Committee on Government Assurances of the composite Punjab State for the year 1965-66. Out of these assurances the Committee retained only 234 assurances, 33 were kept pending and the remaining assurances which either lost their utility due to lapse of time or did not relate to Haryana State were dropped by the Committee.

The Committee considered the references received from the Chief Secretary to Government, Haryana, regarding disposal of assurances pending before the 1st November, 1966 as also the assurances given before the dissolution of Haryana Vidhan Sabha on the 28th February, 1967 wherein it was stressed that such assurances should be treated as having been lapsed. The Committee did not agree with the views of the Chief Secretary to Government, Haryana, and the matter remained under correspondence with the Government.

The Committee also considered the recommendations of the 5TH ALL INDIA WHIPS' CONFERENCE held in January, 1966 at Bangalore regarding culling out the assurances by the Department of Parliamentary Affairs. The Committee observed that the present practice of culling out the assurances by the Vidhan Sabha Secretariat as given hereunder should continue :—

"The assurances given by the Ministers/Deputy Ministers on the floor of the House are culled out by the Haryana Vidhan Sabha Secretariat from the debates. A set of assurances culled out is sent to the Chief Secretary to Government, Haryana, for his comments/views. The assurances alongwith the comments of the Chief Secretary, if any, are placed before the Committee for approval. If a particular statement which has been treated as an assurance by the Sabha Secretariat does not in the opinion of the Chief Secretary amount to an assurance, he may represent accordingly to the Committee. The Committee may or may not agree with the comments offered by the Chief Secretary. The decision of the Committee in this regard is, however, final."

The Committee could not present any report to the House as the Assembly stood dissolved by the proclamation issued by the President of India under Article 356 of the Constitution on the 21st November, 1967.

3. The Committee on Government Assurances for the year 1968-69 consisting of nine Members including the Chairman was constituted by the Speaker, Haryana Vidhan Sabha under rule 261 of the Rules of Procedure and Conduct of Business in the Punjab Legislative Assembly on the 2nd August, 1968,—*vide* notification No. CB/PAC—EC—Genl/68/13, dated the 3rd August, 1968. Chaudhri Mukhtiar Singh was appointed Chairman of the Committee. The Committee held 8 sittings after its constitution.

Position of assurances

Before the reorganisation of the State of Punjab, the position in regard to the assurances given on the floor upto Budget Session, 1965 of the composite Punjab Vidhan Sabha was shown in the 11th Report of the Committee on Government Assurances presented to that House on the 28th March, 1966. A statement showing the number of assurances given on the floor of the composite Punjab Vidhan Sabha upto Budget Session, 1966 before the 1st November, 1966 together with the assurances relating to the areas now forming part of Haryana, as also the assurances given during the Sessions of Haryana Vidhan Sabha held in the year 1966, 1967 and 1968 is shown in Appendix I.

Functions of the Committee

The functions of the Committee are to scrutinise the assurances, promises and undertakings etc. given by Ministers from time to time, on the floor of the Assembly and to report on :—

- (a) the number and kind of assurances given and the names of the Ministers and the Department to which they relate ;
- (b) the extent to which such assurances have been implemented ; and
- (c) where implemented whether such implementation has taken place within the minimum time necessary for the purpose.

The main purpose of this Committee is to scrutinise the various assurances given by the Ministers/Deputy Ministers on the floor of the House.

Forms of assurances

The Committee considered the standard list of forms constituting assurances, as approved by the Committee on Government Assurances of Lok Sabha and also incorporated in the 1st Report of the Committee on Government Assurances of the composite Punjab Vidhan Sabha, in its meeting held on the 20th August, 1968 and approved the forms as given in Appendix II to be treated as a guide for extracting assurances.

Scrutiny of assurances

The Committee took up the unfinished work of the Committee on Government Assurances for the year 1967-68 and also scrutinised assurances given by the Ministers on the floor of the composite Punjab Vidhan Sabha upto the Autumn Session 1965 in so far as those related to Haryana State. It also examined the assurances given by the Ministers on the floor of the Haryana Vidhan Sabha during the Budget (March—June) Session, 1967 and Budget (July) Session 1968. The Committee also scrutinised 33 assurances contained in the 11th Report of the Committee on Government Assurances

of the Composite Punjab which were kept pending by the previous Committee. Out of these 33 assurances 24 were dropped, 4 were retained and on 5 further observations were made by the Committee.

The assurances, which were approved by the Committee, after scrutiny, were sent to the Administrative Secretaries concerned for intimating the manner in which and the extent to which the Government have implemented those. Such assurances are contained in Appendix III.

Progress in regard to the implementation of Assurances.

The progress in regard to the implementation of Assurances :—

- (a) contained in the 11th Report (1965-66) of the Committee on Government Assurances of the Composite Punjab Vidhan Sabha and those given on the floor of the Composite Punjab Vidhan Sabha during the Autumn Session, 1965 and Budget Session, 1966 before 1st November, 1966; and
- (b) given on the floor of the Haryana Vidhan Sabha during December Session, 1966 and Budget Session (March—June) 1967 before 21st November, 1967 when the Assembly was dissolved by the President of India by proclamation issued under Article 356 of the Constitution of India was slow.

The Chief Secretary to Government, Haryana, in his U.O. No. 317-Pol(4)-67, dated the 31st January, 1967/6th February, 1967 addressed to the Financial Commissioner, Revenue and all the Administrative Secretaries to Government, Haryana conveyed the decision of the Government in relation to the assurances mentioned at (a) above that with the coming into existence of the new state of Haryana all such assurances pending with various Departments might be treated as having lapsed.

In regard to assurances mentioned at (b) above, the Chief Secretary to Government, Haryana, in his letter No. 1894-PPA(2)-67/9642, dated the 2nd June, 1967, expressed the views that as the Committee existing before the dissolution of the Assembly did not present its report to the House regarding the pending assurances which were to be pursued by the successor Committee of the Haryana Vidhan Sabha, so why the assurances held out before the dissolution of the Assembly should not be treated as having lapsed.

The correspondence exchanged between the Chief Secretary to Government, Haryana, and the Haryana Vidhan Sabha Secretariat in this connection is at Appendix IV.

The Committee, after considering the communications received from the Government, did not agree with their view point. The Committee decided to pursue all the pending assurances relating to the State of Haryana and the decision of the Committee was conveyed to the Chief Secretary to Government, Haryana *vide* Vidhan Sabha Secretariat Letters No. CV/A—15/11286, dated the 3rd August, 1967, and No. CB/A—15/67/15444, dated the 2nd November, 1967. The Government did not issue instructions to all the Departments emphasising the need for implementing the assurances in spite of seven reminders including the D.O. reminder issued to the Chief Secretary to Government, Haryana, in this connection. The Chief Secretary to Government, Haryana however, in his U.O. No. 4403-J-68, dated the 18th/19th December, 1968 issued revised instructions to the Financial Commissioner, Revenue and all Administrative Secretaries to Government, Haryana and Heads of Department to the effect that these assurances cannot be treated as having been lapsed and are required to be implemented by the Government.

