### **TRANSPORT DEPARTMENT**

The Financial Commissioner and Secretary to Government, Haryana, Transport Department, was asked by the Haryana Vidhan Sabha Secretariat on 9th June 1989 to supply material relating to reservation/representation of Scheduled Castes and Scheduled Tribes in the said Department within a fortnight. The Committee took a serious view about the functioning of the Department in that the Department did not care to supply the requisite information as asked for by the Committee

even after the issue of as many as five reminders by the Haryana Vidhan Sabha Secretariat. The Financial Commissioner and Secretary to Government, Haryana, Transport Department, was, therefore, orally examined by the Committee on 26th December, 1989 for not supplying the desired material to the Committee. The Departmental representative informed that since the information had to come from all the Depots and the Depots have taken inordinately long time to compile this data for onward transmission to the Department, hence the delay occurred in sending the information. The revised reply was sent to the Haryana Vidhan Sabha Secretariat on 27th December, 1989 by the department. The Committee could not examine the same because of paucity of time.

The Committee took a serious view of the callous and indifferent attitude on the part of the Department and observe that the Department did not supply the requisite material even last year as well as this year in time. The Committee, therefore, recommended that the Chief Secretary should initiate action against the officers responsible for the lapse and intimate the same to the Committee.

#### **P.W. (B & R) DEPARTMENT; THE HARYANA TOURISM COR-PORATION LIMITED; AND THE HARYANA STATE CO-OPERATIVE LAND DEVELOPMENT BANK LIMITED.**

The Administrative Secretaries of the respective Departments were requested by the Haryana Vidhan Sabha Secretariat on 9th June, 1989 to supply material relating to reservation/representation of Scheduled Castes and Scheduled Tribes in the said Departments within a fortnight. The Committee is pained to observe that the Departments did not care to supply the requisite information as asked for by the Committee within stipulated time. The required information was, however, supplied after the issue of reminders by the Haryana Vidhan Sabha Secretariat.

Due to lack of time at the disposal of Committee, the Committee could not frame the questionnaire and examine the Departmental representatives and report accordingly.

#### **THE HARYANA STATE CO-OPERATIVE SUPPLY AND MARKETING FEDERATION LIMITED**

The Haryana Vidhan Sabha Secretariat vide their letter dated 9th June, 1989, requested the Commissioner and Secretary to Government, Haryana, Co-operation Department to supply material relating to reservation/representation of Scheduled Castes and Scheduled Tribes in HAFED within a fortnight. The Secretariat issued as many as five reminders. The Committee is sorry to point out that the Department did not supply the required material for examination by the Committee with the result that the Departmental representatives had to be orally examined by the Committee on 26th December, 1989. The required material was, therefore, supplied on 8th January, 1990, complete in all respects. The Committee because of shortage of time felt handicapped to report regarding HAFED.

	Total posts filled	Total posts filled by S.C	Source		Employ- ment Ex- change

	1988-89	13	5	13		

It will be seen from the above figures that no representation has been given to Scheduled Castes in Group 'A' posts as also the shortfall exists in other Groups. The Committee therefore, recommend that the department should give due representation to the Scheduled Castes by implementing the reservation policy atleast while the posts are filled up by direct recruitment in order to safeguard the interests of the poorer sections of the society. The shortfall so recouped be intimated to the Committee.

**Adhoc/Daily wages  
appointments**

The Government gave the following figures showing the number of posts filled up on adhoc basis/daily wages as also the number of posts filled up by Scheduled Castes employees :—

1986-87	211	34
1987-88	226	23
1988-89	125	33

From the above figures, the Committee observed that due representation has not been given to the Scheduled Castes by the department in the absence of the instructions from the Government with regard to the enforcement of reservation policy at the time of such appointments. The Committee, therefore, recommend that Government should issue instructions enforcing reservation policy at the time of appointments on adhoc basis/daily wages.

**Filling up of reserved posts by General category employees**

In reply to a question of the Committee, the department informed by way of written reply that certain reserved posts were filled up from non-Scheduled Castes and the following figures were supplied in this respect.

Group 'A'	—	—	—
Group 'B'	—	—	—
Group 'C'	1	4	—

In view of the above, the Committee recommend that the error which has occurred at the time of calculation of posts, should be rectified and the next vacant post be offered to the Scheduled Cast employees under intimation to the Committee.

During the oral examination, the departmental representative informed that a sum of Rs. 75 is being given by way of scholarship to the Scheduled Castes students who are studying in different Industrial Training Institutes. The Committee observed that during these hard days of high prices, the amount of scholarship is much less and, therefore, recommend that this amount may be increased to Rs. 100 per month per student.

**Cases of untouchability**

It was informed to the Committee by the Department that two cases of untouchability are in the notice of the department and both the cases are under consideration. The Committee framed a questionnaire for the oral examination of the representatives of the said department at the Government level as also the Directorate level on 23rd August, 1989. The same was sent by the Haryana Vidhan Sabha Secretariat to the Commissioner and Secretary to Government, Haryana, Labour Department, on 4th September, 1989, for replying to the various questions of the questionnaire. The replies to the questionnaire were not received by the Committee within the stipulated time with the result the Financial Commissioner and Secretary to Government, Haryana, Labour Department was orally examined by the Committee on 23rd January, 1990.

The Committee finally examined the representatives of the department on 8th February, 1990 for seeking further clarifications and information before framing the report of the Committee.

After orally examining the representatives, the Committee have observed as under.—

**Cadre wise number of posts and representation of Scheduled Castes**

The department supplied lists of cadre-wise details/break up of the posts as on 9th February, 1979 (Annexure 'B') as also with effect from 9th February, 1979 to 31st March, 1989 (Annexure 'C'). Besides, the department also supplied a statement showing the position regarding representation of Scheduled Castes in Group 'A', 'B', 'C' and 'D' services as on 31st March, 1989 (Annexure 'D').

After perusing the information supplied by the department as also orally examining them, the Committee recommend the various posts in different groups of services be filled up in such a way so that the rights of the Scheduled Castes are preserved in accordance with the instructions issued by the Government in the matter. The Committee further recommend that the shortfall in various groups may be wiped off within six months and the Committee be also informed about the steps so taken.

**Payment of wages**

During the oral examination, it was pointed out by the Committee that the workers in various Factories are not getting their full

wages. The departmental representatives informed that it is one of the functions of the Labour Inspectors/Labour Officers/Labour Commissioner to see that no discrimination is made amongst the employees with regard to the payment of wages and also that full wages are paid to the workers. It was also informed that on the pay day, Factories are also being checked by the Inspectorate staff. It was further informed by the departmental representative that according to the norms fixed by the Government, they have not been sanctioned the required number of posts in different cadres. The Committee observed that in view of the industrialisation in the State as also the increase in the number of industries alongwith the labour, the problems of labourers have increased manifold. The Committee, therefore, recommend that the department should be provided with adequate staff by the Government so that the inspections in various factories are carried out in a proper way, especially in view of the fact that four new Districts have been carved out or where additional posts are required to be sanctioned by the Government.

**Service Rules**

The Committee recommend that the matter with regard to the finalisation of the Service Rules may be pursued with the Government so that these are finalised within two months as assured by the departmental representatives, under intimation to the Committee.

**Compensation**

It was informed that the Labour Department get the relief provided to the labourers who sustain loss during the working hours irrespective of the caste or creed under the provisions of Workmen's Compensation Act, 1926. It was also informed that during the year 1986, 1987 and 1988, the relief was got provided to 266, 224 and 246 workers respectively. The total amount of compensation got paid was Rs. 26,97,227, Rs. 9,74,509 and Rs. 34,65,239 during the year 1986, 1987 and 1988 respectively. It was, however, pointed out by the Committee that the required amount was not being deposited by the employers under the Workmen's Compensation Act, 1926, for a number of years with the result that the full compensation is not paid to the labourers at the time of any mishappening. The Committee, therefore, recommend that the department should make some arrangements so that it could be checked that the full amount is deposited by the employers for the purpose. The steps so taken by the department in this respect be intimated to the Committee.

**Haryana Labour Welfare Board**

It was informed that the said Board was constituted under Sub Section (3) of Section 4 of Punjab Labour Welfare Fund Act, 1965. The Board consists of 12 members, out of which 4 are representatives of employers, 4 of employees and 4 independent members including the Chairman. It was also informed that the functions of the board are to promote the welfare of labour and of their dependents and the source of the income of the board is unclaimed wages, bonus and gratuity etc. of the industrial workers which the managements are required to deposit with the Board. The Committee observed that the funds are not being utilised to defray expenditure on various schemes. The Committee, therefore, recommend that the financial assistance being given by the Board to the workers and their dependents be enhanced because of the high prices.

