Chairman

REPORT

1 The Committee on Government Assurances for the year 1974-75 consisting of nine members was nominated by the Speaker, Haryana Vidhan Sabha on the 19th June, 1974 and notified in the gazette,—*vide* Haryana Vidhan Sabha notification No CB/A-61/74 75/24, dated the 21st June, 1974 Rao Dalip Singh was appointed as Chairman of the Committee by the Speaker

SITTINGS OF THE COMMITTEE

2 The Committee held in all 38 sittings, out of which, 4 sittings were held at New Delhi

--
SCRUTINY OF ASSURANCES

3 The Committee scrutinised the statements made by the Ministers on the floor of the House during the Sessions held in November, 1973, January, 1974, July, 1974 and August, 1974 The statements, which in the opinion of the Committee constituted assurances, were sent to the Administrative Secretaries concerned for intimating the manner in which and the extent to which the Government had implemented them The Committee could not consider the statements given by the Ministers on the floor of the House during the Session held in January, 1975 as the same were under process of being culled out from the relevant debates The successor Committee may, therefore, take up this work

4 The Committee scrutinised the replies received from the Government from time to time in regard to the implementation of the assurances shown as outstanding in Appendix II of the Fifth Report as also the replies containing the action taken by the Government to implement the assurances given by the Ministers on the floor of the House during the Sessions held up to Budget Session, 1974 The Committee made certain observations in respect of some of the replies scrutinised by it in order to elicit further information from the Government and dropped the rest

5 A statement showing the number of Assurances, etc given by the Ministers on the floor of the House up to the Session held in August, 1974, department wise, which are pending implementation is given in the Appendix

ORAL EXAMINATION

6 With a view to expedite action and ensure prompt implementation of the outstanding assurances, the Committee orally examined the representatives of the following departments —

(1) Co-operation ,

(2) Excise and Taxation ,

(3) Welfare of Scheduled Castes and Backward Classes ,

(4) Electricity ,

(5) Revenue ,

(6) Home ,

(7) Panchayats ,

(8) General Administration

(9) Agriculture ,

(10) Dairy Development ,

(11) Animal Husbandry ,

(12) Industries ,

(13) Colonisation ,

(14) Minor Irrigation Tubewells Corporation

7 In certain cases, the promised information/reply to the observation of the Committee was not sent to the Vidhan Sabha Secretariat for being supplied to the Committee within the stipulated period or by the time of drafting the Report as in the case of General Administration, Home, Revenue, Agriculture, Colonisation and Industries Departments

The Committee, therefore, recommends that in future the information asked for by the Committee may invariably be supplied to the Vidhan Sabha Secretariat well in time

8 The Committee, however, could not examine some of the departmental representatives, whom they had decided to orally examine for want of time

9 The assurances which have either been dropped because they had outlived their utility due to lapse of time or in respect of which the Committee was satisfied with the action taken by the Government to implement them have not been printed in this Report. The Government departments may not, therefore, send replies as to the implementation of those assurances which do not find place in this Report.

GENERAL OBSERVATIONS IN REGARD TO IMPLEMENTATION OF ASSURANCES

10 The Committee in its First Report recommended that—

Normally the assurances should be implemented by the Government within three months from the date on which those assurances are given. In case it is not possible to implement an assurance within this period the cause of delay should be communicated to the Committee so that it may judge whether the reasons given for the delay are adequate or otherwise.

The above recommendation was reiterated by the Committee in its Second, Third, Fourth and Fifth Reports. The Committee is pained to observe that the above recommendation is still not being followed in letter and spirit. The Committee has thus come to an irresistible conclusion that due importance is not being paid to the Committee's work. The Committee, therefore, once again recommends that the Administrative Secretaries should pay personal attention in the matter to see that no delay occurs anywhere in implementing assurances.

11 The Committee takes particular note of the long pending assurances and fervently hopes that the Government will take appropriate steps for their immediate implementation and furnish information regularly to the Vidhan Sabha Secretariat regarding the measures taken by the Government in fulfilling the promises made by the Ministers on the floor of the House.

12 With a view to get further information in respect of certain assurances as to their implementation, the Committee examined various departmental representatives. The Committee feels that in spite of repeated observations in its earlier reports, sufficient attention has not been paid by some departments in sending implementation reports in time. The Committee notes with concern the fact that a number of assurances given by the Ministers on the floor of the House from time to time still remain unimplemented for years together. The Committee desires that the Government may deem as its legitimate duty to fulfil the promises and undertakings made by the Ministers on the floor of the House. It is necessary for the effective functioning of the Committee that due importance is given in the matter of implementation of Assurances. The Committee, therefore, recommends that a register of Assurances should be maintained by all the departments which must be checked up periodically by some senior officers and on various occasions by the Head of Department concerned to determine the various stages of the implementation of each and every Assurance and to pursue it vigorously for its final implementation.

13 It has come to the notice of the Committee that certain departments do not supply the information in the proforma prescribed by the Committee.

In certain cases, such information is sent by the departments through routine letters. This deprives the Members of the Committee the opportunity to go through the same because the same cannot be supplied to them before the holding of the meeting(s). The Committee, therefore, stresses that the departments should send 15 copies of the reply, in respect of each Assurance to the Vidhan Sabha Secretariat well in time, in the prescribed proforma and neatly cyclostyled.