The Committee are pained to note that the Government kept this matter lurking for about more than one and a half years and did not pursue such an important matter vigorously. The Committee take a serious view of the inordinate delay on the part of the Government which retarded the progress of the work of the Committee.

Position regarding implementation of Assurances given by the Ministers on the floor of Punjab Vidhan Parishad relating to the State of Haryana prior to Re-organisation

A point was raised before the Committee that the assurances given on the floor of the Punjab Vidhan Parishad relating to the State of Haryana prior to the re-organisation of State of Punjab should also be taken up by the Committee. In accordance with the decision of the Committee, the position in the States which were re-organised such as Kerala and Gujarat was ascertained. The Deputy Secretary, Gujarat Legislature Secretariat informed that the Committee on Government Assurances did not *Suo motu* decide to pursue the assurances of the old Bombay State. However, two assurances were forwarded to that Secretariat by Maharashtra State in the year 1963 and the Committee had decided to pursue the same. The Secretary, Kerala Legislature Secretariat informed that the assurances given by the Ministers on the floor of the Madras Legislative Council, which were pending implementation prior to the re-organisation of Madras State, were not pursued by the successor Committee on Government Assurances of the Kerala Legislative Assembly. The Committee noted the contents of the above letters.

Consideration of replies received from Government Departments in regard to the implementation of assurances

The Committee scrutinised 145 replies received from the Government from time to time upto 16th January, 1969 in regard to the implementation of the outstanding assurances contained in the 11th Report of the Committee on Government Assurances of composite Punjab in so far as they related to Haryana State and the assurances given by the Ministers on the Floor of the Composite Punjab Vidhan Sabha upto the Budget Session, 1966 before 1st November, 1966 and also the assurances given by the Ministers on the floor of the House of the Haryana Vidhan Sabha during the Session, 1966 after 1st November, 1966 and the Budget Sessions 1967 and 1968.

The Committee made certain observations in respect of some of the replies scrutinised by them in order to elicit further information from the Government (Appendix III) and noted the rest.

Some of the replies received from the Government could not be scrutinised by the Committee for want of time. These replies and the observations of the Committee thereon will find place in their next Report.

The Committee also decided that the assurances which have either been dropped or in respect of which replies from the Government were noted by it need not be printed in the Report or the Appendix thereto as these have been finally disposed of. The present report has been compiled accordingly.

General observation in regard to implementation of assurances

The Committee observed that certain Departments did not send their replies as to the implementation of assurances in the prescribed proforma together with the requisite number of copies of the replies in spite of the fact that they were specifically asked to do so by the Vidhan Sabha Secretariat with the result that their replies could not be placed before the committee in the proper form and this resulted in not taking an early decision with regard to the implementation of such assurances by the Committee. The Committee accordingly recommended that in future the Departments concerned should see that the requisite number of copies of the information in the prescribed proforma are invariably supplied to the Vidhan Sabha Secretariat in order to facilitate the work of the Committee.

The Committee feel that the value of assurances is lost if they are not implemented and the proper replies sent to the Vidhan Sabha Secretariat in accordance with the Government instructions issued by the Chief Secretary to Government, Punjab, *vide* his U.O. No. 638-P-60, dated the 29th November, 1960 to the Financial Commissioner, Administrative Secretaries and heads of Departments of the Composite Punjab State (as given in Appendix V). Normally the assurances should be implemented by the Government within three months from the date on which those assurances are given. In case it is not possible to implement an assurance within this period the cause of delay should be communicated to the Committee so that it may judge whether the reasons given for the delay are adequate or otherwise. If an assurance is received by an Administrative Secretary who is not concerned with that particular assurance, it should be transferred demi-officially to the Administrative Secretary concerned under intimation to the Vidhan Sabha Secretariat for pursuing the matter with the Administrative Secretary concerned.

Some of the Government Departments simply informed the Vidhan Sabha Secretariat that particular assurance did not relate to them. On the replies received from some of the Departments, it appears that these instructions are not being following in letter and spirit.

The Committee, therefore, recommend that these instructions should be followed in letter and spirit and fresh instructions may be issued by the Government to Financial Commissioner and all Administrative Secretaries Heads of Departments, on the lines issued previously by the Composite Punjab State Government *vide* Chief Secretary to Government of Composite Punjab State U.O. No. 638-P-6, dated the 29th November, 1960, to impress upon them the desirability of strictly following the same.

The Committee are also of the view that the responsibility of the Government does not end with giving instructions to the various Departments in pursuance of the assurances given on the floor of the House. It should follow up its instructions and satisfy itself that these are carried out meticulously.

The Committee have come to the irresistible conclusion that some of the assurances given several years back have not been implemented by the Government so far. However, the Committee realise that there may be some genuine cases where the implementation of assurances is bound to take a long time because of the various factors involved but that cannot be true in all the cases. The Committee, therefore, recommend that the Government should examine all such cases of assurances which are pending implementation and take necessary steps so that these may be implemented as far as practicable within the period of two months from the date of presentation of this Report.

The Committee also regret to point out that there is a tendency on the part of the Government Departments to give incomplete vague and evasive replies.

In the end, the Committee expect that the Government Departments will take expeditious steps in the matter of implementation of assurances in future.

The 1st October, 1963

- 1 Starred Question No. 4223 Revenue by Comrade Ram Kishan regarding increase in the percentage of Tehsildars for promotion to P.C.S. Cadre

The Punjab Tehsildars Association in a recent memorandum have demanded amongst other things that the quota for promotion to the P.C.S. from amongst Tehsildars and Naib-Tehsildars be enhanced to the extent of 50 per cent. The matter is under examination

The matter is under consideration. It will be finalized on receipt of some data from the Chief Secretary to Government, Punjab

The Committee would like to know the latest position in the matter.