### **THE HARYANA STATE BOARD FOR THE PREVENTION AND CONTROL OF WATER POLLUTION**

The Commissioner and Secretary to Government, Environment Department, was requested by the Haryana Vidhan Sabha Secretariat vide their letter dated 9th June, 1989 to supply material relating to the reservation/representation of Scheduled Castes and Scheduled Tribes in the Haryana State Board for the Prevention and Control of Water Pollution. The required information was supplied by the Government vide their letter dated 26th July, 1989 (Annexure 'E') and the Committee accordingly framed the questionnaire. After scrutinising the material so received in the meeting held on 21st August, 1989, the questionnaire was sent by the Haryana Vidhan Sabha Secretariat to the Government on 1st September, 1989 for submitting the replies to the various questions. Since no reply was received, the Committee had to

orally examine the Departmental representatives on 9th January 1990. The replies were, however, received from the Government vide their letter dated 8th January, 1990.

Before framing the report, the Committee orally examined the representatives of the Government and the Board. The observations/recommendations of the Committee are as under :—

**Cadrewise strength of Board and representation of Scheduled Castes**

After perusing the information supplied by the Board through the Government as also hearing the Departmental/Board's representatives, the Committee have observed that almost

all the posts in the Board have been filled up by the officers / officials who have been taken on deputation either from the Public Health Department or from other Departments. A much less number of posts in various cadres have been filled up by the Board by appointing its own employees directly. All this has resulted in the shortfall in the reserved categories of Scheduled Castes whereas the instructions issued by the Government on the subject are very clear. The Committee have also observed that the Board have filled up reserved posts by appointing persons of general categories and have de-reserved various posts without obtaining the approval of the Committee headed by the Chief Secretary. The Committee was sorry to know that the instructions issued by the Government in September, 1989 in this regard were not in the knowledge of the Board's representatives.

In view of the above observations, the Committee recommend that various posts in different cadre should be filled up by the Board by employing its own officers/officials instead of taking them on deputation so that the required number of Scheduled Castes are also recruited and their interests are safeguarded since they belong to the poorer and down-trodden sections of our society; and the shortfall be recouped in various cadres, under intimation to the Committee.

**Trainings/Courses**

The Board in reply to a question of the Committee as to how many Trainings/Courses have been organised relating to Prevention, Control or abatement of Water Pollution and who were the participants in the said Trainings/Courses, informed that no such Training/Course was organised by the Board itself. However, the officers were deputed to attend the Courses arranged by the various organisations of Government of India by rotation from time to time. The Board also supplied a list of the officers (Annexure 'F') who were deputed in India and abroad right from the year 1980 onwards to attend various courses. After perusal of the list, the Committee have observed that no officer belonging to the Scheduled Castes was ever associated with any of the courses. The Committee, therefore, recommend that while deputing officers to attend Courses by rotation, the interests of the Scheduled Castes officers be also watched and they may also be deputed to attend such Training/Courses.

**Concessions for Scheduled Castes**

The Board in reply to a question of the Committee as to what sort of concessions are being given to the persons belonging to the Scheduled Castes while planning comprehensive programme for the Prevention and Control or abatement of Pollution of Wells, the Board intimated that all the polluting industries are required to discharge their trade effluent inside or outside their premises after proper treatment and the trade effluent so discharged should meet the standards prescribed by the Board, i.e. the parameters should be within the limit prescribed by the Board. It was, however, informed that since the individual industry is responsible, no individual wells are checked. The Committee, therefore, recommend that Government should give machinery on concessional rates or give some grants to the Scheduled Castes who go in for installing their treatment plants for the purification of water and the system for the disposal of sewage.

**Fee**

The Board informed that the amount of fee payable for filing an appeal under Section 28 of Water (Prevention and Control of Pollution) Act, 1974, as mentioned in Sub-rule 5 of Rule 23 of the Haryana (Prevention & Control of Water Pollution) Rules, 1978, is Rs. 3,000. The fee for analysing sample of water for small scale industries is Rs. 200 and for large and medium scale industries is Rs 1,000. It was also informed that no person belonging to Scheduled Castes are given any concession or are exempted from the payment of such fee. The Committee, therefore, recommend that the rate of fee to be charged from the persons belonging to the Scheduled Castes categories should be less than the rate of fee to be charged from the persons belonging to the general categories.

### STUDY TOUR

The Committee decided to undertake a study tour to the States of Sikkim and Tripura and the Union Territory of Andaman & Nicobar Island during the month of October, 1989 for a fortnight, for discussing with the counter-part Committees of both the States and the Pradesh Council of Andaman & Nicobar Islands about the matters of common interests and also to see the developmental works undertaken by the respective State/Union Territory. During the course of the study tour, the Committee also visited Siliguri, Darjeeling and Guwahati.

In addition to the above study tour, the Committee also visited Shimla (Himachal Pradesh) in the month of August, 1989 and held own meetings.

## GENERAL RECOMMENDATIONS

**Oral Examination of Officers** During the course of oral examination of various Departments, the Committee orally examined the Registrar, Co-operative Societies too with regard to the implementation of the recommendations made by the Committee in its 14th report with regard to the Co-operation Department. The Committee noted with distress that the Registrar, Co-operative Societies was not well prepared, to reply to the questions of the Committee nor he sent any information as promised in the meeting, either to the Committee or to the Chief Secretary as is apparent from the record. **The Committee would, therefore, like that the Chief Secretary should address all the Administrative Secretaries/Heads of Departments that they should appear before the various Committees of Vidhan Sabha well prepared so that the Committees are not misled.**

**Reservation in Adhoc/ Daily Wages appointments** While examining the departments of the Government/ Board, the Committee have observed that the Departments are making appointments on adhoc/daily wages basis but no reservation is being given by them to the persons of reserved categories with the result that whenever the Government issue instructions for regularising the services of said employees, the number of Scheduled Castes decreases in various groups of services. **The Committee, therefore, recommend that the Government should examine this point with regard to the enforcement of reservation policy at the time of adhoc/daily wages appointments and also issue instructions in this regard under intimation to the Committee,**

## **IMPLEMENTATION OF RECOMMENDATIONS/OBSERVATIONS CONTAINED IN THE 14TH REPORT**

The Committee considered/scrutinised the action taken by the Government on recommendations/observations contained in its 14th Report.

## COOPERATION DEPARTMENT

Recommendation of the Committee	Action taken by the Government	Further observation of the Committee
1	2	3
<p><b>Promotion Prospects</b></p>	<p>The Committee have gone through the statement furnished by the department indicating number of posts held by the Scheduled Castes employees. The position shown in the statement relates to the period ending 30-9-1986. The Committee feel that no sincere efforts have been made to open promotion prospects for Scheduled Castes employees. The Committee would, therefore, like to know the latest position in the case and like to know as to whether the question of granting relaxation in the experience condition for members of Scheduled Castes, Backward Classes, Ex-servicemen and handicapped candidates was considered by the Department, if not, the reasons thereof.</p>	<p>In this connection, it is reiterated that sufficient number of officials belonging to Sch. Castes category in each cadre of audit side of the Dep'tt. having required experience are already available in this department for promotion to the posts of auditors, i.e. Sub-Inspectors 33, Junior Auditor 7, Inspector Audit 6 and Senior Auditor 4, and as such there seems no necessity for further relaxation.</p> <p>The Committee while orally examining the Departmental representatives, in respect of this para took a serious note for the lapse on the part of the Registrar, Co-operative Societies and regret to observe that the work of the Committee is not being taken up seriously by the Department and due importance and care has also not been attached for supplying the promised information. The Committee, therefore, strongly deprecate such callous and indifferent attitude on the part of the Department and recommend that the desired information alongwith latest position about shortfall and the posts filled up by way of promotion as also the action taken against the defaulters be supplied to the Committee.</p>

The Committee recommend that the Chief Secretary to Govt., Haryana, may look into the matter and direct the Co-operative Department to make up the reservation quota in all the Institutions/ Boards working under the department and desire that the action taken in this behalf be intimated to the Committee at the earliest togetherwith the number of posts filled from the persons belonging to Scheduled Castes from 1-4-1984 to date which did not come under the ban imposed by the Government

**Position of Scheduled Castes in Cooperative Institutions**

The matter is to be looked in to by the State Govt. as per recommendations of the Committee. Instructions in this regard were issued by the State Government.