The 10th February 1969					
1	Budget Speech	General Administration	Grant in aid of Rs 10 lakhs will be given by the State Government to the Haryana Rayya Gandhi Shatabadi Samarak Samiti. This amount will be spent on construction of Gandhi Mandap Kurukshetra. Construction of drinking water wells and tube wells. It is also proposed to construct monuments in different areas costing Rs 1 50 lakhs. Exhibition will be held to high light in the contribution and ideals of Mahatma Gandhi	Grant in aid of Rs 10 00 lakhs was sanctioned in parts i e Rs 2 50 lakhs Rs 1 50 lakhs and Rs 6 00 lakhs by the Government to the Haryana State Gandhi Centenary Celebration Committee Smt Parbat Shobha Pandit Secretary Haryana State Gandhi Centenary Celebration Committee has intimated that —	The Committee would like to know the latest position with regard to the construction of Gandhi Bhavan at the Kurukshetra University (11 12 72)
				Gandhi Mandap of Kurukshetra University could not be built due to strike and agitations in the University at that time. In a meeting of Haryana State Gandhi Centenary Celebrations Committee dated 6th April 1970 it was decided that the Gandhi Bhavan at the Kurukshetra University be constructed if funds for the purpose are provided by the State Government and the University Grants Commission. It was also decided that the funds with Gandhi Centenary Celebration Committee be utilised for constructive purpose like betterment of backward classes and that was done	

1	2	3	4	5	6

Three tube wells at Patti Kalyana were installed. One hand pump and one well was also got dug at Sonapat and Bal Samand. Improved odourless public latrines were also constructed near the wells.

The exhibition could not be held as it was decided that the funds for the purposes should be utilised for Gram Vikas work in rural areas of the State (4 9 71)

(Reply to Observation)

The assurance related to the construction of Gandhi Mandap (and not Bhavan) at Kurukshetra. The work of construction was not started owing to strikes and agitations etc. in the University at that time. The funds allotted for the purpose were utilized by the Haryana State Gandhi Centre for Celebrations Committee for constructive purposes like betterment of backward classes (27 3 73)

(Further Observation)

The Committee would like to know the complete details of items on which expenditure relating to betterment of backward classes was incurred (4 9 73)

The Committee orally examined the departmental representatives on the 5th November 1974 and desired to know within a month the manner in which and the items on which the amount of rupees ten lakhs granted to the Haryana Rajya Gandhi Shatabdi

Samarak Samiti was spent to gether with the names of the places where the work was done. The departmental representative promised to supply the desired information within the stipulated period
(5 11 74)

(Further Observation)

The Committee desired the Department to supply the information within one month but the Department failed to supply the same by the stipulated time. The Committee would like to know the reasons for the non fulfilment of this assurance given before the Committee on 5th November 1974
(24 3 75)

The 16th August 1972

2 Speech by Chief Minister General in reply to the discussion on supplementary grants (First instalment) for the year 1972-73

The libraries of the Vidhan Sabha and Vidhan Parishad of the joint State of Punjab and Haryana should also be divided. We took up this matter with the Central Government. Now we shall take it up again and ask them that the books falling to our share should be given to us.

No agreement could be reached among the three successor States Punjab, Haryana and Himachal Pradesh for the division of the Libraries of the composite Punjab Vidhan Sabha/Parishad and accordingly the Government of India for a decision. The Government of India consequently ordered as follows —

(a) The Vidhan Sabha Library and Vidhan Parishad Library shall remain with the State of Punjab

The Committee would like to be informed of the latest position in the matter
(4 2 74)

(Observation)

The Committee reviewed the assurance and desired that the matter may be pursued demt officially and it be in formed of the latest position in the matter
(14 10 74)

(b) The books and documents of the said Libraries shall be pooled and divided in

the manner hereinafter provided namely —

- (i) Every second copy of the said books or documents shall be given to the State of Haryana
- (ii) Every third copy of the said books or documents shall be given to the State of Himachal Pradesh

Provided that if two or more copies of the above mentioned books or documents are not available after pooling Punjab Vidhan Sabha Library and the Punjab Vidhan Parishad Library the successor State Government shall not claim any compensation from the State of Punjab for the same

This decision of Government of India was not found to be in the interest of Haryana State. Accordingly a back reference was made to the Government of India to reconsider the issue but they did not agree. Accordingly the Secretary Punjab Vidhan Sabha was requested to take necessary action in the light of Government of India's decision. In response to this request of Haryana State the Secretary Punjab Vidhan Sabha intimated that the charge of the Library of department Punjab Vidhan

Parashad would be taken from the Punjab Civil Secretariat and thereafter a Cell could be created for sorting out duplicate/triple cate copies of the books. The case has not been finalised so far.

What action has been taken thereon?	Revenue	This is being enquired into. I marked this case for enquiry in his very presence.	The 16th August 1972	(Observation) The Committee reviewed the assurance and decided to orally examine the departmental representatives (3 10 74) (Further observation) The departmental representative during the course of oral examination on the 29th October 1974 asked for a couple of months to locate the case and to finalize it. The Committee desired the department to send its reply by December 1974. (29 10 74)

persons who have transferred the land in the names of their relatives or obtained collusive decrees from the Civil Courts or transferred the land in some other manner in the names of others with a view to defeating the purpose of this law all such transfers will be unlawful and treated void. The Government will not consider such a sale or decree of any Court as valid.

Yet we have not made any provision in this Bill for safeguarding the rights of the tenants. But we want to provide security to the tenants of the tenants also after consulting the Central Government just after a few days. For that purpose we shall bring an Ordinance later on.

