#### INTRODUCTION

I the Chairman of the Public Accounts Committee, having been authorised by the Committee in this behalf present their twenty fourth Report on the Appropriation Accounts/Finance Accounts of the Haryana Government for the years 1981 82 and 1982 83

2 The present Public Accounts Committee was constituted vide Notification No PAC 149/86/101 dated the 29th April 1986

3 The Appropriation Accounts for the years 1981 82 and 1982 83 were laid on the Table of the House on 12 9 1983 and 3 9 1984 respectively These accounts have disclosed excess over voted grants and charged appropria tions as detailed in the Report The Committee in their meetings held on 21st and 22nd July 1986 considered the reasons for excess and surrenders furnished by the concerned departments and the evidence tendered by them.

4 A brief record of the proceedings of the meetings of the Committee has been kept in the Haryana Vidhan Sabha Secretariat

Chandigarh the 30th September, 1986

# OBSERVATION/RECOMMENDATIONS OF THE COMMITTEE

The Committee are constrained to observe that cases of excess expenditure over the grants/appropriations continue to occur despite the Committee's observations time and again In this connection, the Committee invite attention to paras 1 to 5 of their 20th Report and desire that expenditure should be limited to the grants/appropriations as authorised by the Legislature The Committee think that it should not be difficult for the departments to assess their budgetory requirements accurately particularly for such items as pay, DA, ADA, TA etc, which are of recurring nature by virtue of their experience of cases of excesses when the departments can take timely steps to obtain additional funds through supplementary grants or by advances from contingency funds, as the case may be, to meet the excess expenditure

2 As recommended by the Committee in their earlier Reports especially in para 4 of their 20th Report the Finance Department should investigate cases of excess expenditure in detail and take effective remedial measures to eliminate their recurrence. The Committee would like to have a detailed compliance report to this effect within three months

3 The Committee also observe that one of the major reasons for excess expenditure over the grants/appropriations is the lack of proper reconcluation of figures of expenditure by the departments with those booked in the office of Accountant General (Accounts) The Committee strongly recommend that the Finance Department should take effective steps to ensure that all the depart ments reconcile figures of expenditure regularly with that office so that the cases of excess expenditure occuring due to mis classification or wrong adjust ments could be avoided

The Committee further note that in the r | written explanations for the 4 excess expenditure bulk of the departments had astributed the excess expendi ture to a variety of reasons but during oral evidence when called upon to sub explanations by reason wise breakup of excess expen ther diture they could not do so The queer instance of this was the excess expendi ture of Rs 1 35 lakhs relating to Development Department In written reply, the department had attributed this excess to the construction of block office building at Nagina but during oral evidence the departmental representative brought before Committee altogether a different position The Committee were surprised to note that not to speak of the construction of the building even the land for the purpose had not been acquired The Committee observe that even now the construction of the building is in doldarm The Committee fail to understand that in the circumstances how had the Finance Department comented on their replies that "Replies of the department are satisfactory mittee are inclined to believe that proper scrutiny of the departmental expla nations for the excess expenditure had not been conducted by the Finance Department before forwarding department s replies for regularisatian of the excesses

The Committee recommend that suitable action be tal en against the officers/officials of the Development Department who were responsible for misleading the Committee The Committee also desire that the Finance Depart ment, in turn, should ensure in future that department s explanations for the L'à cont

τ.

ł

excess expenditure are thoroughly scrutimised by it before recommending them to the Committee for its regularisation

Subject to the above observations, the Committee recommend that the excess expenditure, as indicated above may be regularised by the Legislature in the manner prescribed under Article 205 of the Constitution of India