(Reply to Observation)

The matter is still under consideration. The Committee observe that some of the requisite data has been received from the Chief Secretary to Government, Punjab, and the remaining is still awaited. He has been reminded to expedite

4	Discussion on a joint motion given notice of by Shri Bahadur Dass Tandon regarding the failure of the Government to allot the surplus custodian and nazul land to the Harijans of the State	Revenue	The Government will allot 50 per cent of 90 thousand acres of land purchased by it from the Central Government to the Harijans of the State and the remaining 50 per cent to the ex-military men	The Punjab Government purchasing inferior evacee land measuring about 83,000 acres from the Government of India, Ministry of Rehabilitation. According to Government Policy, 50 per cent of this land except that situated within ten miles of Indo-Pak Border in the three districts of Gurdaspur, Amritsar and Ferozepur and 700 acres in Karnal district earmarked for establishment of Colony for graduates in Agriculture, is to be allotted to the Harijans, the remaining land is allottable to members of backward classes, Indian Christians and ex-servicemen. An area measuring 6,300 acres has so far been allotted to various categories of persons including Harijans	The Committee would like to know the latest position regarding establishment of a colony for graduates in Agriculture and allotment of the remaining land to members to the Backward Classes etc.
---	---	---------	--	---	---

(Reply to Observation)

(Further Observation)

The State Government purchased from the Government of India, Ministry of Rehabilitation, inferior or evacuee land measuring about 83,000 acres. Out of it, an area of 62,266 acres has since been allotted while an area of 20,734 acres still remains to be allotted. The local Officers have already been asked to make allotment of the remaining land as early as possible

The Committee would like to know the area of the Custodian and Nazul land that falls in Haryana and latest position about the allotment thereof.

(Reply to further Observation)

(Further Observation)

5,119 acres and 9 maulas of nazul land came to the share of Haryana State on 1st November, 1966 and out of which 2,831 acres and 10 kanals have been distributed upto 30th June, 1968 to the Haryana

The Committee would like to know the latest position.

The 17th April, 1964

4 Starred Question No. 4737 by Shri Rup Singh Phul regarding Land Reforms in the State

(a) Proposals are under consideration of Government for amending the existing tenancy legislation in some respects

(b) The Amending Bills in respect of these amendments are likely to be sponsored in the current session of the Legislature

ACTION TAKEN BY GOVERNMENT REGARDING THE IMPLEMENTATION OF NON-OFFICIAL RESOLUTIONS
ADOPTED BY THE PUNJAB VIDHAN SHABHA TILL FEBRUARY, 1960

Serial No.	Resolution	Action taken by Government	Remarks
1	2	3	4
8	Resolution moved by Ch. Chambel Singh and passed by the Punjab Vidhan Sabha in its meeting held on the 18th February, 1960		
	This Assembly recommends to the Government to take steps to abolish the 'Chah Nals' a tax realised from the owners of wells sunk by them at their own cost for irrigation purposes in the State		
	The case is under consideration of Government		
	(Reply to Observation)		
	The Committee would like to know the latest position in the matter		
	(Further Observation)		
	The matter is still under the consideration of Government		
	(Reply to Further Observation)		
	The position remains the same as intimated previously		
	(Reply to further Observation)		
	The matter will be considered again in September, 1963. The decision arrived at will be intimated to the Committee for their information		
	(Reply to Further Observation)		
	The matter was considered by the Council of Ministers in their meeting held on the 15th January, 1963, and it was decided to take up its consideration in May next		
	(Further Observation)		
	The Committee would like to know the latest position in regard to the abolition of Chah-Nal Tax		

The matter is still under consideration of Government

(Reply to further Observation)

The matter was considered in the meeting of the Council of Ministers held on the 5th August, 1964. It was decided that the Administrative Department should examine and consider it in the context of the possible revision of the whole land revenue assessment system. Thereafter the matter may be put up again to the Council of Ministers for their final decision. The matter has therefore, been kept pending till a revised land revenue system is evolved.

(Further Observation)

The Committee decided to orally examine the departmental representatives in this connection at one of their subsequent meetings

(Reply to further Observation)

Implementation by Government

The proposal has been dropped by Haryana Government

(Further Observation)

The Committee observed that the resolution was passed by the Assembly with the concurrence of the Government and as such, it should have been binding on the Government to implement it. However the Committee would like to know their detailed reasons under which the proposal has been dropped by the State Government

(Reply to further Observation)

The proposal was dropped because of the settlement operations started in Karnal district where most of the land that came under well irrigation after the last settlements, is situated. Apart from this the abolition of Chahi rates was sure to deprive the State of a sizeable revenue without affording any worth while relief to the farmers who have not agitated against it

(Further Observation)

The Committee further observed that this resolution was unanimously passed by the Assembly with the concurrence of the Government and the present reply for dropping the proposal was not justified. Moreover, it was the moral obligation of the Government to implement this resolution, otherwise every sanctity attached to such unanimous resolutions of the House

and would have benefited considerably by the State Government providing assistance to them for sinking of wells etc.

would be lost. Moreover, the settlement operations had been started in Karnal District alone, and as such the Committee would like to know the position in regard to other districts of the State

staff or the formation of the Crop Insurance Scheme. The details of the scheme are being worked out

The Scheme of Crop Insurance is very complicated and requires a good deal of detailed statistical data for its formation on sound lines. This data is being collected. Also for the implementation of the scheme suitable legislation is necessary. According to the Constitution only Parliament is competent to pass this legislation. A draft Crop Insurance Bill together with detailed note for the implementation of Crop Insurance scheme has been prepared and submitted to the Ministry of Food and Agriculture for getting the Bill passed by the Parliament. In the mean time the requisite information to work out the details of the scheme is being

it is hoped that the Crop Insurance Act will be available this year and to any of the States to start the insurance of crops by Kharif.

- On the basis of a report given by its sub-committee, the charges levelled against the General Manager by the superseded Board of Directors, were considered by the Board of Administrators of the Panipat Co-operative Sugar Mills on 19th January, 1965. It was decided that in view of the fact that a comprehensive enquiry into the entire working of the Panipat Co-operative Sugar Mills for the period prior to 4th February, 1963 (on which date the elected Board of Directors of the Mills was superseded) is being conducted by the Vigilance Department of the State Government decisions on these charges, which were mostly taken out from the audit reports of previous years, should be taken only after the receipt of that report, as both were considered to be intimately connected. In view of these circumstances, the Board of Administrators did not consider it advisable to dispose of these charges and then have them put up again for consideration afresh. The comparative percentages of expenditure incurred regionwise during the years 1961-62, 1962-63 and 1963-64 are as under:—

Percentage based on the expenditure after excluding expenditure on common projects from the Punjabi Region

Year

These are based on expenditure figures intimated by treasuries in Punjab. The expenditure on the Dam portion of the Bhakra Nangal Project and the Beas Project which are Projects of common use to both the regions, but which fall in the Punjabi Region, has been excluded from the expenditure incurred in Punjabi region to arrive at the comparative statement of percentages of expenditure incurred for Hindi and Punjabi region separately.

According to the spirit of assurance the expenditure on Hindi and Punjabi Region, Hindi Region should be one and a half times the expenditure on Punjabi Region (i.e., in the ratio of 60:40). From the statement given above it will be observed that this spirit stands satisfied for the expenditure incurred during 1963-64.

Copy of Letter No. 3027-B&C-62/13215—, dated the 4th January, 1963, from the Secretary to Government, Punjab, Finance Department to All Heads of Departments in the Punjab

Subject: Annual Budget Allotment—Resolution passed by Hindi Regional Committee.