After unifying the Punjab Security of Land Tenures Act 1953 and the Pepsu Tenancy and Agricultural Lands Act 1955 a new Act namely the Haryana Ceiling on Land Holdings Act 1972 has been enforced with effect from 22nd December 1972 and the Rules for its implementation have been published on the 28th August 1973. For providing security to tenants necessary amendments are to be made in the Punjab Tenancy Act 1887. This is a voluminous work and will take some time for finalisation. (24.10.73)

(Reply of the Government)

The State Government has recently enacted the Ceiling Law on land and framed rules thereunder. As a result of this

(14 2 74)

(Reply from the Government)

As intimated earlier it may be advisable to make 'amendments in the Punjab Tenancy Act and other enactments only after things have stabilized under the new ceiling law. Implementation of the new ceiling law has however been delayed on account of large number of Civil Writ petitions having been filed against this law in the High Court and certain provisions of the Punjab Land Reforms Act 1973 having been set aside by the Punjab and Haryana High Court which has bearing on the Haryana law.

It will take some time before the combined effect and implications of the judgement and inclusion of the Act in 9th Schedule are known. Necessary amendments in the Tenancy Laws would therefore be made only after things have established under the new Ceiling Law.

Reply of the Government
No area has so far been declared surplus under the Haryana Ceiling on Land Holdings Act 1972 because the implementation of the new Ceiling Law received a set back on account of a large number of Civil writ petitions having been filed against the Act in the Punjab and Haryana High Court. The Court in its judgment thereon has struck down certain vital provisions of the Act and the Rules framed thereunder. The Ceiling Act has since been included in the Ninth Schedule of the Constitution. It

Reply of the Government

In the circumstances already explained in the reply sent with this department letter No 4284 AR (LA) 74/40741 dated the 9th December 1974 it is not possible at this stage to indicate any precise period during which the issues involved would be finalised. The whole matter is being thrashed out thread bare in consultation with the State Law Department and the Government of India. Efforts are being made to complete the job of examination of the judgement of the Punjab and Haryana High Court. After amending the Act and the rules fresh declarations will have to be obtained and surplus area a certain. The meeting of 4 9 1974 was attended by the Controller Panchayati Raj, Finance Punjab and the Assistant Accounts Officer Development Department Haryana. It was suggested in this meeting that a joint team of the one representative (Senior Auditor) each of the two States should check the figures of interest state Zila Parishad/Panchayat Samitis of the bifurcated districts of the two States for apportionment of divisible assets and liabilities. This is to be done at the spot by the joint team of the senior Auditors of the two States after getting information from the concerned Panchayati Raj Institutions of their respective States. Accordingly a reference has been made to field officers for supplying information on priority basis. The defaulters have also been reminded. On receipt of complete information from the field officers the joint team of Senior Auditors would check the figures of the interest State corporate bodies at the spot. Record so checked will be certified by the officers of the Panchayat Samitis/Zila Parishads (D.C.s) concerned and there after by the Controller Panchayati Raj, Finance Punjab and Accounts Officer Development Department Haryana respectively. वहा एक हरिजन जोकि फौजी है और जिसने 20 साल पहले मकान बनाया था, पचायत ने उसके बिस्मैवार चार हजार रुपया बनाया और उसको कहा कि या तो रुपया दो वरना हम मकान गिरा देगे । उन लोगो के पास इतना रुपया नही है कि वे दे सके और पचायत उन के मकान गिरा देती है । पचायत ने उस फौजी का भी मकान गिरा दिया । इस तरह से पचायत ने 90 हजार रुपया इकट्ठा किया । 90 हजार मे से कितना बचने वाला है, कितना उन के पास है और कितना बैंक मे जमा कर रखा है इस बात का कोई पता

1	2	3	4	5	6
	नहीं है। गाव में अग्रर कोई हरिजन मकान बना लेता है तो पचायत कहती है कि इसका नक्शा ठीक नहीं है, और उसका मकान गिरा दिया जाता है। सर पच ऐनक्रोचर्सट करके गली में मकान बना लेता है लेकिन अग्रर कोई दूसरा बनाता है उसको गिरा दिया जाता है। बडाला गाव है जिसमें लोयो ने दो दो तीन तीन किल्ले खमीन से रखी है, उनके खिलाफ कोई ऐक्शन नहीं लिया जाता और अग्रर कोई हरिजन हो तो उस के खिलाफ ऐक्शन लिया जाता है

Subject —Enquiry into the complaint dated 21st April 1974 against Shri Nafe Singh Ex Secretary of the Kansala Co operative Agricultural Service Society

Memorandum—

Please refer to D O /Credit/MA/9145 dated 29th May 1974 on the subject cited above The enquiry report is as under —

Shri Ratti Ram Treasurer of the Kansala Agricultural Service Society complainant has stated therein in the complaint that Shri Nafe Singh Secretary of the Kansala Agricultural Service Society received Rs 1 400 from him but did not adjust this amount against the loan availed by him and his son

In this connection a pictures que of the Cash Book of the Society chronological order brings home the following facts —

On 29th October 1965 the cash in hand with Shri Ratti Ram at page 77 of the Cash Book of the society was Rs 1 627 61 and in token

of its correctness Shri Rati Ram has signed the Cash Balance in Hindi Script (रति राम) The next entry of Rs 1 000 has been recorded on 6th December 1965 as repayment of C B Loan —vide receipt No 31/23132 and Rs 3 00 as miscellaneous expenditure further on the same page 77 Rs 400 has been entered as repayment of CB loan on 13th December 1965 leaving a Cash Balance of Rs 224 61 as cash in hand which has duly been confirmed by him To be more exact mathematical terms the following facts would be of great use

Date	Income	Expenditure	Cash in hand
	Rs	Rs	Rs
29 10 65			1 627 61 (Sd) Cashier
6 12 65	1 000	(Repayment C B loan)	627 61 (Sd) Rati Ram
13 12 65	400	(Repayment CB Loan)	
13 12 65	3	(Miscellaneous Expenditure)	224 61 (Sd) Cashier
			Rati Ram