The Committee would like to know the latest position with regard to this para as the Registrar, Co-operative Societies has badly failed to stick to his promise for supplying the information desired by the Committee

## EDUCATION DEPARTMENT

Recommendation of the Committee	Action taken by the Government	Further observation of the Committee

The Committee, therefore, recommend that well planned and concerted efforts should be made to raise the percentage of literacy by making liberal financial allocations for various educational schemes. The Committee further recommends that special schemes should be evolved for attracting the children of Scheduled Castes families to get admission in schools and to make them understand the benefits they can derive from the education. Special attention should be given for imparting female education and opening residential schools for them at tehsil level in the State.	The instructions for the payment of quarterly attendance prizes have been issued vide this office letter No. 10/34-87 PE (3), dated 10-11-88. An amount of Rs. 161.95 lakhs has been disbursed to the S.C. girls during the year 1988-89 under this Scheme and Rs. 180.00 lakh has been allotted for the year 1989-90.	The Committee noticed that the payment of attendance prize to Scheduled Castes Children is not being made well in time. The Committee, therefore, recommend that concerted efforts should be made to make the payment to the children and the same should be checked by the officers/officials posted in Blocks/Sub Division/District Level. It may be intimated whether any amount was disbursed during the year 1989-90 and whether any Budget provision for the year 1990-91 has been made by the Department.
<b>Educational facilities in Rural Inhabitations</b>	The Committee, therefore, recommend that the State Government should take early action to ensure that such rural inhabitations	During the course of oral examination, the Committee observed that not a single school was recommended for upgradation during the year 1989-90. In addition the Committee noticed that most of the Schools are

have Primary & Middle Schools within a walking distance so that more Scheduled Castes children from such inhabitations could be enrolled in these schools.

running with one teacher. The Committee, therefore, would like to know the reasons for the non upgradation of Schools during the year 1989-90 and would also like to know the fate of the case regarding conversion of 182 Branch Schools into fullfledged schools. Besides, the Committee would like to know about the action taken with regard to providing of more than one teacher in the Branch Schools under the scheme "Operation Black Board" as also the names of the Blocks where more than one Teacher has been posted.

Therefore, the Committee recommend that the Chief Secretary to Government, Haryana, may take up the matter with the D.P.I.s, Schools and Higher Education to investigate into the working of the service safeguards, as also the nature of the representations received from the persons belonging to Scheduled Castes so that a positive impact on the implementation of the reservation policy be emphasised and the problems of the Scheduled Castes employees in the

Every efforts is being made to cover the case of Headmaster/Headmistress of Scheduled Caste category HPSC recommended only four candidates against 7 posts of reserved category of Headmasters, who have been appointed by office dated 15-9-89. No suitable female candidates to fill up 28 posts of Headmistresses advertised by the HPSC are available. In order to ensure effective enforcement of the reservation policy in the Municipalities, the Department should review the progress from time to time and the progress report be sent for information of the Committee. The Committee further recommend that the Chief Secretary to Government, Haryana, should take up the matter with the Department to enforce the reservation policy so that all the irregularities made in the Municipalities with regard to Government reservation policy may be avoided in future and the persons belonging to Scheduled Castes may get their full share in the services of Municipalities.

### **Reservation Policy in Municipalities**

Reservation policy of the Govt. is applicable in all the Municipalities. Not only this, there is a provision in the Haryana Municipal Service Rules, 1982, that reservation policy of the Govt. may be made applicable in Municipalities. **Committee**

1	2	3	Further observation of the Committee
The Committee desire to be informed soon after these posts are filled up.	The Committee on the Welfare of Scheduled Castes and Scheduled Tribes, in its 12th Report observed on the basis of the information supplied by this Department that "there were 130 sanctioned posts of Clerks in I.B.H. Chandigarh and 20% of these posts comes to 26. Twenty two Scheduled Caste candidates have already been appointed against these reserved posts. Thus there is a shortage of only 4 Clerks. Requisition to Subordinate Services Selection Board, Haryana, has been placed for recommending the names of Scheduled Castes against these posts. The Committee desire to be informed soon after these posts are filled up.	During the course of oral examination, the Departmental representative assured the Committee that the Secretary, Haryana Subordinate Services Selection Board is being approached personally to expedite the recommendations and also assured that the latest position in this behalf will be intimated to the Committee within 10 days. The Committee was unhappy to note the inordinate delay in making the recommendations by the Haryana Subordinate Services Selection Board. The Committee, therefore, recommend that the Government should take immediate steps to fill up the reserved vacant posts in order to wipe off the shortfall.	In this regard, it is stated that there is no change in this position, as the Subordinate Services Selection Board has not so far recommended candidates against the requisition of these 4 posts.

The Financial Commissioner and Secretary to Government, Haryana, Irrigation and Power Deptt. was orally examined by the

Committee on 5th October, 1989, in respect of the non-supply of reply to this recommendation. He promised that he will enquire into the matter and fix up the responsibility and inform the Committee within fortnight. But, the Committee regret to point out that till 23rd January 1990, no information was sent by the Department. The information which was supplied on the said date was not inconsistent with the oral examination of the said officer which took place on 23rd January, 1990 itself. The Committee, therefore, recommend that the names and designations of the delinquent officers /officials be intimated alongwith the action taken against them.

<p>The Committee express their deep concern on the state of affairs that there has been more than 10% shortfall in the representation of Scheduled Castes in Class III posts in the Corporation and recommend that urgent steps be taken to fill up the posts and wipe off the backlog.</p> <p>The Committee further desire to be informed regarding the steps taken by the Corporation to make up the deficiency.</p>	<p>In case of Class III posts, it is submitted that there are approx. 100 posts of which sanctioned strength of different categories does not exist to 3 posts and as per Roster 4th post goes to Scheduled Caste candidates. Moreover, approximately half of the staff in position was recruited before the issue of Govt. Instructions dated 9-2-79 vide which reservation policy has come into force. In view of the position explained above, the shortfall in respect of Class III is nominal, viz 3%.</p>	<p>During the course of oral examinations, the Committee noted with distress that the Government instructions with regard to the de-reservation of posts, maintenance of roster registers as also the filling up of reserved posts are not being implemented in letter and spirit with the result that the shortfall still exists. The Committee, therefore, desire that recalibration of Group A, B, C and D posts be done in compliance with the Government instructions since their issuance on the subject and detailed information about the total number of posts meant for Scheduled Castes posts de-reserved etc. be given to the Committee. The time to re-coup the shortfall be also intimated to the Committee.</p> <p>It is also pertinent to mention that the Corporation had relaxed the experience from 3 years to one year in the case of Sales girl/Salesman (meant for S.C.) with the approval of the Board of Directors and the Employment Exchange has not been able to sponsor suitable candidates for the said post, with the relaxed experience and accordingly Employment Exchange issued Non Availability Certificate</p>

in this regard. Moreover, this post was also advertised in the newspaper for filling up the post from amongst Scheduled Castes category mentioning therein relaxed experience but not even a single application in response thereto has been received upto last date.

Further, it is also brought to the notice of the Committee that the Corporation has been running Rural Industries Scheme with the funds provided by the Deptt. of Industries. The Department has imposed cut on the funds and as a result thereof certain posts are to be abolished and the incumbent working against such post would become surplus. Accordingly, the adjustment of such incumbents will have to be made against the available post in compliance with the State Govt. notification issued vide Memo No. 10/88-2GS-III, dated 16/19-12-88. However, the observation of the Committee will be given of the Committee will be given utmost importance while making recruitments through Employment Exchange/from open market.

<p><b>Class I Posts</b></p> <p>The main reasons for shortfall of Scheduled Castes in Class-I explained by the Department in their written reply as also during the oral examination were as under:-</p> <p>(i) There is no reservation in promotion from HCMS-II to HCMS-I and only the Senior most persons from HCMS-II are promoted to HCMS-I on the basis of seniority-cum-merit. The low representation in Class II is reflected in HCMS Class-I;</p> <p>(ii) Non-availability of suitable candidates for technical posts;</p> <p>(iii) The mode of recruitment of Block Medical Officers/Senior Medical Officers/Assistant Directors/Programme Officer at Districts, which constitute a total strength of 217 is 25% by direct recruitment and 75 % by promotion.</p>	<p>At present the total number of posts in the Department is 302 out of which 283 comprising 12 posts of Class-I Doctors and 10 Class-I Senior Dental Surgeons are filled up. As against 3 earlier, 4 posts are being man- ned now by Scheduled Caste Officers. The remaining one post is non-technical. 12 posts meant for Scheduled Caste Candidates in HCMS-I have been de-reserved in accordance with Government instructions from 1983-84 to 1988-89. In the year 1987-88, 16 posts including 4 posts for Scheduled Castes candidates were ad- vertised by HPSC. Only one candidate applied who was found suitable and selected. In the year 1988-89, again 8 posts including 4 posts for Sched- uled Caste Candidates were advertised by HPSC. No Scheduled Castes candi- date could be selected. At present, 4 posts are being advertised by HPSC out of which one post is meant for Scheduled Caste candidates. This resulted in the shortfall in Class-I posts. It was informed to the Committee that length of experience for various posts is being decreased and also some amend- ments in the Service Rules are being carried out accordingly. The Committee, therefore, desire that the steps taken in this regard be intimated.</p>

**the difficulties of the department in not providing sufficient representation to Scheduled Castes in the Department, feel that it is disappointing to note that there is only one percent representation of Scheduled Castes in Class-I, which is very much low.**

The Committee hope that the Government will look into this aspect and take suitable steps to fill up this gap.