I am directed to say that the Hindi Regional Committee passed the following resolution on the 13th January, 1963:

"This Committee recommends to Government the steps to make the annual Budget allotments in respect of heads covered by the 14 scheduled matters as specified in the Punjab Regional Committee's Order 1957, on the basis of area in the Hindi Region of the State and that the amounts so allotted be spent during the same financial year. A phased programme of 5 years be framed to spend money in excess of the ratio fixed according to the formula mentioned above to bring Hindi Region to the level of Punjabi Region in matters of Development."

The Governor of the Punjab to whom the matter was referred in accordance with the provisions of Rule 9-A, of the Rules of Business and impracticable observed, that the spirit of the resolution may be kept in mind by the Government in allotting funds for development and other purposes in the Hindi Region. It is, therefore, requested that this decision may please be kept in view while framing proposals for inclusion in the Budget for development and other purposes.

204 Started Question No. 718 Industries
by Sri Babu Dayal
S'harma re. industrialisa-
tion of Gurgaon District

The 7th May, 1962

Yes. There has been considerable industrial development in Gurgaon District as a result of various measures taken by the Government. In addition, it is proposed to establish an Industrial Colony in Gurgaon District during 1962-63, an Industrial Estate with 50 sheds in 1963-64 and intensive rural industrialisation programme during Third Plan

The establishment of an Industrial Colony and an Industrial Estate at Gurgaon is progressing. About 50 acres of land has been notified for acquisition under sections 4 and 6 of the Land Acquisition Act. The construction work is expected to start during 1963-64. Besides, there is a programme of establishing four Rural Industrial Estates, four Industrial Development Centres and one cluster type training centre in Gurgaon District during the Third Plan period, under the scheme of Rural Industrialisation. The building of a Rural Industrial Estate at Sohana is under construction

project should be secured from National Industrial Development Corporation who have accordingly been approached to take up his work

(Reply to observation)

(Further observation)

A Technical consultancy agreement with National Industrial Development Corporation specifically for the Seamless Tubes Project has not so far materialised.

However, they have since been appointed as general consultants for the newly established Industrial Development Corporation. In regard to the Seamless Tubes Project, a detailed enquiry was drawn up in consultation with the National Industrial Development Corporation and has been widely circulated to Foreign manufacturers for the import of capital equipment and machinery and technical know-how to set up the project.

An application for import licence and allotment of foreign exchange has been submitted to the Government of India. Negotiations are in progress with Indian parties likely to be associated with the project.

It is proposed to start a rural Industrial Development Centre each in Rural Industrial Estates to be set up in Jind and Safidon during 1964-65

Serial No.	Reference	Department	Assurance	Action taken by Government	REMARKS
1	2	3	4	5	6
367		Irrigation	I will issue instructions to the Officers for determining cuts and breaches in the canals IRRIGATION DEPARTMENT The 24th May, 1957	Government have very recently decided to appoint a small committee consisting of three senior officers to go into the question of revising the Northern India Canal and Drainage Act VIII of 1873, in a comprehensive manner. Among other matters, the Committee is being required to examine thoroughly the issues relating to cuts or breaches in the canals also keeping in view the assurances given by the I.P.M. in the Vidhan Sabha and submit proposals for the amendments to the existing provisions of the Act <i>ibid</i> and the rules thereunder, in order to achieve the object in view (Reply to further observation) The Northern India Canal and Drainage (Punjab Amendment) Act, 1960, provides for the appointment of an Advisory Committee consisting of five non-official members for every division of canal to advise the Divisional Canal Officer in canal cuts/breaches cases. Rules under the Amendment Act are under issue. Action to constitute Advisory Committee in each Canal Division is being taken (Further observation) The Committee would like to know whether the Canal Advisory Committee have since been constituted and started working and if not whether the same are likely to be constituted (Further observation) The Committee would like to know the latest position in the matter	

"The latest Gurgaon Canal Project is a separate entity and has no concern with Western Jumna Canal Remodelling Project, 1959. Similarly an independent Project for Rewari Lift Scheme is under sanction of Government. Therefore, revised Western Jumna Canal Remodelling Project, 1959 be recast excluding Gurgaon Canal and Rewari Lift Irrigation Scheme"

Accordingly the work of recasting the Western Jumna Canal Remodelling Project, 1959, is in hand in the office of Chief Engineer, Irrigation Works, Punjab (in C.D.O.) and will be submitted to Government shortly

(Reply to further observation)

(Further observation)

The revised W.J.C. remodelling project has been recast and forwarded to Central Water and Power Commission, New Delhi, for approval

The Committee would like to know the latest position

370 Starred Question No. 6578, by Maulvi Abdul Ghani Dar, re Irrigation Schemes for Gurgaon District

(i) Gurgaon Canal Project.—Government has approved the execution of work under this scheme, but the project estimates has not yet been formally sanctioned

Gurgaon Canal Project.—Gurgaon Canal Project was framed and work on this project was started in the year, 1960, but due to emergency and paucity of funds, the work on this project was suspended in November, 1962. Recently it has been decided by the Government that a regular supply of 600 Cs. be given for Thermal Plant proposed to be erected by the Power Board, Delhi on the right bank of the Jamuna for its cooling and non-consumptive base. So it has also been thought of that the reafter the 600 Cs. may be utilized on of Gurgaon Canal Project. The State Government have allotted a sum of Rs 92 lacs for the year, 1964-65, for this project and the work has been resumed. The Project Report is still under scrutiny with Central Water and Power Commission

(ii) Rewari Lift Irrigation Scheme.—Government has approved execution of work under this scheme. The revised Project Estimate has been prepared and is under scrutiny

The Committee would like to know the latest position in respect of Gurgaon Canal Project and Rewari Lift Irrigation Scheme

The revised Project Estimate of Rewari Lift Irrigation Scheme is with the Chairman, Central Water and Power Commission, Government of India for technical scrutiny. Certain observations were made by the Central Water and Power Commission some time past which were replied to by Chief Engineer (South), Irrigation Works, Punjab. The Chairman, Central Water and Power Commission has made further observations which are under examination of Superintending Engineer, Western Jumna Canal (West) Circle. The observations will be replied as soon as comments are received from the Superintending Engineer, in the Chief Engineer, Irrigation Works, Punjab's Office

(Reply to observation)

503 Starred Question No. 2454 by Ch. Inder Singh Malik, M.L.A., re. the construction of Sadfion-Jagsi Road

P.W.D.,
(B.&R.)

The 4th April, 1963

There is a proposal under the consideration of Government for the construction of a road from Sadfion to village Jagsi via village Hatt in tehsil Jind, district Sangur. This road has already been included in the 3rd Five-Year Plan and the preliminary works thereon are likely to be completed before its close. Village Hatt, however, lies a little off this road, and as to whether its alignment will pass through this village or not, can be known only after the detailed survey of the road which is to be carried out shortly. The Committee would like to know the latest position regarding the construction of this road.