A review of the figures given above brings home the fact that Shri Rati Ram has been making repayments of loan to the Central Co operative Bank Rohtak amount of the cash in hand of the Society and NOT from his own resources (as he has stated by selling his buffalo)

Shri Rati Ram has further complained that Shri Nafe Singh Secretary of the Kansala Society and Shri Pehlad Singh E O C B Rohtak forcibly got signed this cash in hand amounting to Rs 765 and he signed this cash balance since he was irrefractory man whereas actually as per cash book of the said society the cash in hand was Rs 765 78 on 18th October 1968 and not Rs 765 as he was complained and no moral pressure or any force seems to have been exercised by E O

1	2	3	4	5	6
---	---	---	---	---	---

Shri Pahlad Singh as the cash book itself is self explanatory and self speaking—as is clear from the following statement —

Date	Income	Expenditure	Cash in hand
	Rs	Rs	Rs
17 9 68			771 78 (Cash in hand not signed)
7 10 68	500 (Recovery from Jogi Ram)		1 271 78 (Cash in hand not signed)
8 10 68		500 (C B Loan repaid)	771 78 (Sd) Ratu Ram (in Hindi)
18 10 68		6 (Miscellaneous expenditure)	765 78 (Sd) Ratu Ram in Hindi

It is evident from the above facts that Shri Ratu Ram has signed the cash in hand on 8th October 1968 in Hindi Script 10 days before the visit of the E O on 18th October 1978. Rs 6 00 have been paid as Miscellaneous expenditure by striking cash balance for Rs 765 78. None—the loss even after 18th October 1968 after E O's visit Shri Ratu Ram has been signing the cash balances and he has signed these balances on 6th December 1968 for Rs 807 78. Had this been under some undue pressure the cashier would not have signed the cash in hand on later dates.

As regards Rs 360 50 Shri Nafe Singh Secretary recovered this amount from Shri Bharti son of Shri Kashan Lal and Shri Sabha Chand in so of Shri Bharti and recorded this amount in the cash book of the society but not counted for in totals and cash balance This amount in question was not recovered by the worthy Deputy Registrar Co operative Societies Rohitak on the spot on the eve of the enquiry of the Society from Shri Nafe Singh and not deposited it in the C B Rohitak through the Inspector Co operative Societies As such Shri Nafe Singh has committed an act tent amount to misappropriation

52	Debate on demand for Industries	Industries	The 20th June, 1967 1 We will keep a register in the offices of Panchayat Samities and Municipal Committees in every Sub Division where it will be noted as to how many times and for how long the power supply remained interrupted each month we will get this checked through the D C the flying squad and the explanation of the officers found responsible for such breakdown in power supply will be called 2 The power left with us after reserving it for agricultural purposes will be placed at the disposal of the Industrial Department so that the Industrialists should not run after the S D Os. Line Superintendents Line men etc for getting power supply It is stated that before giving assurance Board was never consulted. Moreover it is not feasible to place complaint registers in the office of Municipalities/Panchayat Samiti Electricity complaint centres are scattered all over the State. In rural area one complaint centre is located in every 3 Kms radius. A complaint register is maintained there and the consumers of that particular area enter their complaints regarding future of supply in that register and complaint staff posted there attend to the complaints so entered in the urban area a number of complaint centres exist in different localities where some procedure is followed Power is not a tangible commodity which can be handed over to the Industries Department. partment of the Government can legally transmit or distribute electric power. The Industries Department legally cannot distribute the electric power. At present power is being allocated amongst various categories of consumers in accordance with Government's directions. Moreover the supply of electric power is being made to the every consumer including the Industrial Consumers under the Agreement with each individual consumer where Board on one side and the consumer on the other side are the Parties. The assistance under comments is neither legally nor practically feasible of implementation and this fact would have been brought to Government's notice by the Board had it being consulted earlier.

department for the year 1972-73 was reduced from Rs 75 60 lakh to Rs 40 lakhs. As a result of this cut the amount provided under the scheme entitled Subsidy for the construction of Chaupals was also reduced from Rs 10 lakhs to Rs 5 08 lakhs. Unto date Rs 17 05 000 have been given by Government for the construction of 640 Harjan Chaupals. (27 4 1973)

The Committee reviewed the assurance and desired that the latest position in the matter be intimated at the latest by 31st December 1974.

(12 12 74)

(Further observation)

The Committee would like to know the names of the two chaupals in respect of which the amount could not be utilised and the reasons therefor.

(Reply from the Government)

The information regarding Chaupal Scheme is maintained District/Tehsil wise as the constituency is not an administrative unit in the State. The amount of two Chaupals could not be utilised and hence the aforesaid amount was distributed among other chaupals. This reduced the total No of Chaupals to 638. The District/Tehsil wise list is enclosed at annexure A.

During the year 1971-72 Rs 10 00 lakhs were provided in the budget under this scheme and a sum of Rs 9 97 lakhs was sanctioned. Out of the money a sum of Rs 8 27 lakhs has been spent for the construction of Chaupals.