Castes Candidates is also being advertised by HPSC.

In order to remove the existing shortfall of Scheduled Castes Candidates and to ensure their availability for future in HCMS-I in direct recruitment, Government is considering the possibility of reducing the period of experience as prescribed in the Service Rules.

**The Department in their written reply have stated that against 1522 Class II sanctioned posts, 1238 are in position. Out of which, 1194 posts are technical & 44 are non-technical. Out of these technical Class-II posts, 1102 are HCMS-II officers, 55 Dental Surgeons and 10 are single cadre posts. The recruitment to HCMS-II/Dental Surgeons is done by direct recruitment through Haryana Public Service Commission.**

The Department supplied the details of requisitions sent to Haryana Public Service Commission

The Committee was distressed to observe that 138 Class II 'posts have been de-reserved in the recent past, with the result that the shortfall could not be rectified. The Committee, therefore, desire that in future no post should be de-reserved without the permission of the Committee headed by the Chief Secretary. The latest position be also intimated to the Committee.

At present the total number of Class-II sanctioned posts is 1602, out of which 1280 are filled up. Out of these 1280 filled up posts, 1233 are technical and 47 are non-technical. Out of these 1233 technical posts, 1132 are HCMS-II doctors, 55 Dental Surgeons, 14 Biologists and 15 Drug Inspectors (Total 1216), which are filled up by direct recruitment only and on which reservation is admissible. Out of the remaining 17 technical posts, 8 are single cadre posts and the remaining 9 are filled up by promotion for which there is no reservation.

As against 67 Scheduled Castes Officers in Class-II earlier, the

During the last five years and recommendations of the Commission about the general and Scheduled Castes category. It is revealed from the details from 1982-83 to 1985-86, the Commission recommended 75 candidates belonging to Scheduled Castes category against 318 reserved for Scheduled Castes. During the year 1986-87, however, no requisition was sent to the Commission.

The main plea of the Department for shortfall in Class-II technical posts is thus non-availability of technical personnel belonging to Scheduled Castes.

The Committee though agreeing with the above contention of the Department, do not feel satisfied about the representation of Scheduled Castes in the Health Department, which is only 5.28%. The Committee, therefore, suggest that in view of dearth of qualified experienced hands, the experience, if possible, may be relaxed and those who are recruited on the basis of the experience so relaxed.

During the last five years and number has now increased to 109 (from 4 to 6 on non-technical side and 63 to 103 on the technical side) raising the percentage with reference to the number of filled up posts from 9.09 to 12.77 and from 5.28 to 8.35 on the non-technical side and technical side respectively.

During the year 1987-88, the HPSC advertised 355 posts, out of which 92 (32 back-log and 60 new) were reserved for Scheduled Castes, candidates. Only 49 candidates belonging to Scheduled Castes applied. The Commission selected and recommended 269 candidates including 46 belonging to Scheduled Castes out of 49 such applicants. Offers of appointment were issued to all the candidates. Out of the 46 Scheduled Castes candidates, 26 have joined so far and the remaining 20 have still to join. At present requisition for filling up 241 posts in HCMSS-II is being sent to HPSC. Out of these 241 posts, 76(46 back-log and 30 new

may be appointed and given in-service training to make them suitable for the posts.

The Committee observe that out of 79 non-technical sanctioned posts, 44 have been filled up and out of those only 4 posts are manned by the Scheduled Castes people. The Committee fail to understand the reasons for the shortfall on the non-technical posts and strongly recommend that this shortfall be wiped off at the earliest so that there be a sufficient representation of Scheduled Castes on Class-II posts in the Department.

are meant for Scheduled Castes candidates. Out of the 78 sanctioned non-technical posts, 47 are filled up and out of which 6 posts are manned now by Scheduled Castes Officers. In fact, on the non-technical side, out of 47 filled up posts, there are 45 posts on which no reservation is admissible as 12 posts are single cadre posts and 33 are filled up by promotion. The remaining 2 non-technical posts only are filled up by direct recruitment. Therefore, there is no shortfall in the representation of Scheduled Castes candidates on non-technical side in Class-II. For recruitment to the posts of HCMs-II Doctors, Class-II Dental Surgeons, Drug Inspectors and Biologists, no working experience has been laid down.

The Department in their written statement stated that against 12002 Class-III sanctioned posts, 9799 are in position, out of which 8316 are technical and 1483 non-technical. Out of 1483 non-technical personnel, 261 are Scheduled Castes, which constitute 17.6% showing only man-

The Committee recommend that the Department should vigorously pursue the matter regarding filling up various posts with the Haryana Subordinate Services Selection Board, the requisitions for which have since been sent to the Board. The Committee would also like to know the latest position about the short fall after assessing the position

at present as against 12,483 Class-III sanctioned posts, 10541 posts are filled up, out of which 1641 are non-technical and 8900 technical. Out of 1641 non-technical posts, 271 are manned by Scheduled Castes officials constituting 16.51% of the filled up posts. Out of 8900 technical posts, 932 are manned by Scheduled Castes officials which works out to 10.48%

ginal 'shortfall' in the representation of Scheduled Castes category. However, out of 8316 technical posts, 786 are manned by Scheduled Castes which constitutes only 9.45% representation of Scheduled Castes category.

The Department further stated that the major constituents of technical category in Class III consists of Pharmacists, Laboratory Technicians, Staff Nurses, MPW (Male), MPW (Female), Drivers, M.P.W. Supervisor (Male), M.P.W. Supervisor (Female).

The main reason of shortfall advanced by the Departmental representatives during the course of oral examination was non-availability of trained personnel. It was also informed to the Committee that requisitions for filling up these technical posts were sent to Subordinate Services Selection Board as early as 1985. But the Board has not recommended candidates so far. If the required number of Scheduled Castes candidates is made available/recommended by the Board, there will no shortfall in most of the categories.

#### of the filled up posts

The Department is vigorously pursuing the matter with SSSB for finalisation and submission of their recommendations of candidates including Scheduled Castes candidates for various categories of posts for which requisitions from the Department are already pending with them. The Department is making special efforts to fill up the vacant posts by candidates including Scheduled Castes candidates through Employment Exchanges as well on adhoc basis. In order to make up the deficiency in representation of Scheduled Castes Candidates on the technical side in particular the Department is arranging out-of-turn promotional training for ANMs for promotion to the posts of LHV and in addition to it training courses for direct recruitment to the posts of Laboratory Technicians, Radiographers, Ophthalmic Assistants etc. for which reservation is kept etc. for Scheduled castes Candidates are being conducted by the Department and in the Medical College, Rohtak

The Committee feel happy that there is good representation of Scheduled Castes on the non-technical Class-III posts in the Department, but are unhappy to note the low representation of Scheduled Castes on the technical posts. The Committee view with great concern the inordinate delay on the part of S.S.S. Board in making requirements to various posts despite the fact that the Department has sent requisitions to it in the year 1985 and 1986.

**The Committee strongly recommend that the Department should vigorously pursue the matter with the Board in making requirements to various posts, the requisitions for which had been sent to that Board long ago.**

**The Committee also recommend that in order to improve the representation of Scheduled Castes in various Class-III technical posts, it is highly desirable the qualification/experience in certain categories of posts be relaxed for Scheduled Castes candidates and those who may be recruited on the basis of such relaxation, may be appointed and given in (-) service training to make them suitable for the post.**

all the Departments to make efforts to ensure the representation and removal of shortfall of the members of reserved categories in the services upto the prescribed reservation. Government have further requested SSS Board to recommend the candidates within three months under this special recruitment drive. The relaxation in ban on recruitment in respect of reserved posts is likely to further improve

Depending on the outcome of the efforts of SSS Board to recommend suitable candidates belonging to Scheduled Castes for various categories of vacant posts in the Department, the possibility of relaxing the qualifications/experience in respect of Scheduled Castes Candidates will be considered with a view to further improving the representation of Scheduled Castes in various Class III technical posts, in particular.