504 Starred Question No. 2937 by Ch. Inder Singh Malik, re. compensation for land acquired for Jind-Gohana Road

P.W.D.,
(B.&R.)

Fresh acquisition papers are being finalised and compensation will be given to the land owners of village Nediani after the publication of the fresh notification. The payment of compensation of land including 15 percent C.A.C. thereon has since been made to the land owners of village Nariani on 16th August, 1963, on account of their land acquired for Jind-Gohana Road. Now nominal amount in the shape of interest remains to be paid which will be liquidated and action in this respect is being taken. The Committee would like to know why interest was not been paid along with the amount of compensation and whether it has since been paid.

(f) The problem for recruitment and retention of staff for polytechnics is also under consideration of the Central Working Group on Technical Education. The department concerned is keeping in touch with the Central Working Group in order to finalise this matter early

made to locate persons studying abroad. Accordingly Dr. Viswanathan was appointed as Professor and Head of Department. Unfortunately, he resigned from the post sometime back and had to be relieved. The State Government are anxious to provide specially qualified staff for the College in this line of Engineering and taking steps accordingly, but very few are available

with regard to the problems regarding recruitment and retention of staff for Polytechnics

The State Government are anxious to provide facilities to the teachers on technical education side. While the scales of the Principals, Heads of Department and Lecturers have since been revised as recommended by Government of India, cases of other categories are under consideration. Similarly the liberalisation of Pension Rules is also being considered. It has, however, been decided not to provide rent free accommodation to teachers

The proposal was discussed in the meeting of Northern Regional Committee in April, 1963. It is now with All-India Council for Technical Education, Government of India, for final approval

535 Debate on demands for Education

I want that the number of scholarships should be increased but it is difficult to do so far want of money. Therefore, we are trying to get some scholarships from the Local Bodies, if possible

536 Debate on demands for Education

In order to improve the standard of education it is essential that shining students be kept and in the hostels good arrangements are made for them there. We are considering over this matter

587 Debate on demands for Education
Education

We are facing three main difficulties these days, viz. shortage of staff equipment and buildings. We will solve the difficulty of Buildings and equipment this year to some extent. It is hoped that the shortage of staff would also be removed next year to some extent.

588 Demand for Education Education

We are making efforts to construct residential quarters for the lady teachers at some central places in the rural areas. We are also thinking that hostels for the girls students should also be constructed adjacent to these residential quarters of the lady teachers.

We are thinking of setting up 2/4 such centres in each district.

Local Government Department

The matter to ensure that people in the jurisdiction of the Municipal Committees and District Boards do not have to pay two professional taxes, one imposed by them and the other by the State Government is under consideration of the State Government

The matter is still under consideration of the Finance Department

The Committee would like to know if the matter has since been finalised (Further observation)

The Committee would like to know the latest position in the matter and also whether the report of the Non-agricultural Land Taxation Committee has since been received

(Reply to further observation)

The matter is still under consideration of the Finance Department

The Committee would like to know what other steps, besides the appointment of a Committee for the rationali-

sation of Tax structure of urban lands and properties, have been taken by the Government to determine the share of the Urban, local bodies in the State Taxes

(Further observation)

The Committee observed that the assurance was given in September, 1963 and the matter is still under the consideration of the Finance Department even though 21 months have elapsed. The Committee urged that the matter should be finalised without any further loss of time and the Committee informed

(Further observation)

The Committee decided to orally examine the representatives of the Department concerned at one of their subsequent meetings in regard to the implementation of this assurance

(Reply to further observation)

The Finance Department is being requested to finalise their views in the matter without further loss of time and the decision taken by the Department will be communicated to the Committee as early as possible

The 17th April, 1964

611 Starred Question No. 5171 by Com. Ram Kishan re. Share of Urban Local Bodies in State Taxes

Local Government Department

The question of compensating the Municipal Committees for the loss suffered by them because of the abolition of Octroi in foodgrains is linked up with the question of rationalisation of taxes as between the State Government and the Local Bodies. The Finance Department are already seized of the problem and it will be finalised on receipt of report of the Non-Agricultural Land Taxation Committee constituted by the Government

A proposal for the rationalisation of the tax structures in the State and sharing of the income from the taxes between the State and Local Bodies has been under consideration of the Government for the last three years. It has not been possible to evolve a fair and equitable formula so far. Prolonged consideration of the matter was necessitated by the fact that a number of Departments such as Finance, Local Government, Excise and Taxation and Development Departments had to be consulted. Final decision in the matter by the Finance Department is likely to take quite some time more. One aspect of this question, namely the rationalisation of tax structure of urban lands and properties which at present are subject to House Tax, property Tax and Marla Tax was recently referred to by Government to a Committee known as Non-Agricultural Land Taxation Committee which has submitted its report in April, 1965. Its recommendations are under consideration of the Government in the Revenue Department

(Reply to observation)

630 Unstarred Question No. 209 Part (c) by Shri Rup Singh Phul, M.L.A., re. the construction of Stadia in the State

SPORTS DEPARTMENTS
The 5th November, 1962

(i) It is proposed to construct stadium at all district headquarters which do not have stadia. Plans for the stadium to be constructed at Dharamsala, Jullundur, Ludhiana, Chandigarh, Sangrur and Hissar are under preparation

(ii) Plans for stadium at other places were there are none are also to be

Athletic Club, Chandigarh is nearing completion. The Committee plans to start construction of multipurpose stadia at Ludhiana and Jullundur were completed and efforts to finalise plans for construction of stadia at Hissar, Sangrur and Dharamsala were in progress. All schemes relating to new construction were held in abeyance due to Emergency. During the current financial year we have an amount of Rs 1,70,000 for the construction of stadia. It will be spent to complete the Projects which are already in hand

(Further observation)

The Committee would like to know the latest position in regard to the construction of stadium at Jullundur, Ludhiana, Hissar and Faridkot

(Detailed observations)

Athletic Club, Chandigarh has been completed. A Cinder Track is, however, being laid

(2) Deputy Commissioner, Ludhiana has been authorised by the Government to raise funds for the construction of multipurpose Stadia at Ludhiana and a sum of Rs 10,000 has been allocated as Sports Departments construction for this stadium

(3) Sketch plans and estimates for Jullundur Stadium have been prepared and a sum of Rs 35,000 has been allocated for the development of playgrounds in the Burlin Park, Jullundur

(4) The construction work of Stadium at Sangrur is in progress, more than half of the building has been completed. The Deputy Commissioner, Sangrur is getting the project implemented. The Sports Departments as yet is not directly concerned

Total					4,27,000

(Reply to observation)