The 18th August 1972

103 Supplementary Q asked by Ch. Mehar Chand on St Q No 40 as to whether there is any proposal under consideration of the Government that the Harijans may be advanced loans constituency wise by the Harijan Kalyan Nigam

S C & B C

Sir Nigam will make every possible effort to give loans constituency wise. But in certain cases when it is difficult to give constituency wise the loan will be given sub division wise

Every possible effort made to give loans constituency wise has proved futile and impracticable. The loans are however being given sub division wise (7 1 74)

(Reply from the Government)
The total amount available for sanctioning loans in any one meeting of the Nigam is normally limited to Rs 3 4 lakhs. At present the main unit for sanctioning Loans is the District and the Nigam goes further down to the Sub Division level so far as possible which are about 27 in number. On the contrary there are 81 Assembly Constituencies in the State and if the aforesaid meagre amount is divided by among them then each constituency will hardly get about Rs 4 000. The minimum amount of loan granted by the Nigam is generally Rs 3 000. It will thus be seen that if the criteria of Assembly Constituencies is adopted it would tantamount to spreading the layer too thin. It would mean practically no effective coverage to needy persons. Furthermore it would entail very substantial difficulties in the accounting work and large number of Ledger books will have to be maintained. As it is the Constituencies are being catered to according to the prevailing procedure also

The Committee would like to know as to what are the practical difficulties in giving loans Constituency wise. The Committee would also like to know the amount of loans disbursed sub division wise during the year 1972 73 and 1973 74 (4-2 74)

(Further observation)
The Committee decided to orally examine the departmental representatives in this connection on the 14th October 1974 (27 9 1974)

(Further observation)
During the course of oral examination of the departmental representatives on the 5th November 1974 the Committee desired the department to supply a list of 633 loanes who were granted loans by the Nigam since March 1971 constituency wise by the 15th December 1974. The departmental representatives promised to supply the same (5 11 74)

1	2	3	4	5	6
---	---	---	---	---	---

2 It would be worthwhile to mention that the Nigam has also decided to give preference to the neglected sections among the Harijans over the more advanced ones and if the amount is granted constituency wise the later section will get no loans at all. This would not be very satisfactory situation.

3 It is therefore suggested that in view of the practical difficulties enumerated above the matter may be dropped and the status quo may be allowed to continue.

The amount of loans disbursed sub division wise during the year 1972-73 and 1973-74 (upto 28th February 1974) is as under —

	Name of District	Name of Sub Division	Amount disbursed (

*(Reply from the Government)**(Further observation)*

The Committee has taken a serious view the way the reply has been sent to the Committee by the Department. The Secretary has already given an assurance at the time of his oral examination on 5th November 1974 that the Government will supply the information to the Committee of 633 loanes constituency wise

(Reply from the Government)

A statement showing the amount disbursed constituency wise by the Haryana Harijan Kalyan Nigam Ltd in 633 cases is enclosed (3 3 75)

He further stated that there will be no difficulty in supplying this information to the Committee. Moreover the department has already supplied such type of information to the Committee — vide letter No 9223 SW-4-74/191 dated 21st January 1975 from the Commissioner and Secretary to Government Haryana Scheduled Castes and Backward Classes Department. In the light of this reply of the department the Committee feels that there should be no difficulty in distributing the loans constituency wise in the State. The Committee therefore recommends that the department should take pains in collecting this information and the same may be supplied to the Committee at the earliest for its consideration (28 1 75)

(Further observation)

The Committee would like to know the reasons for the imbalances in the grant of advances from constituency to constituency together with the number of applications received during this year constituency wise and the amounts asked for by each constituency. The Committee would like to know the criteria for the grant of advance to them

A sum of Rs 15 lakh is shared equally and Rs 5 lakh is loaned to the Government after 3rd October 1972 on 14th March 1973 and loans to the extent of Rs 2 27 000 00 and Rs 11 62 200 were sanctioned in the meetings of the Board of Directors held on 21st November 1972 and 16th March 1973 respectively (7 1 74)		The Committee reviewed the assurance and decided to orally examine the departmental representatives at one of its subsequent meetings (12 12 74)
			(Further observation)		

105 Supplementary Q asked by Ch Shiv Ram Verma on St Q No 129 Last time there were many applications for loan but less amount was disbursed. What are the reasons for that? What are the defects as a result of which it so happened and will those defects be removed in future?

There is no question of disbursing less money. At present there is a balance of ten lakh rupees and the Nigam will get 20 lakh rupees more and this entire amount will be disbursed.

A sum of Rs 15 lakhs as share capital and Rs 5 lakhs as loan were received from the Government after 3rd October 1972 on 14th March 1973 and loans to the extent of Rs 2 27 000 00 and Rs 11 62 200 were sanctioned in the meetings of the Board of Directors held on 21st November 1972 and 16th March 1973 respectively (7 1 74)

106 Supplementary Q asked by Ch Razaq Khan on St Q 129 Forty lakh rupees were to be received for this year. By which time and from which source was this amount to be received?

This was to be received from the Government and will be received soon.

As mentioned above Rs 15 lakhs as share capital and Rs 5 lakhs as loan were received from Government during 1972-73 (7 1 74)

The Committee decided to orally examine the departmental representatives in this connection (4 2 74)

the cost of Rs 6 10 885 and later on it was transferred to the Ministry of Education in February 63 is transferred to the State Government Social Welfare Department, Hyderabad. The form of deed to transfer is still awaited from the Government of India. The Government of India have desired in their letter under reference that the State Government should go ahead with the allotment of these quarters.

The matter was discussed with the Government of India at personal level by the Director on 13th March 1974. The Rehabilitation Department is initiating further action on the case simultaneously the Social Welfare Department Government of India are having the Transfer Deed prepared from the Ministry of Law. It is hoped that after joint survey of the spot transfer of ownership in favour of the State Government by Government of India will be made shortly though no time limit can be set. The matter is being pursued relentlessly and efforts are being made to finalize this case by 15th August 1974 (12 4 74)

(Reply from the Government)

The joint survey of the Widows Home is proposed by the Government of India was conducted by a team consisting of the representatives of Departments of Rehabilitation and Social Welfare Government of India and the State Government from 23rd July 1974 to 25th July 1974. The details of unauthorised encroachments over the land attached with the quarters made by the occupants were marked after on the spot measurements and the representative of the Department of Rehabilitation assured that the final layout plans of the Homes would be prepared by them very early. The matter was again taken up by the Director Social Welfare Haryana on 9th August 1974 with the Chief Settlement Commissioner Ministry of Rehabilitation who assured that they would send the final plans to the Department of Social Welfare Government of India very early. In spite of repeated reminders by the Department of Social Welfare Government of India the matter is still pending at the level of the Ministry of Rehabilitation.