<p><b>Class-III posts</b></p> <p>From the perusal of the material supplied by the Board, the overall representation of Scheduled Castes in Class-III posts was 12.36% in 1984-85, 12.67% in 1985-86 and 12.71% in the year 1986-87. But it has been noticed that out of 21427 categories of posts, representation in 2653 categories of posts is very low. Some of such categories of posts are mentioned in the succeeding paragraphs together with the recommendation/observation of the Committee. As per the latest written reply of the Board, out of 32929 sanctioned posts of Class-III as on 31st March, 1987, 30706 posts were filled up. The quota meant for Scheduled Castes comes to 6121, whereas only 3905 posts had been filled up from amongst the Scheduled Castes candidates. Thus there was a shortfall of 2216 Scheduled Castes candidates in the Board.</p>	<p>In pursuance of decision taken by the Board to fill up posts in respect of certain categories of Class-III posts, from amongst wages staff serving in the daily wages staff serving in the Board, Screening Committees were constituted to identify suitable employees having prescribed qualification/experience. Appointing authorities were instructed to make up the shortfall of the reserved categories as far as possible while screening the eligible candidates against different categories of posts. As a result of efforts made by the Board, out 912 persons appointed through this process, 180 belonged to Scheduled Castes categories, details of which are given as under</p>	<p>After hearing the version of the Departmental representatives, the Committee was pained to observe that serious efforts have not been made by the Board to wipe off the backlog. Since the screening of candidates in respect of various circles/organisations has been finalised, the Committee would like that the position of Scheduled Castes employees in various categories be re-assessed by the Board and the position intimated to the Com-</p>

The Committee was assured during the course of oral examination of the representatives of the Government and Board that sincere efforts would

be made to wipe off the backlog against existing vacancies as and when the ban on recruitment would be lifted.

Statement showing the previous shortfall of Scheduled Caste candidates as it stood on 31-12-87 and the position as obtaining on 31-8-89 is given in the statement at Annexure 'A'. A comparative review of the position stated in the statement will reveal that the shortfall has been abridged to a considerable extent in respect of various categories of posts

**U.D.Cs.** The Board has stated in its latest written reply that 1796 posts of U.D.Cs. are in position. The quota meant for Scheduled Castes candidates comes to 359, whereas only 92 posts have been filled up from amongst the Scheduled Castes candidates. The reasons for the shortfall as stated by the Department/Board were that there is general ban on fresh recruitment and also qualified persons were not available in the required strength.

The Committee are unhappy to note the low representation of Scheduled Castes employees on these posts and recommend that some positive steps be taken by the Board to ensure due representation of Scheduled Castes on the posts.

The Board has stated in its latest written reply that 1796 posts of U.D.Cs. are in position. The quota meant for Scheduled Castes candidates comes to 359, whereas only 92 posts have been filled up from amongst the Scheduled Castes candidates. The reasons for the shortfall as stated by the Department/Board were that there is general ban on fresh recruitment and also qualified persons were not available in the required strength.

(ii) The Board has now decided to fill-up 91 Nos. posts of U.D.Cs. through direct recruitment and efforts will be made to make up the shortfall of S.C. candidates as far as possible at the time of selection.

There was a shortfall of 20 Nos. Scheduled Caste Candidates as on 31-12-87. From 1-1-88 to 31-8-89, 18 posts of UDCs were filled up, out of which 7 posts have been filled by candidates from Scheduled Caste Category. There is now a shortfall of 17 Nos. of S.C. candidates in this category.

After perusing the replies sent by the Board as also hearing the Departmental representatives the Committee has observed that all though their is not much shortfall of Scheduled Castes employees in this category yet the Board should make all outefforts to wipe off this shortfall. The Committee also recommend that to wipe off this back log, the Rules for recruitment of this category of employees be relaxed to this extent that 75% posts are filled up by promotion and 25% posts are filled up by direct recruitment instead of the percentage as laid down in the relevant rules.

As stated in the earlier reply of the Board, the post of Store-keeper is filled up by promotion from amongst the Asstt. Store-

led Castes candidates comes to 7, whereas only 2 posts have been filled up from amongst the Scheduled Castes candidates. Thus, there is a shortfall of Scheduled Castes persons.

**The Committee are very much pained to mention that the representation of Scheduled Castes candidates on the posts of Store-keepers is very low despite the fact that there is no dearth of candidates for this category of posts. keepers who pass the prescribed Departmental Accounts Examination. The direct recruitment for this post may not be appropriate, as it would adversely affect the promotional avenues of all categories of employees in the lower ranks including of reserved categories, already working in the Store Organisation.

(ii) 5 Nos " employees belonging to Scheduled Caste category have now become available in the cadre of Store Munshi. These officials of S.C category when become available in the cadre of Asstt. Store-keeper will be considered for promotion as Store-keeper.

**Assistant Store-keepers**  
The representatives of the Haryana State Electricity Board have stated in their latest written reply that twenty eight Assistant Store-keepers are in position. The quota meant for Scheduled Castes comes to six, wherein as only one post has been filled up from amongst the Scheduled Castes candidates, resulting in a shortfall of 5 persons.

**The Committee express their concern about the low representation of Scheduled Castes in this category of post which is also**

As stated earlier, the post of Asstt. Store-keeper is filled up by promotion from amongst the Store Munshis. Earlier, no person from Scheduled Castes category was available in the seniority list of Store Munshis, who could be promoted as Asstt. Store-keeper. Now 5 Nos. Store Munshis of Scheduled Castes category have become available, but no post of Asstt.

presently vacant. When the posts of Asstt. Store-Keeper fall vacant, the persons from the S.C. category will be considered for promotion against these posts.

**L. D. Cs**  
The Department/Board has stated in its latest written reply that 2343 posts of L.D.Cs. are in position. The quota meant for Scheduled Castes candidates comes to 469, whereas only 231 posts have been filled up from amongst the Scheduled Castes candidates. The reasons for the shortfall of 238 posts as stated by the Department/Board were that there is a ban on fresh recruitment for the last seven years and shortfall can only be removed after the ban is lifted.

**The Committee observe that the period to carry forward the reserved vacancies should be allowed to continue as long as the posts remain vacant.**

As on 31-12-87 there was a shortfall of 161 Nos. of Scheduled Castes candidates in the cadre of LDCs/MRs. From 1-1-88 to 31-8-89, 96 posts of LDCs/MRs were filled up through the Screening Committees from amongst the serving Work-charged/daily wages employees. Out of these, 11 Nos. posts were filled up by eligible candidates from S C category. There is now a shortfall of 169 S.C. candidates on these posts as on 31-8-89.

(ii) The Board has now decided to fill up 107 Nos. posts of LDCs/MRs and efforts will be made to recoup the shortfall of Scheduled Castes candidates

The Committee further recommend that the roster register which is not being maintained as per the Government instructions be scrutinized properly so that the shortfall in each category is at hand.

as far as possible at the time of selection.

**Meter Readers**

The Department/Board has stated in its latest written reply that the present strength of posts of Meter Readers was 781, out of which 156 posts were meant for Scheduled Castes candidates whereas only 64 posts were held by Scheduled Castes candidates.

Thus there was a shortfall of 92 Scheduled Castes persons. The reasons for the shortfall as stated by the Department/Board were that there is a ban on fresh recruitment and shortfall could be removed after the ban is lifted.

**The Committee recommend that the reserved posts may be filled up as and when the ban on the recruitment will be lifted under intimated to the Committee at the earliest.**

**Reader and L.D.C.**

Although the Board has stated that the position in this category is the same as in the case of L.D.C., yet the Committee is not satisfied with the steps taken by Board to wipe off the shortfall. The Committee, therefore, recommend that the recruitment process should be rationalized and the shortfall should be recouped circle wise. The Committee would also like to know the progress made in this regard.

**Drivers**

In its latest written reply, the Board has stated that out of 538 sanctioned posts of Drivers as on 31st March, 1987, 484 posts were filled up, out of which 97 posts were meant for Scheduled Castes candidates while only 27 posts were held by Scheduled Castes candidates, resulting in a shortfall of 70 persons. The reasons of shortfall as stated by the Board were that the fresh recruitment was

(ii) The Board has now decided to fill-up 22 Nos. posts of Drivers and efforts will be made to make up the shortfall of Scheduled Castes candidates as far as possible at the time of selection.

The Department/Board supplied required information of Technical posts as desired by the Committee in its meeting held on 3rd February, 1988

As per the latest statement of the Board, there is adequate shortfall on the following posts.—

**Technical posts**

The progress made to recoup the shortfall of Scheduled Caste candidates in respect of different categories of Technical posts through direct recruitment and promotion is as below.

Further to it, the Board has amended the Recruitment and Promotion Policy in respect of Technical posts, increasing the ratio of direct recruitment quota in upper cadre posts, thereby providing more avenues/entry of the Scheduled Caste and other reserved categories candidates in such cadre posts. This step of the Board would help in minimising the shortfall of Scheduled Caste candidates in the higher cadre posts.