A sum of Rs 10,000 has been allocated as Sports Departments share for Ludhiana Stadium which is to be utilised during the current financial year. This is a big Project which involves acquisition of land for the Stadium which will take some time to start the construction of building portion

(Further observation)

The Committee would like to know the latest position

A sum of Rs 35,000 has been allocated for the Burlton Park, Jullundur but this department is in correspondence with the Municipal Committee, Jullundur regarding the title of ownership of this stadium and playgrounds

A sum of Rs 40,000 has been spent on earth-work on Hissar Stadium by the District Authorities and there is a balance of Rs 95,000. The sketch plans and estimates are under preparation and the work will be started as soon as these plans are ready

A sum of Rs 10,000 has been earmarked for Victory Stadium Faridkot against which a sum of Rs 4,525 is being spent on public health work repairs and the remaining balance will be spent on the general repairs of the stadium and track, etc

(Reply to further observation) (Further observation)

The Sports Department extended a grant in-aid of Rs 10,000 during the year, 1963-64 for the Ludhiana Stadium. The construction work is being carried out by Deputy Commissioner, Ludhiana independently through the Superintending Engineer, Panchayat Raj Circle

A grant of Rs 35,000 was extended to the Deputy Commissioner, Jullundur as grant-in-aid during 1963-64 for the construction of a Stadium in Burlton Park, Jullundur. The construction work is in progress. Deputy Commissioner, Jullundur is being requested to send a proper utilisation certificate

221. Regarding Glider's Club Sports
2660 by Sri Rup Singh
Phul

Gliding activities are likely to be started by summer this year at Patiala, Hissar and Amritsar. Land Acquisition proceedings at Chandigarh, Karnal and Ludhiana are in progress.

THE COMMISSIONER would like to know the latest position in regard to starting gliding activities at Hissar, Karnal, Ludhiana and Chandigarh.

been received at these Stations. Flying activities have already been started at Amritsar and Patiala whereas the air-field at Hissar is ready for operation. The air-field at Karnal is expected to be ready for operation during the next few months and it may be possible to start flying/gliding activities about the middle of this year. Also it is hoped that flying and gliding activities will start at Ludhiana during the current year as the construction of runway will take a little time more. The arrangements for the field selection of a site for the Civil Air-field at Chandigarh are still under examination. Similarly starting of a aviation/gliding club at Chandigarh will take some more time.

(Reply to observation)

The Gliding activities at Hissar are likely to start before the end of the current year. It would however, not be possible to start gliding activities at Karnal, Ludhiana and Chandigarh due to paucity of funds, resulting from the drastic cut imposed on the plan allocation of Aviation Department to the extent of Rs 25 lakhs by the Planning Board. The Department will, however, do its level best for starting gliding and flying activities at these stations early subject to availability of funds

(Further observation)

The Committee would like to know whether the Gliding activities had started at Hissar

APPENDIX IV

Copy of U. O. No. 317-Pol-(4)-67, dated the 31st January, 1967/6th February, 1967, from the Chief Secretary to Government, Haryana, addressed to the Financial Commissioner, Revenue, Haryana, and all the Administrative Secretaries to Government, Haryana and copy thereof endorsed to the Secretary, Haryana Vidhan Sabha.

Subject :—Assurances pending before the 1st November, 1966.

Will the Financial Commissioner, Revenue, Haryana, and all the Administrative Secretaries to Government, Haryana, kindly refer to the subject noted above ?

2. The Government had under consideration the question of how the assurances held out by certain Ministers on the floor of the Punjab Vidhan Sabha/Punjab Vidhan Parishad prior to 1st November, 1966, are to be disposed of. It has now been decided that, with the coming into existence of the new State of Haryana, all such assurances pending with various Departments may be treated as having lapsed.

3. This communication may please be acknowledged.

Copy of letter No. CB A-15/11286, dated 3rd August, 1967 from the Secretary, Haryana Vidhan Sabha addressed to the Chief Secretary to Government, Haryana.

Subject :—Assurances pending before the 1st November, 1966.

I am directed to say that the decision of the Government that the Assurances given by the Ministers on the floor of the Punjab Vidhan Sabha prior to 1st November, 1966 be treated as having lapsed, conveyed to the Financial Commissioner, Revenue, Haryana, vide your U. O. No. 317-Pol-(4)-67, dated the 31st January, 1967/6th February, 1967 a copy thereof endorsed to this Secretariat, was placed before the Committee on Government Assurances in its meeting held on the 24th July, 1967, which observed as under :—

“The Committee observed that the assurances given on the floor of the House prior to 1st November, 1966, should not be treated as having lapsed, it was, therefore, decided to review the assurances given before the said date and which have been shown as pending in the 11th Report of the Assurances Committee of the Joint Punjab Vidhan Sabha and pursue only those which relate to Haryana State and are of public importance and leave out those which have lost their utility due to lapse of time.”

The above observation of the Committee is based on the following facts :—

- (i) the Government is a continuous institution and promises/assurances/commitments made on the floor of the House by one Government or binding on the success of Government ;
- (ii) the implementation of assurances given on the floor of the erstwhile Pepsu Vidhan Sabha prior to integration was pursued by the Committee on Government Assurances of the Punjab Vidhan Sabha ;
- (iii) it is understood that the Assurances Committee of the present Punjab Vidhan Sabha have also decided to pursue implementation of those assurances given on the floor of composite Punjab Vidhan Sabha which relate to Punjab State ;

- (iv) the recommendation made by the Estimates Committee and the Public Accounts Committee of the erstwhile Pepsu Vidhan Sabha were pursued by the respective Committees of the Punjab Vidhan Sabha after integration ;
- (v) the recommendations of the Estimates Committee and the Public Accounts Committee of the Joint Punjab Vidhan Sabha are being pursued by the respective Committees of the Haryana Vidhan Sabha.

I am, accordingly, directed to enclose herewith three copies of the Statement containing the Assurances given by the Ministers on the floor of the Punjab Vidhan Sabha during Budget Session, 1966, which were returned with your endorsement No. 317-Pol-(4)-67, dated 31st January, 1967/6th February, 1967 and to request you that the same may kindly be seen by you and returned to this Secretariat with your comments, if any, *within a week*.

This may kindly be treated as *most immediate* as the Committee had decided to scrutinise these assurances in its *next meeting to be held on 19th August, 1967*.

Copy of letter No. 1894-PPA-(2)-67/9642, dated 2nd June, 1967 from the Chief Secretary to Government, Haryana addressed to the Secretary, Haryana Vidhan Sabha.

Subject :—Assurances held out during December, 1966.