In order to provide gainful employment to handicapped persons, a sheltered workshop is being set up for which a sum of Rs 1 lakh has been provided

(Reply from the Government)

(Observation)

Due to paucity of funds this scheme could not be taken in hand during the year 1973-74. However a provision of Rs 2 lakhs for the purchase of land for this scheme has been made in the budget for the year 1974-75. The Committee feel that the scheme is very important and a start must be made with immediate effect by making some provision in the current financial year and the Committee be informed of the action taken.

(5 9 74)

It is further added that due to the present tight financial position of the State it may, again not be possible to implement the new plan schemes during the current financial year viz 1974-75 also.

118	Starred Question No 7833 by Ch Harkshan re U P Drains in district Gurgaon under the Administrative Control of U P Government	Irrigation	The matter is under correspondence with the U P Government	In an inter State meeting held on 5th January 1966 it was decided that a Committee consisting of Chairman C W & P C and the Punjab should examine this matter further	The Committee would like to know the latest position
				(Reply to objection)	Kept pending
				In an Inter State meeting it has since been decided that the control of U P Government Drains in Gurgaon District should be entrusted to Haryana State U P Government was addressed on the subject who have agreed to let the control of 13 drains and are not willing to hand over the control of remaining 3 drains on the plea that these fall into Agra Canal. With regard to the 13 drains U P Government has demanded Rs 13.39 lakhs for bringing these drains to the designed section as well as diverting their out fall into the River Yamuna before these may be handed over to Haryana Irrigation Department. Haryana has asked U P Government to hand over the control of these drains and desired repairs modeling etc would be carried out by Haryana Government at the cost of U P Government but U P Government is adamant	

The Central Water and Power Commission of the Government of India has been requested to pursue with U P Government for immediate transfer of Control of these drains. The Commission had convened a meeting on 30th May 1969 but the same could not take place as the Haryana Government Officers were busy with the P A C meeting

The Committee would be informed of the final outcome as and when some tangible results are achieved

(Reply to further Observation)

These drains have not so far been transferred to Haryana State. However efforts are being made to get the drains transferred (26 10 72)

(Reply from the Government)

Question of transfer of drains is linked with the transfer of distributaries of Agra Canal. Discussions have been held with U P Government but no final decision has yet been reached

It is not possible to say when the matter will be finalised (21 8 74)

Irrigation

But I can assure the House that as and when water is available we will go on installing deep and shallow tubewells

In Ambala District Tube wells will be installed wherever Sweet water is available. Following Schemes in this area are in hand —

The Committee would like to know the latest position in the matter (11 12 72)

- (i) *Narain garh area*—The work installing deep tube wells in Naraingarh area and part of Kalka Tehsil is already in progress and so far we have drilled about 115 Nos Tube wells in this area

- (ii) *Kalka Area*—The work of exploration in Kalka area other than that connected with Naraingarh Project is in hand. So far we have found 4 Nos successfully bores in village of Battaur (near Barwala) Ratewali, Bila Manke (near Rangarh) in Rapur Ran Block. After completion of exploration work a project for installing about 50 Nos Tube wells in this area will be prepared and sent to the Agriculture Revenue Corporation for approval and sanction of loan

- (iii) *Ambala Tehsil*—As already stated a project estimate for installing 150 Nos Tube wells in this area is nearing completion. The work will be taken in hand on approval of the scheme by A R C

- (iv) It is also proposed to do some exploratory work in Bilaspur and Chhachhrauli area in Jagadhri Tehsil to find out sweet water on this area in the next 6 months (25 10 72)

*(Reply from Government)**(Further Observation)*

In Ambala District deep tube wells are being installed wherever sweet water has been found to be available. Following schemes of installing deep tubewells in Ambala District are in hand —

The Committee would like to know the latest position in the matter (26 3 1974)

(Further Observation)

(i) *Naraingarh Area*—So far we have drilled 145 T/wells. Further work to complete 170 tubewells in this area is in hand. The work is likely to be completed by June 1974.

The Committee would like to know the latest position in this matter as also the reasons for the slow progress of drilling of deep tubewells in Rapur Ranj Block (27 9 1974)

(ii) *Ambala Tehsil*—About 112 T/wells have since been installed and further work to complete the project of installing 150 tubewells in this area is in progress.

(Further Observation)
The Committee would like to be informed of the latest position in the matter

(28 1 75)

(iii) *Bilaspur*—Sweet Water has been located in Bilaspur Chharauli Area. About 30 tube wells are likely to be installed in this area during 1973-74.

(iv) *Kalka area in Rapur Ranj Block*—Recent exploration in areas of village Manfe Retawali, Billa and Batur have shown availability of sweet water in this area.