The reasons for the shortfall as explained by the Department/ Board in its latest written reply were as under :—

- (i) Qualified persons were not available in general for Technical posts at the time of recruitment.
- (ii) In promotional cadre posts, no Scheduled Castes employees were available in the lower rank.

The Committee was satisfied to this extent that the recruitment and promotion policy which was in vogue before 1988 has been changed and with the revision of the policy the percentage for direct recruitment to the various technical posts has also been increased. The Committee, therefore, desire that this policy be liberalised and the position be re-assessed category-wise so that the shortfall in each category is readily available. cal posts reserved for them by giving them necessary training and restriction regarding experience was relaxed, they would be able to avail of their legitimate chances of appointment on joining duty

**Class—IV** The Department/Board supplied the required information in respect of Class-IV employees as desired by the Committee in its meeting held on 3rd February, 1988. As per the statement of the Board, there is adequate shortfall on the following posts :—

1. Havildar/Daftri/ Record lifter.
2. Store Mate/Store Attendant.
3. Bill Distributor.
4. Malt/Gardner
5. Peon
6. Truck Cleaner/Cleaner/Oiler/Greaser
7. Asstt. Pump Driver.

The reasons for the shortfall have not been explained by the Department/Board in its latest written reply and it has also not mentioned the

\*The Board has selected 254 candidates for the post of JEs against Advertisement No. CRA-104 in 8/89. Out of which 55 Nos S.C. candidates have been selected. But these figures have not been included in this statement against Sr. No. 2, as the offers of appointment letters are being issued to them and net-result will be available after there actual joining duty

(i) As stated in the earlier reply, the Board had lifted ban in certain Class-IV posts for filling up the same from amongst the serving Workcharged and daily wages staff through the Screening Committees constituted for this purpose. Out of 912 filled posts as detailed in Para-I ante, 344 Class-IV posts have been filled up upto 31-8-89 and 76 Nos. candidates belonging to Scheduled Castes were appointed

The Committee after perusing the reply sent by the Board as also hearing the Board's representatives, has come to the conclusion that the shortfall in Class IV still exists although the efforts have been made by the Board. The Committee, therefore, recommended that to minimise the shortfall some concrete steps be taken by the Board

(ii) Regarding the posts of Havildar/Daftri/Record-lifter, it is stated that these posts are filled up from amongst the Peons by way of promotion. After 31-12-87, 6 Nos. posts were filled up and out of these due share quota posts and the

mode of promotion/appointment.

The Committee are surprised to note as to why the board had not mentioned the reasons of shortfall as well as the mode of promotion/appointment. The Committee recommend that some via media may be evolved to cover up the adequate shortfall in these posts

2  
shortfall posts could not be filled up from the candidates belonging to S.C. category due to the reason that there are limited sanctioned posts in this cadre, i.e. only one post of Havildar and Daffri is sanctioned in each Circle office and only two posts of Record-Lifters are sanctioned in the Board as a whole. The promotions in these cadre posts are made as per Roster points reserved for the Scheduled Castes candidates under the Government Reservation Policy. But there being skeleton number of posts; the Roster point does not move to the reserved points as provided under the Government instructions till such time the persons already holding these posts either retire from the service or otherwise. The result is that S.C. employees available in the cadre of Peons do not get benefit of quota promotion.

3  
dates recruited on the said post as assured by the Board's representatives to the Committee at the time of oral examination.

The net shortfall in Class-IV posts as stood on 31-8-89 given in the statement at Annexure 'A' from which it would be observed that the shortfall of S.C. candidates in the cadre of Peons has been minimised to some extent,

After perusing the above information and also discussing the same with the representatives of the Government and the Haryana Urban Development Authority, the Committee noticed that all the 28 posts belonging to Class-I are either filled up by deputationists or by I A S./H.C.S. Officers. The Committee, therefore, recommend that in future the posts which are not required to

be manned by I.A.S./H.C.S. Officers, may be filled up by making direct recruitment to the possible extent so that the interests of Scheduled Castes are also safeguarded. The steps taken in this regard be intimated to the Committee also.

**Class II posts** informed that in the years 1985-86, 1986-87 and 1987-88, 12 Class II Officers were promoted. Four Class II Officers have been taken by direct recruitment during this period, out of which one was Scheduled Caste candidate. There is no reservation for Scheduled Castes in promotion to Class-II posts. It was also informed that although during these years, the number of Class-II Officers has risen from 59 to 68, yet the number of Scheduled Castes Officers remained only two:

In the written reply, the department of Class-II posts are promotional posts. There is no reservation for Scheduled Castes in promotion to Class-II posts. However, the shortfall of two posts of Sub Divisional Engineer in the direct recruitment is being made good by notifying the posts to the Employment Deptt. The shortfall in Class-II posts as informed to the Committee by way of written reply was due to non-availability of S.C. persons having requisite experience necessary for promotion of suitable candidates were not available with the Employment Exchange. Also retrenched employees of Govt. Deptt/Public Sector, taking had to be absorbed and only a few SC/BC candidates were available if suitable employees.

The department while sending written reply about the shortfall in Class-II informed that it is because of the fact that 130 retrenched employees from different departments had been absorbed in Haryana Urban Development Authority under the order of Government irrespective of their Caste. Out of 130 such employees, only 3 persons belonged to Scheduled Castes. The department gave the latest figures of shortfall in Class-II as follows.

Sr. No.	Category	Shortfall	Remarks	With a view to make good the shortfall, necessary steps have been initiated to promote the S.C. persons by giving the relaxation in the requisite experience. But such cases will be decided under Govt. instructions and on merits. As regards the shortfall in some categories of posts of Class-III, shortfall has been made good in respect of Steno-Typist and two Drivers by appointing the S.C. persons. The requisitions for such posts where shortfall exists have either been sent or are being sent to the Employment Department for S.C. persons. Hence the shortfall will be made good in near future	3

After reviewing the position in respect Class-II and III posts, as above, the Committee noticed that there is a shortfall in these groups of service so far as Scheduled Castes and Scheduled Tribes are concerned. The Committee did not feel satisfied with the position explained by the departmental representatives. The Committee, therefore, recommend that in future, to wipe off the shortfall, the vacancies should only be filled up by appointing/promoting Scheduled Castes and Scheduled Tribes employees. The Committee further recommend that steps may be taken by the Government to revert the deputationists to their parent Departments to achieve the goal.

#### Filling up of reserved vacancies

The Committee was informed by way of written reply that some categories of posts like Accounts Assistants, Stenographers, Drivers and some technical posts meant for Scheduled Castes have been filled up from other candidates. The Committee, therefore, recommend that in future the Government instructions on the subject may be adhered to to avoid increase in shortfall of Scheduled Castes candidates.

Necessary steps have been initiated to make good the shortfall of those categories of posts where shortfall had arisen due to non-availability of suitable candidates or due to absorption of retrenched employees of Govt. Deptt./Public Sector Undertakings and only a few S.C./B.C. persons were available in them. Requisitions of various posts have either been sent to the Employment Deptt. or the cases have been processed to send the requisitions.

After orally examining the Departmental representatives, the Committee have come to the conclusion that serious efforts are not being made by the HUDA to fill up the reserved posts. The Committee, therefore, recommend that the reserved posts be filled up immediately and the steps so taken be intimated to the Committee.

**Promotion of Class IV Scheduled Castes Employees**

During oral Examination, the departmental representative informed the Committee about the provisions of the Draft Service Rule as also promotion criteria. In view of the shortfall, the Committee observed that Hariyana Urban Development Authority should take steps to fill up the vacancies in Class III by promoting Class-IV employees. The steps so taken and the details of the posts filled up accordingly be intimated to the Committee.

**Roster Register**

The Committee after discussing with departmental representative noticed that roster register system has not been implemented with the result that the Scheduled Castes/Scheduled Tribes employees could not get the required number of posts. The Committee, therefore, recommend that roster register system be implemented and accumulated benefit be given to Scheduled Castes/Scheduled Tribes employees. The latest position he also intimated as also the number of employees benefited by the implementation of the Roster Register system.

The roster register system has been implemented in HUDA. The registers prepared by the office were got checked from the member of Welfare of S.C. & S.T department who extended the guidance for maintenance of roster register. The roster registers will be maintained under the guidance of Officers of Department of Welfare of SC/ST as also the instructions of the Government.

26

The Committee did not feel satisfied with the reasons advanced by the Departmental representative at the time of oral examination rather felt greatly distressed to find that the roster registers were not being maintained in accordance with the Government Instructions. The Committee, therefore, recommend stringent measures be taken to complete the roster registers with retrospective effect as also the number of employees.

The Committee would like to know the latest position in the matter.

1      2      3

who will stand benefited be, also intimated to the Committee.