I am directed to refer to your letter No. 4816, dated the 29th April, 1967, on the subject cited above and to say that the whole matter has been examined in detail. It has been noticed that previously on a similar point the advice of Lok Sabha Secretariat was sought. A copy of their letter No. 15 (9)/62-2, dated the 21st September, 1962, is enclosed. Referring to paragraph 2 thereof, it was for the previous Assurances Committee to have sorted out the assurances which were of substantial character and of public importance, and then submitted a report as to which of the assurances should be pursued by the successor Committee of the New House. Since no such decision was taken by the previous Committee and the Ministers who gave the assurances are not in the present Ministry and a few of them may not even have been re-elected, I am to request you to indicate why, in view of the position explained in the Lok Sabha Secretariat letter dated the 21st September, 1962 such assurances should not be treated as having lapsed with the dissolution of the Assembly.

Copy of letter No. 15(9)/62-&, dated the 21st September, 1962, from Shri B. B. Tewari, Deputy Secretary, Lok Sabha Secretariat, New Delhi, to the Chief Secretary to the Government of Punjab, Chandigarh.

Subject :—Reply to Assembly Questions after the dissolution of the Legislative Assembly.

With reference to your letter No. 5899-Pol 62/18488, dated the 11th September, 1962, on the subject noted above, I am directed to state that in Lok Sabha all pending notices and other business including bills lapse on the dissolution of the House. The interim replies given to questions by Ministers undertaking to supply the requisite information in due course are treated as assurances. Assurances given by Ministers on the floor of the House which are pending implementation by Government are however, deemed not to lapse on the dissolution of the House, if the Committee on Government Assurances has made report to the House that such assurances should be pursued by the successor House *vide* position explained in the subsequent paragraph.

2. In Lok Sabha, implementation of assurances given by Ministers on the floor of the House is watched by the Committee on Government assurances. Before the dissolution of the First and Second Lok Sabha, the Committee on Government Assurances selected from among the pending assurances such of them as were of substantial character

and of public importance and incorporated them in their reports so as to enable the successor Committee of the new House to pursue them. The successor Committee of the New Lok Sabha pursued those Assurances in accordance with the recommendations of the previous Committee. Relevant extracts of paras 3 to 6 of the Fourth Report of the First Lok Sabha and para 3 of the second Report of Second Lok Sabha are enclosed.

Copy of letter No. CB/A-5, 66/11615, dated 11th August, 1967 from the Secretary, Haryana Vidhan Sabha addressed to the Chief Secretary to Government, Haryana.

Subject :—Assurances given by the Ministers on the Floor of the House during Session held in (i) December, 1966, and (ii) March, 1967.

In continuation of this Secretarial letter No. CB/ Assurance /5, 66-67/8240, dated 5th June, 1967 and No. CB/A-4/66/9721, dated 19th June, 1967, on the subject noted above, I am directed to say that your letter No. 1894-PPA-(2)-67/9642, dated 2nd June, 1967, was placed before the Committee on Government Assurances which observed as under :—

“The Committee observed that the Assurances given on the floor of the House before the dissolution of the Haryana Vidhan Sabha should not be treated as having lapsed with the dissolution of Sabha. It, therefore, decided to scrutinise the assurances given before the dissolution of the Sabha and pursue those which are of substantial character and public importance and leave out those which have lost their utility due to lapse of time”.

The above observation of the Committee is based on the following grounds :—

- (i) the procedure laid down in para 1 of the Lok Sabha communication (received with your letter under reference) does not mean that if the Committee on Government Assurances of the dissolved House does not or is unable to make a report to the House that certain Assurances should be pursued by the successor Committee, the Assurances given before the dissolution of the House would lapse ;
- (ii) the suggestions made by the Committee on Government Assurances of the First and Second Lok Sabha (*vide* para 2 of the Lok Sabha's communications) that such assurances be pursued by the successor Committee were merely of a nature of recommendations and were not binding on the successor Committee ;
- (iii) the plea raised that the Ministers who give the assurances before the dissolution of the Haryana Vidhan Sabha are not in the present Ministry and a few of them may not have been re-elected does not appear to be correct as the assurances are given by the Ministers on behalf of the Government and not in their personal capacity.

I am, therefore, to request you kindly to return the sets of assurances given during the Sessions held in December, 1966 and March, 1967 already sent to you, with your comments, if any, so that the same may be placed before the Committee for its consideration.

This may kindly be treated as *most Immediate*.

Copy of letter No. 4363-Pol-(4-67)/18202, dated 22nd September, 1967, from the Chief Secretary to Government, Haryana, addressed to the Secretary, Haryana Vidhan Sabha.

Subject :—Assurances pending before the 1st November, 1966.

With reference to your letter No. CB/A-15/11286, dated the 3rd August, 1967, on the subject noted above, I am directed to invite your attention to Haryana Government letter No. 1894-PPA-(2)-67/9642, dated the 2nd June, 1967, with which a

copy of Lok Sabha Secretariat's letter No. 15/9/62-Q, dated the 21st September, 1962, was forwarded to you. As per advice received from the Lok Sabha Secretariat, assurances given by Ministers on the floor of the House which are pending implementation by Government, are, however, deemed not to lapse on the dissolution of the House, if the Committee on Government Assurances has made a report to the House that such assurances should be pursued by the successor House. It may please be intimated immediately if the Committee on Government Assurances of the composite Punjab, just at the time of re-organisation, had made such a report to the house or not. In case the Assurances Committee had not made such a report to the House, the Assurances given by the Ministers on the floor of the Punjab Vidhan Sabha during budget Session, 1966, should be considered as having lapsed so far as the Haryana State is concerned.

Copy of letter No. CB A-15.67/15444, dated 2nd November, 1967, from the Secretary, Haryana Vidhan Sabha addressed to the Chief Secretary to Government, Haryana.

Subject :—Assurances pending before the 1st November, 1967.

With reference to the correspondence relating with your letter No. 4363-Pol-(4)-67/18202, dated the 22nd September, 1967, on the subject cited above, I am directed to inform you that the matter was placed before the Committee on Government Assurances which did not agree with the views of the Government and felt that it was within its rights to pursue the implementation of all the Assurances pending before the Re-organisation of the Punjab State as well as those given before the dissolution of the Haryana Vidhan Sabha, on the following grounds :—

- (i) Under rule 249 of the Rules of Procedure and Conduct of Business in the Punjab Legislative Assembly, as adopted by the Speaker, Haryana Vidhan Sabha, by virtue of the powers conferred on him under section 19 of the Punjab Re-organisation Act, 1966, 'any matter referred to or pending before a Committee before the appointed day, shall stand referred to or as the case may be, be deemed to be pending before the corresponding Committee after the appointed day ;
- (ii) In paragraph 6 of the 11th Report of the Committee on Government Assurances of the composite Punjab Vidhan Sabha under the head 'Consideration of replies received from Government in regard to the implementation of assurances' it has been stated ;

'Some of the replies received from the Government could not be scrutinised by the Committee for want of time. These replies and the observations of the Committee thereon will find place in their next Report.'