It is expected that about 20 tube wells may be installed in this area during 1973-74

(14.3.74)
(Reply from the Government)

The position upto 30th April 1974 of deep T/wells drilled in Ambala District under various schemes is as under —

Name of Scheme	Total wells drilled	Drilled up to end of April
1 Naraingarh Area	170	144
2 Ambala Tehsil	150	142 + 11 Exploratory Wells
3 Bilaspur area	60	42
4 Raipur Rani Block	40	8
(29.7.1974)		

(Reply of the Government)

The Scheme wise up to date progress of drilling in Ambala Tehsil is as under :—

Name of Scheme	Total wells drilled	Drilled upto 31.10.1974
1 Naraingarh	170	156

1	2	3	4	5	6

to be drilled 31 10 1974

2 Ambala Tehsil	150	144
3 Bilaspur area	60	48
4 Raipur Ranu Block	40	13

Slow progress in drilling in Raipur Ranu Block is due to the following reasons —

(a) The scheme was cleared by ARC only during May 1974 and the funds were released in June 1974

(b) The area lies in boulder strata and the drilling progress is slowed down considerably due to drilling through boulders

It is however expected that all these projects will be completed to their targeted figure by end March 1975

122	Starred Question No 1872 asked by Shri Satya Narain Syngol asking as to by what time Bhambawa Drain in Tehsil Jind is likely to be constructed	Irrigation	By June 1973	Bhambawa Drain passes through two districts i.e. Sonapat and Jind. It runs in Jind District from R.D. 47 010 to 59 555 and 80 620 to RD 119 000 (upper reach). The work in the first reach (lower) i.e. from RD 47 010 to 59 555 is in progress and is expected to be completed by June 1973. Balance work in Jind District excepted to be completed by June 1974.	The Committee would like to know whether the work of the construction of Bhambawa Drain the first reach i.e. from R.D. 47 010 to 59 555 has since been completed. The Committee would further like to know the latest position regarding the construction of work in the second reach. The reasons why the entire assurance could not be implemented by June 1973 may be communicated to the Committee (23 8 73) The Committee would like to know the latest position in the matter (26 3 1974)
				(1) The work in the reach RD 47 010 to 59 555 was in progress but it was slowed down due to paucity of funds and cut in budget for drainage works (2) In the second reach RD 80 620 to RD 119 000 also the work could not be completed due to aforesaid reasons	(Further observation) The Committee reviewed the assurance and decided to orally examine the departmental representatives at one of its subsequent meetings

(18 12 74)

(3) As Per targets drawn earlier the Bhabhwa Drain was expected to be completed by June 1973 but due to paucity of funds the drain could not be completed

Out of the total length of 119 000 ft, the drain has already been dug in the length of 80 620 ft starting from its outfall. The syphons/pumping stations under Butana Branch and Sunder Sub Branch at RD 22 750 and 56 050 respectively are yet to be constructed. Drain is already functioning in length of 22 750 feet from the outfall end. The drain is now proposed to be completed by June 1975 subject to the availability of funds

राजा गाडन तथा अन्य तीन कालो-नियो का जल वितरण तथा सिवरेज योजना के अनुमान क्रमश 3 88 लाख रुपये तथा 10 73 लाख रुपये का बना कर फरीदाबाद कम्पलेक्स को मजूर करने तथा धन राशि जमा कराने के लिए भेजे गए ह इन को प्रशासकीय अनुमोदन तथा धन राशि प्राप्त होने पर काय आरम्भ कर दिया जायेगा ।

3 पजाबी कालोनी—

इस कालोनी की जल वितरण तथा सिवरेज योजनाओं के अनुमान

बनने के आदेश इस विभाग के क्षेत्रीय अधिकारियों को दिये जा चुके हैं। अनुमानों के प्राप्त होने पर आगामी कायवाही की जायेगी।

इसके सम्बन्ध में निवेदन है कि फरीदाबाद कम्पलैक्स प्रशासन के क्षेत्र में पहले ही काफी जल वितरण किया जा रहा है तथा धीरे धीरे इस में सुधार किया जायेगा और नए वष, इलाकों में जल वितरण किया जायेगा, परंतु इसके लिए कोई पक्की तिथि नहीं दी जा सकती क्योंकि ये सरकार तथा फरीदाबाद कम्पलैक्स प्रशासन द्वारा राशि जमा कराने तथा सामान जैसे लोहा, इटे, सिमेंट आदि मिलने पर निर्भर है। पाचवी पंच-वर्षीय योजना में प्लानिंग कमीशन की केन्द्रीय कार्यकारिणी समिति द्वारा हरियाणा प्रदेश की शहरी जल वितरण और सिंचन योजनाओं के लिए केवल 2 करोड़ रुपये देने की सिफारिश की गई है जो कि बहुत ही कम है यदि

जीद नगर में मल निकास सुविधाएं प्रदान करने के लिए 4 अक्टूबर, 1968 को 9 88 लाख रु० की एक योजना प्रशासकीय अनुमोदित हुई थी। इस योजना को अब तक 7 50 लाख रुपये मिल चुके हैं तथा अक्टूबर, 1974 तक 6 53 लाख रुपये भी व्यय किया जा चुका है। उक्त राशि से आवश्यक सीवर बनाए जा चुके हैं, परतु डिस्पोजल वर्क्स नहीं बनाए जा सकें क्योंकि इसके लिए भूमि

इसके अतिरिक्त जीद शहर के आंतरिक भागों में सीवर लगाने के लिए 7 96 लाख रुपये की एक योजना 5 नवम्बर, 1971 को प्रशासकीय अनुमोदित हुई थी। इस योजना के लिए नगरपालिका ने अब तक 4 70 लाख रु० जमा करवाये हैं, तथा अक्तूबर, 1974 तक 3 31 लाख रुपये व्यय भी किया जा चुका है। काम अभी प्रगति पर है।

इस नगर की मास्टर प्लान निकास योजना भी तयार की जा रही है जिससे पूरा नगर में सुविधाएँ

प्रदान की जा सकेगी । परन्तु इस कार्य में कुछ समय लगेगा क्योंकि यह नगरपालिका द्वारा धनराशि जमा करवाने तथा आवश्यक निर्माण सामग्री मिलने पर निभर करता है ।