**Allotment of Plots and Shops**

The Government in their written reply informed the Committee that reservation for Scheduled Castes in the allotment of residential plots has been made by Haryana Urban Development Authority as under :—

- (i) 20% for 2 Marla Plots ,
- (ii) 50% in 4 and 6 Marla Plots ; and
- (iii) 50% in low cost Housing Plots

This is a policy matter and is under process.

The Committee recommend that Govt. should take some steps to reserve some residential and Commercial plots for the Scheduled Castes and Backward Classes.

108

The Committee further recommend that there may not be reservation of plots for the shops measuring two to four Kanals but some percentage of reservation must be fixed for the allotment of plots for small-size shops in the Shopping Centres being constructed in various Colonies of HUDA.

But, during the oral examination, in reply to a question, the departmental representative informed that there is no reservation or quota fixed for Harijans in the allotment of shops which are allotted by auction nor there is any provision in the relevant Rules. The Committee, therefore, recommend that whenever Haryana Urban Development Authority is to auction commercial Plots and Shops, there should be reservation to the extent of 20% for Harijans and only the Harijans should be eligible for bidding. The Committee would also like to know the results.

**COOPERATIVE WHOLESALE STORES LTD.**

Recommendation of the Committee	Action taken by Government	Further observation of the Committee
<b>Cadre-wise Number of Employees</b>	The Committee after perusing the above figures noticed that there is difference of number of employees working in the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd. Therefore, through a question during the oral examination, the Committee asked the representative of the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd. about the exact number of employees working in the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd. The Departmental representative informed the strength of employees as 1972 as on 31st December 1988 including 251 employees belonging to Scheduled Castes, which was, of course, not in accordance with the reservation policy laid down by the Government. But, again, the representative of the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd. was asked to confirm the exact number of employees working in the Federation.	This would be looked into and disciplinary action would be taken against those found responsible for the lapse.

3 From the perusal of the above figures, the Committee has noticed that the representative of the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd. has not given the correct figures of the employees working in the Federation and every time he has tried to mislead the Committee, therefore, recommend that strict action against the Managing Director for misleading the Committee and for the non-supply of information in time etc. etc. may be initiated against him.

4 Committee has also been received and is being worked out by two officers in the Departmental Officers in the G-Operation Department to point the lapses. As desired by the Departmental representatives, the Committee acceded to their request to allow them a period of 15 days to look into the whole affair.

5 The Committee is distressed to observe that neither any information has been supplied to the Committee till the framing of the report nor any action seems to have been taken against the then Managing Director who has since been re-instated in the services. The Committee, therefore, desire that the latest position in the matter be intimated at the earliest

**Appointments** The representative of the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd informed the Committee about the appointments made in the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd during the period from 1st April to 31st December 1988 including the Scheduled Castes as under :—

The Government is already seized with the matter. Enquiry is being conducted by the R.C.S. and disciplinary action would be taken against those fund responsible for the lapses.

The Committee is pained to point out that the Government have not cared to inform the Committee about the outcome of the enquiry which was conducted by the Registrar, Co-operative Societies against the then Managing Director and others who were involved in the appointment process. Therefore, the departmental representatives were orally examined who informed that the explanation of the then Managing Director was being called for and requested for two months time to come to the conclusion. The Committee, therefore, reiterate its earlier recommendation that the matter be enquired into thoroughly and the findings be conveyed to the Committee.

1

The Committee observed that all the Rules and Regulations were flouted while recruiting staff in the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd., and neither any reference was made to the Employment Exchanges for inviting the names of the candidates nor the posts were advertised. This amounts to violation of the recruitment system as also the rules of the Government. The Committee, therefore, recommend that this may be enquired into and the findings be conveyed to the Committee.

Sanctioning of Posts During the oral examination, the Committee noticed that the posts were not sanctioned by the Administrative Board of the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd. Rather, the Board put a stop for the fresh appointments. Inspite of this, the Managing Director of the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd. recruited a number of employees without the sanction of the posts either from the Board of Directors or the Registrar Co-operative Societies. Thus, the State exchequer was unnecessarily burdened. The Committee, therefore, recommend that the question of employment in the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd. may be enquired into thoroughly by appointing a Committee of Senior Officers by Government and to assess the loss incurred to the Government.

The Government is seized with the matter. Necessary action will be taken in due course after thorough examination and enquiry referred to in the earlier paragraph.

The Committee was not satisfied with the written reply of the Government. The Committee, therefore, reiterate its earlier recommendation and would also like to know the out-come.

**Implementation of Reservation Policy** From these figures, the Committee noticed that the reservation policy laid down by Government is not being implemented in letter and spirits, with the result that the shortfall in the category of Scheduled Castes/ Scheduled Tribes exists in the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd. **The Committee, therefore, recommend that the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd. should take immediate steps in this regard so that the shortfall is recouped immediately. The progress made in this regard be intimated to the Committee.**

As against the sanctioned strength of 882, there are 1496 employees in Confed as on 31-5-89, out of these 218 employees belonging to Scheduled Caste. There is shortfall of only 79 which will be made up in future as and when there exist any vacancy or new post is created

The Departmental representatives, during the course of oral examination, could not give cogent reasons for the non-implementation of reservation policy. The Committee, therefore, recommend that immediate steps be taken in this regard and the progress achieved be intimated to the Committee

**Introduction of Roster Register** The Committee was informed at the time of oral examination by the representative of the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd. that the roster system has been introduced in the said organisation and the following category of employees have been appointed:—

As desired by the Committee roster register is being introduced as per Government instructions in Confed. Confed is approaching the Director, Welfare of Scheduled Castes/ Backward Classes Department for guideline assistance for maintaining the roster register as per instructions of State Government.

111  
The written reply submitted by the Government is contradictory in itself and does not convey any meaning whether the roster register is being introduced as per the Government instruction or Confed is approaching the Department of Welfare of Scheduled Castes and Backward Classes for guidance/ assistance. The Committee would, therefore, like to know the clear position.

From the above figures, the Committee noticed that although the roster register system has been introduced, yet it has not been introduced as per the instructions of the Government. The Committee, therefore, recommend that the roster register system be introduced with effect from the date the instructions on the subject were issued by the Government. The Committee also desired that the guidance from the Director, Welfare of Scheduled Castes and Backward Classes Department be sought, if considered necessary, by the Haryana State Federation of Consumer Cooperative Wholesale Stores Ltd. in this regard and the steps so taken and the results so achieved be intimated to the Committee.

**Relaxation in Age**

The Committee after perusing the Staff Service Rules of the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd noticed that there is no provision for giving relaxation in age for the Scheduled Castes employees whereas the Government is already giving relaxation in age to the Scheduled Castes candidates at the time of recruitment. **The Committee, therefore, recommend that the Government should look to this aspect and make provision accordingly under intimation to the Committee.**

Confed is being advised to examine and adopt Government pattern by amending their Service Rules, if necessary

**Promotion of Class IV Employees**

The Committee after perusing the Staff Service Rules of the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd. noticed that according to Rule 94, the Stenos, Clerks and Cashiers are to be recruited only through the direct recruitment and no post is to be filled up by promotion whereas under Rule 9.4 (G), it has been shown that recruitment to these posts will be made by direct recruitment and also by promotion from amongst the cadre of Peon, if any of them fulfilled the educational qualifications. **The Committee, therefore, observed that there is contradiction in this part of the Rule so far as promotion of Class IV employees is concerned.**

Confed is being advised to examine and adopt Government pattern by amending their Service Rules, if necessary

Confed is being advised to examine and adopt Government pattern by amending their Service Rules, if necessary

**The Committee, therefore, recommend that the Government should issue directions.**

The Committee would like to know the latest position.

The written reply of the Department was not found convincing. The Committee, therefore reiterate its earlier recommendation.

for making necessary arrangements in this regard so that Class IV employees also get promotion to the post of Stenos/Clerks/ Cashiers. The Committee would also like to know the latest position.

Termination of Services	During the oral examination, the Committee was informed by the departmental representative that on 3rd Feb., 1989, 592 employees of various categories who did not complete 240 days in service were terminated Out of these 592 employees, 48 belonged to Scheduled Castes. The attention of the Government/representative of the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd. was drawn by the Committee towards Punjab Government letter No 1016/4 WGL-66, dated 16th February, 1966, regarding grant of protection to Scheduled Castes/Scheduled Tribes and other Backward Classes employees against the reduction/ retrenchment in view of the lean representation in service, the sub para (i) of which reads as under :—	Confed had terminated 699 adhoc employees who had not completed 240 days service out of which 49 employees belonging to Scheduled Castes Category. Confed is already having surplus staff at this stage. Their services were terminated in view of instructions of the State Government. 49 employees whose services were terminated can not be taken back in exclusion of other employees appointed on same condition. Further, this will be in violation of provision of Industrial dispute. Shortfall will be recouped in future
-------------------------	---	---

"Members of the Scheduled Castes/Scheduled Tribes and Backward Classes who are in service and are otherwise qualified and suitable and against whom there are no complaints should not be reduced in rank and retrenched so far as their total strength does not exceed the prescribed limits of reservation in a cadre."