It implies that the Committee on Government Assurances made a report to the House that the assurances, which could not be taken up, should be taken up by the successor Committee.

- (iii) When PEPSU was merged with the Punjab State in 1956, the assurances pending before the Assurances Committee of the Pepsu Vidhan Sabha were pursued by the Assurances Committee of the Punjab Vidhan Sabha after the merger.

So far as the assurances given on the floor of the Haryana Vidhan Sabha before the dissolution are concerned the Committee is of the view that these are not pending notices which would lapse on the dissolution of the Vidhan Sabha. In the past also during the year 1957 and 1962, in the composite Punjab, when the Punjab Vidhan Sabha was dissolved, the assurances given on the floor of the House before dissolution, were pursued by the successor Committee.

It is understood that the Committee on Government Assurances of the present Punjab Vidhan Sabha has also decided to pursue implementation of the Assurances given on the floor of the composite Punjab Vidhan Sabha, and prior to the period of dissolution, which relate to the Punjab State.

I am, therefore, directed to request you to kindly issue necessary instructions to all the Administrative Secretaries to take suitable action for the implementation of all the assurances which were pending before the re-organisation of the Punjab State or were given on the floor of the House before the dissolution of the Haryana Vidhan Sabha.

Copy of U. O. No. 4403-P-68, dated the 18th/19th December, 1968 from the Chief Secretary to Government, Haryana, addressed to the Financial Commissioner, Revenue, and all Administrative Secretaries to Government Haryana, and copies thereof endorsed to all the Heads of Departments and the Secretary Haryana Vidhan Sabha Secretariat.

Subject :—Assurances pending before the 1st November, 1966 and those given before the dissolution of the Haryana Vidhan Sabha.

Will the Financial Commissioner, Revenue and all Administrative Secretaries to Government, Haryana, kindly refer to this Department U. O. No. 317-Pol-(4)-dated 31st January/6th February 1967?

2. The question as to whether the assurances pending before the 1st November 1966 and those given before the dissolution of the Haryana Vidhan Sabha in November 1967 are deemed to have lapsed, has been examined afresh in detail. It has now been decided on reconsideration that these assurances cannot be treated as having lapse and, therefore, are required to be implemented by Government. It is requested that action with regard to the implementation of these assurances may kindly be taken on the above basis as a matter of high priority.

APPENDIX V

Copy of Annexure I of U. O. No. 638 P-60, dated the 20th November, 1960 from the Chief Secretary to Government, Punjab, addressed to the Financial Commissioner, Development, Punjab, Financial Commissioner, Punjab and Financial Commissioner, Revenue Punjab and copies thereof endorsed to all Heads of Departments in the Punjab, the Secretary, Punjab Vidhan Sabha, etc.

Instructions relating to the Committee on Government Assurances.

I. Procedure

The following procedure has been adopted in the matter of implementing and fulfilling Assurances given by Ministers on the floor of the House :—

- (1) The Vidhan Sabha/Legislative Council Secretariat will send a list of assurances pertaining to a particular Administrative Secretary with a covering demi-official letter addressed to the Secretary so that he comes into the picture from the beginning. The receipt of this letter should be acknowledged ;
- (2) The reminders in respect of the outstanding assurances will also be in the form of demi-official letters addressed to the Administrative Secretary concerned. One reminder will relate to one assurance only and will contain a description of the subject matter.
- (3) If an Administrative Secretary is on tour or in a meeting or on leave, the senior most Branch Officer working under him should receive the letters and reminders on the subject of Assurances addressed to the Secretary by name. He should then initiate action without delay and put up such letters to the Secretary for information on the latter's return to office.
- (4) The references relating to the implementing of assurances from the Punjab Vidhan Sabha/Council Secretariat should invariably be acknowledged without any delay ;
- (5) The distribution of Assurances relating to various Branches under the same Administrative Secretary will be the responsibility of the Secretary concerned since the Vidhan Sabha/Legislative Council Secretariat are not always in a position to know the distribution of work in a particular Secretariat ;

- (6) If an Assurance is received by an Administrative Secretary who is not concerned with that particular assurance it should be transferred semi-officially to the Administrative Secretary concerned under intimation to the Vidhan Sabha/Legislative Council Secretariat who will then pursue the matter with the Administrative Secretary concerned ;
- (7) The Administrative Secretary should nominate one of his Branch Officers and a Superintendent for maintaining a record of allocation of the Assurances to the various Branches under him. For convenience this may be as far as practicable, the senior Branch Officer and the senior Superintendent under him.

II Prompt attendance of references relating to Assurances given by Ministers

The value of the assurances is lost if it is not implemented quickly and the result communicated to the Committee on Assurances. References relating to the implementing of assurances given by the Ministers should therefore be attended to promptly. The Administrative Secretaries should pay personal attention to see that no delay occurs anywhere in the implementing of assurances and should take disciplinary action when necessary.

An assurance should normally be implemented within a maximum period of three months from the date of assurances and where it may not be possible to comply with this requirement a report giving the reasons for the delay should be communicated to the Committee in order to enable them to judge as to how it was beyond the power of the department concerned to implement the assurance within the stipulated period.

In the case of assurances needing correspondence with the Government of India, full facts should be furnished to the Committee that earnest efforts have been made at the highest level to get such assurances implemented and that concrete proposals had been sent to the Government of India.

III General

(1) Replies to the assurances should be given to the Vidhan Sabha/Legislative Council Secretariat after obtaining orders of the Minister concerned.

(2) All the data to be placed before the Committee by a Department should be from the Administrative Secretary and not from the Departmental Heads on behalf of the Government.

(3) The replies to the assurances should be complete, specific and precise.

(4) Reply to an assurance concerning more than one Branch should be supplied in a consolidated form by the Branch to whom it is allocated particularly when the Branches concerned are under the same Administrative Secretary.

(5) Wherever convenient the representative of the Departments should sit together and settle matters after mutual consultation instead of carrying lengthy correspondence in the implementation of the assurances.

(6) The references relating to the Committee on Government Assurances should be handled carefully. It should be ensured that these references are not lost or mislaid.

(7) When replies are sent to the Secretariat of the Vidhan Sabha/Legislative Council regarding implementing of assurances the date on which such implementing has taken place should be stated.

(8) In the case of assurances which cannot be implemented on account of changed circumstances, or otherwise, the Committee should be informed accordingly without any enquiry being made by them. A statement giving reasons should also be made on the floor of the House as soon as practicable.

(9) Where the information given by a Department regarding implementing of an assurance is considered insufficient by the Committee as to the 'extent' of implementing, further information asked for by the Committee should ordinarily be furnished and all relevant and material information asked for should be promptly supplied. If, however, in the opinion of the Administrative Secretary, any information asked for by Committee is beyond the point, the fact may be brought to the personal notice of the Minister concerned.