This matter was discussed in the meeting of the Standing Committee of the Central Advisory Board of Education Government of India. After examining the administrative and financial implications in the matter the Committee was of the view that it might not be possible for the State Government to find the resources required for this Programme fully in the State Sector. It therefore recommended that Central Scheme providing liberal assistance for the adoption of the new pattern should be introduced in the Fifth Five Year Plan. जो प्रस्ताव सदन में पेश हुआ है उसके मुताबिक 10+2+3 की एक स्कीम अब चालू करने पर विचार किया जा रहा है । वसवी जमात तक जो लडका शिक्षा प्राप्त करता है उसको इस स्कीम

के तहत कुछ ऐक्सपेरिमेंस हो जाता है। इस प्रकार पहली जमात से जो लड़का काम करना शुरू कर देता है, अगर उसको कुछ विज्ञान का ज्ञान दिया जाये, कुछ दैनिकल शिक्षा दी जाए तो वह अपना कुछ न कुछ धंधा कर लेता है ताकि कालेजों पर लड़कों का भार न पड़े। इस के पश्चात् दो साल की शिक्षा होगी, जिस में व्यवसाय के लिये ट्रेनिंग दी जाएगी उसमें वह निपुण होगा ताकि हर एक विद्यार्थी कालेज की तरफ न भागे। दो साल के बाद चाहे वह दस्तकारी का काम कर ले, चाहे कुछ और कर ले लेकिन वह कुछ न कुछ जरूर

करेगा । यह बात सरकार

सब राज्यों में लागू करने

The work on the third milk plant at Ambali is nearing completion and is expected to be commissioned within 2 to 3 months. Another milk plant is coming up at Rohrik under Operation Flood with central assistance. The future programme of the Corporation envisages milk plants at Jaggidhri, Rewari, Fatehabad, Faridabad and Panipat and two rural dairy cum distribution centres at Kuthli and Narnaul.

(Reply from the Government)

The Third Milk Plant at Ambali was commissioned on 29th August 1973. It is supplying pasteurised Bottled Milk sterilised flavoured Milk and Ice cream to the twin towns of Ambali City and Ambali. These products have gained sufficient popularity.

As regards Milk Plant at Rohrik its foundation stone was laid by the Governor. Hiring in on 17th December 1973. This Plant is expected to be commissioned by the end of the year 1974.

Originally Fifth Five Year Plan was proposed with an outlay of Rs 750 lakhs for setting up Five Milk Plants including Jaggidhri and Rewari. On the advice of the State Planning Department the outlay was curtailed to Rs 700 lakhs by leaving out the proposed plant at Jaggidhri. Subsequently the Working Group of the Planning Commission recommended outlay of Rs 520 lakhs only and suggested that the plant at Rewari be taken

(Observation)

The Committee would like to know as to whether there is any scheme under consideration of the Government to install milk plants at Jaggidhri and Rohrik and if so the probable time during which these plants will be set up.

The Committee further observed that the Department in their reply has said nothing about the milk plants at Fatehabad, Faridabad and Rewari and the Rural Dairy cum Distribution Centres at Kuthli and Narnaul. The Committee would like to know the latest position in that regard.

up under the 2nd phase of Operation Flood Programme of the Indian Dairy Corporation. It might be taken up if funds from sources other than State Plan are available. The Fifth Five Year Plan has not yet been communicated to us.

(7 6 74)

(Reply from the Government)

The programme for Dairying and Milk Supply under the Fifth Five Year Plan envisaged in the first instance included the following Projects involving an estimated outlay of Rs 793.50 lakhs —

1. Milk Plant Hissar
2. Milk Plant Faridabad
3. Milk Plant Ferozabad
4. Milk Plant Rewari
5. Milk Plant Yamunotri
6. Rural Dairy cum Distribution Centre, Karnal
7. Rural Dairy cum Distribution Centre, Narnaul

For limiting the outlay to Rs 700.00 lakhs at the instance of the Planning Department the Milk Plant at Yamunotri was excluded.

In the course of discussion in the Working Group of the Planning Commission it was recommended that the Plant at Rewari should be excluded from the State Plan and the tentative outlay of Rs 520.00 lakhs was recommended.

Sub soil water at Fatchabad was found unsuitable and therefore the site of the plant has been shifted to Sirsa and land has been acquired at village Shihpur Begu near Sirsa.

The programme for Drying and Milk Supply under the State Fifth Five Year Plan is envisaged to present within an outlay of Rs 520 00 lakh envisaging four Milk Plants at Hisar, Fatchabad, Sirsa and Pampot and two rural Dairies cum Distribution Centres at Karnal and Narnaul. The Plants at Hisar and Fatchabad are in hand and are expected to be completed by the mid of the year 1975.

A big Milk Plant with a capacity of one lakh litres of milk per day is being set up at Rohtak under the Operation Flood programme with the financial assistance furnished by the Indian Dairy Corporation out of the funds coming to them under World Food Programme. This plant which will be called Bafra Feeder Dairy Rohtak is expected to be completed by the middle of the year 1975.

Majority of the Sheep Population is found in the Districts of Hissar, Bhiwani, Mohinderghar, Jind, Gurgaon and parts of Rohtak District. As such the department's activities including the Extension of Sheep and Wool Centres have been concentrated in these areas to promote sheep husbandry on modern basis as far as possible to take up this programme in a big way throughout the State. Further there has been no demand from the Morcha for the setting up of a Sheep and Wool Extension Centre. However, the Gram Panchayat Morcha is being approached to explore the possibilities of opening such a centre in that area. It would be pertinent to mention that the gram panchayat would be required to provide 4-5 acres of land for the centre where fodder crops could be grown for the ram.