In view of the above decision of the Government, the Committee recommend that to recoup the shortfall in various categories of posts in the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd., the Government should issue necessary directions in this regard and the Scheduled Castes employees who have been terminated by the Haryana State Federation of Consumers' Cooperative Wholesale Stores Ltd., may be re-appointed on the posts on which they were working before their termination of services on 3rd Feb., 1989.

	<b>Cadre-wise strength/ representation of Scheduled Castes</b>	The Department gave the figures about the total number of employees as also about the total number of Scheduled Castes employees —	Efforts are to make good the shortfall in Police Department in respect of reserved categories in different cadres of posts and in different groups where the posts are filled up by direct recruitment and promotion So far as amendment of service rules is concerned, the same does not seem to be necessary as there is already provision in the relevant rule 13 of the P R.	The Committee did not feel satisfied with the oral examination of the Home Secretary since the Director General of Police did not attend the meeting nor cared to send the information about the condonation of his absence. The Committee, therefore, took a serious view of it. The Committee after reviewing the whole position, recommend that immediate steps to make up the shortfall be taken and intimated to the committee.

The department informed the Committee that after the laying down of reservation policy by the Government with effect from 9th February 1979, the following posts were created/filled up from				

9th February, 1979 to 31st March, 1988:—

position is as under :—

IV	506	152	—	—			IV	1196	401	33.52	—

In view of the above figures, the Committee observed that there is shortfall in the department in different cadres of posts and in different groups. Although the department is taking effective steps to recoup the shortfall, yet the Committee recommend that the department should make more efforts and amend the Service Rules for various categories of posts, if necessary, so that the shortfall could be recouped to the maximum possible extent. The Committee further recommend that the latest position be also intimated to the Committee.

1

**Selection Committee** The department informed the Committee about the mode of recruitment in various Classes and posts, which are governed under various Services Rules. As regards Class III posts, it was informed that to fill up these posts, Selection Committee is constituted as and when the Selection Committee is constituted. However, there is no provision in the relevant Rules for the constitution of a Selection Committee. Commissaries of one Deputy Inspector General of Police, and two Superintendents of Police. The Committee recommend that whenever the Selection Committee is constituted by the department, at least one of these officers should be nominated belonging to the Scheduled Castes.

2

The suggestion of the Committee is noted and will be kept in view as and when any Selection Committee is constituted. However, there is no provision in the relevant Rules for the constitution of a Selection Committee.

3

In the written reply, the Department informed that there is no provision in the relevant rules for the constitution of Selection Committee but during the course of oral examination, the Departmental representative informed that the Selection Committee has not been constituted. However, whenever any recruitment is made, the recommendation of the Committee for constituting a Selection Committee will be kept in view. The Committee observed with distress that the recommendation of the Committee has not been implemented by the Department at the time of recent recruitment. The Committee, therefore, strongly recommend that Selection Committee be constituted whenever recruitment is to be made and an Officer belonging to one of the reserved categories must be nominated as a member of such a Committee. If required, the relevant rules be amended. The Committee would like to know the latest position in this regard.

**B-I List** The Committee was informed by the Department that there is no provision for reservation while preparing list for B-I, according to Punjab Police Rules 13.7 and High Court rulings. The Committee, therefore, observed that to protect the rights of Scheduled Castes for promotion to B-I, there should be some reservation. The Committee, therefore, recommend that the Department should take effective steps either to amend the above referred to rules or issue some instructions so that the interests of Scheduled Castes candidates are safeguarded. The steps taken in this regard or the policy so framed by the Government, be intimated to the Committee.

In this regard, it is informed to the Committee that the matter is being taken up with the State Government and final outcome will be intimated as and when any decision is taken.

The Committee observed that due to non-availability of reservation in B-1 list, shortfall in various categories is increasing. The Committee, therefore, recommend that reservation on the pattern of Punjab be fixed in B-1 list so that shortfall could be recouped. The Committee may be informed about the final outcome of the case which is already under consideration.

**Roster Register** The Committee was informed that the roster register for reservation is being prepared with the help of the representatives of Social Welfare Department according to the instructions issued by the said department and the State Government. The Committee, therefore, recommend that the roster register should be prepared categorywise within three months and the Committee be informed too.

Almost all the units have prepared the roster registers category-wise in accordance with the Govt. instructions. Remaining 2/3 units which have not yet completed the same, have been directed to complete it at once.

The Committee observed that the roster registers are not being maintained for various categories in the Department properly. The Committee, therefore, recommend that these registers be completed immediately category-wise in consultation with the Director, Welfare of Scheduled Castes and Backward Classes and the Committee be also informed about the preparation of these registers.

## GENERAL RECOMMENDATIONS

### Recommendation of the Committee

#### Action taken by the Government

#### Further observation of the Committee

Prior to the attainment of Independence, the Scheduled Castes and Scheduled Tribes, because of their social/educational position and economic backwardness, had not been able to secure adequate representation in Government service. The Constitution of India provides adequate representation for the Scheduled Castes and Scheduled Tribes in Government service. Article 16, while giving equality of opportunity for the Scheduled Castes and Scheduled Tribes on matters of Public employment, states that "nothing in this Article shall prevent the State from making any provision for the reservation of appointments or posts in favour of any backward class of citizens which in the opinion of the State is not adequately represented in the services under the State." Article 335 ensure that "the claims of the members of Scheduled Castes and Scheduled Tribes shall be taken into consideration consistently with the maintenance of efficiency of administration in the making of appointments to services and posts in connection with the

affairs of the Union or of a State." In pursuance of the above articles, Government of India and State Governments have issued executive orders reserving a certain percentage of vacancies in posts and services under them in favour of the Scheduled Castes and Scheduled Tribes. Having regard to the above provisions, Government of Haryana have also made reservation for Candidates belonging to Scheduled Castes but there has not been any appreciable increase in the intake of this community in service.

**Increase of subsidy  
for Houses for  
Scheduled Castes**

At present the Scheduled Castes and Backward Classes Department is granting subsidy for the construction of houses to the members of Scheduled Castes upto Rs. 2000/- to a person who has a plot of his own. The present rate was fixed during the year 1974-75, i.e. fourteen years ago. The rates of building material which is used for construction of houses has increased manifold, but the subsidy is being paid at the old rate of Rs. 2000/- per beneficiary. Resultantly, the members of Scheduled Castes cannot construct the houses within the prescribed period and the amount of subsidy remains un-utilised for a long time. **The Committee feel that the rate of subsidy is too meagre and, therefore, recommend that the rate of subsidy for construction of houses may be enhanced from Rs. 2000/- to Rs. 6000/- keeping in view the high prices of the building material.**

**The matter is under  
consideration of the  
State Government.  
to know the latest position in  
this regard.**

**Reservation in promotion for Class I & II posts**

At present, there is reservation in promotion for Scheduled Castes in Class III & IV posts; but there is no reservation in promotion in Class-I & II posts with the result that there is always shortfall in the above categories.

The Committee has been recommending for reservation in promotion in Class I & II posts, but the State Government has not accepted the recommendation as yet. The Committee once again reiterate its recommendation to the Government to make suitable provision for reservation in promotion for Class I & II posts in the Haryana State.

At present, there is reservation in promotion for Scheduled Castes in Class III & IV posts; but there is no reservation in promotion in Class-I & II posts with the result that there is always shortfall in the above categories.

Since the matter is under consideration of the Chief Secretary as informed by the Government, the Committee may be informed about the outcome of the said case.

This matter had been considered by Government and it has been decided that no reservation in promotion to Class-I and II posts be allowed. However, on receipt of representations from few organisations of reserved categories/ individuals, the matter is being re-examined and the Committee will be informed of the decision.

**Enhancement of amount of interest free loans to students studying in post-Matric and Graduate Classes**

The Department of Welfare of Scheduled Castes and Backward Classes is implementing a scheme under which the students studying in post-Matric and Post-Graduate Classes are granted interest free loan, i.e. Rs. 200/- and Rs. 400/- each respectively. The above sums were fixed before the reorganisation of the State. The price index has arisen manifold and the Scheduled Caste students

are unable to purchase the books and stationery articles with a petty amount of Rs. 200/- and Rs. 400/- respectively.

The Committee recommend that the Scheduled Castes students studying in post-Matric Classes may be granted interest free loan up to Rs. 1000/- and the students studying in post-Graduate Classes up to Rs. 2000/- each.
