Shri Mani Ram Keharwala, a Member of the Committee, was appointed Chairman of the Committee by the Hon'ble Speaker on 29th April, 1992.

The Committee held 40 sittings till-to-date,

In its first meeting held on 12th May, 1992, the Secretary, Haryana Vidhan Sabha addressed the Committee on behalf of the Hon'ble Speaker and explained the scope and functions of the Committee in detail. The Chairman while thanking the Hon'ble Speaker assured that the Committee will work for improving the lot of down-trodden section of the Society as also for the implementation of various Rules/Regulations/Instructions issued by the Government from time to time for their implementation so far as the Scheduled Castes and Scheduled Tribes are concerned.

The Committee selected the following departments/autonomous bodies for examination during the year 1992-93:—

1. Agriculture Department.
2. Transport Department.
3. Rehabilitation Department.
4. Haryana Harijan Kalyan Nigam.

AGRICULTURE DEPARTMENT

The Committee for the year 1991-92 selected the Agriculture Department for examination but because the replies to the questionnaire were received from the Government vide letter dated 17th February, 1992, the Committee could not scrutinise the same. However, the present Committee scrutinised the above referred to replies.

The Committee for want of time could not proceed further for orally examine the departmental representatives.

TRANSPORT DEPARTMENT

The Committee constituted since 1988-89 had been selecting this department for examination but the department could not be examined by the previous Committees because of the facts mentioned in the reports for the respective years.

The replies to the questionnaire received from the Government on 25th May, 1992 were although scrutinised by the present Committee, yet the Committee could not orally examine the departmental representatives because of paucity of time.

REHABILITATION DEPARTMENT

The Government in the Rehabilitation Department was asked by the Haryana Vidhan Sabha Secretariat vide letter dated 18th May, 1992 for supplying the material relating to the reservation/representation of Scheduled Castes and Scheduled Tribes in the Rehabilitation Department within a fortnight. The Government supplied the material on 2nd July, 1992 and the same was scrutinised by the Committee.

The Committee could not further examine the departmental representatives because of lack of time at their disposal.

HARYANA HARIJAN KALYAN NIGAM

The Government in the Social Welfare Department was asked by the Haryana Vidhan Sabha Secretariat vide letter dated 18th May, 1992 for supplying the material relating to the reservation/representation of Scheduled Castes and Scheduled Tribes in the Haryana Harijan Kalyan Nigam, within a fortnight. The Government inspite of issue of reminder by the Haryana Vidhan Sabha Secretariat did not supply the desired information. However, the Managing Director of the said Nigam supplied the material on 1st July, 1992 which was scrutinised by the Committee in its meeting held on 20th July, 1992.

Since the Government did not respond in the matter, the Committee felt sorry about it and did not proceed further.

STUDY TOUR

The Committee undertook on the spot study tour to the states of Goa, West Bengal and the Union Territory of Andaman & Nicobar Islands during the month of September, 1992 for about a fortnight for discussing with the counter-part Committees of Goa & West Bengal and the Councillors of Andaman and Nicobar Islands, about the matters of common interests and to see the developmental works undertaken by them. During the course of the study tour, the Committee also visited Bombay, Bangalore and Madras.

In addition to the above study tour, the Committee also visited Faridabad on the 7th and 8th July, 1992 for its own meetings.

GENERAL RECOMMENDATION

During 1992-93, the Committee have observed that the departments do not send information required by the Committee inspite of reminders by the Haryana Vidhan Sabha Secretariat with the result the work of the Committee is paralysed and the Committee is unable to function properly. The Chief Secretary to Government, Haryana already issued instructions to all the departments on the subject which the Committee observed, have not been adheared to by various departments. The Committee, therefore, take a serious view of this and recommend that the Chief Secretary to Government, Haryana may again take up the matter with the Administrative Secretaries.

IMPLEMENTATION OF RECOMMENDATIONS /OBSERVATIONS CONTAINED IN THE 17TH REPORT

The Committee considered/scrutinised the action taken by the Government on the recommendations/observations contained in its 17th Report. In the cases where the replies were not received from the Government and the Government was reminded by the Haryana Vidhan Sabha Secretariat, the Committee orally examined the representatives of the concerned Departments/Government for not supplying the information about the action taken on the recommendations of the Committee.

The Committee feeling satisfied with the action taken by the Government on some of the recommendations/observations, dropped them. The recommendations/observations which are still outstanding, are as shown on the following pages with further observation of the Committee.

EDUCATION DEPARTMENT

Recommendation of the Committee

Action taken by the Government

Further obser-
vation of the
Committee

1

The Committee, therefore, recommend that General level of literacy among Scheduled Castes well planned and concerted efforts should be made to raise the percentage of literacy by making liberal financial allocations for various educational schemes. The Committee further recommend that special schemes should be evolved for attracting the children of Scheduled Castes families to get admission in schools and to make them understand the benefits they can derive from the education. Special attention should be given for imparting female education and opening residential schools for them at tehsil level in the State.

2

The State Government/Department of primary Education has been making incessant and strenuous efforts to enrol and retain the children of scheduled caste families in Primary classes by launching a number of incentive schemes for them. The incentive schemes are as under :—

The Department of Primary Education launched Special Enrolment Drives to enrol the out-of-school children in the age group 6-11 and achieved a major break through by enrolling 4.78 lakh additional children (Boys 2.62 lakh, Girls 2.16 lakh) against the enrolment Target of 62,000 additional children fixed for the current year i. e. 1992-93. Efforts are on to ensure their retention.

Special attention is being given to the girls education. Five hundred Primary Schools, exclusively for girls were opened during the 7th Five Year Plan. A similar number of new schools is proposed to be opened during the 8th Plan period. To promote girls education at the Primary Stage of Education, the State Government has decided to recruit male and female JBT teachers in the ratio of 40 and 60 respectively.

The Committee, therefore, recommended that the State Government should take early action to ensure that such rural habitations have Primary & Middle Schools within a walking distance so that more Scheduled Castes from such habitations could be enrolled in these schools.

Primary Schooling facilities are available in the State within a radius of about one Kilometer. Almost every village has a Primary School/Primary Department/Classes. The State Govt./Department of Primary Education is determined to universalise Primary Education, by enrolling all the out of School children particularly those belonging to scheduled castes by the end of the current Five Year Plan.

The Committee would like to know the detailed position in this regard.

Therefore, the Committee recommend that the Chief Secretary to Representative Government, Haryana may take up the matter with the Castes persons D.P. Is. Schools and Higher Education to investigate into the working of the service safe-guard as also the nature of the representations received from the persons belonging to Scheduled Castes so that a positive impact on the implementation of the reservation policy be emphasised and the problems of the Scheduled Castes employees in the Education Department could receive immediate attention.

3644 JBT teachers on the basis of their seniority had been promoted as Head Teachers in the year 1990. Out of these 2782 teachers availed of their promotions and joined as Head Teachers. Thereafter, 1070 more JBT teachers were promoted in the year 1991. The categorywise detail is as under :—

Sr. No.	Year	No. of teachers promoted	No. of teachers belonging to S. C. category
1.	1990	2782	313
2.	1991	1070	128

A proposal to promote JBT teachers as Heads teachers is under active consideration of the Dep'tt. Out of these 118 teachers belong to S. C. category who have atleast 6 years teaching experience as per policy laid down for the promotion of JBT teachers.

It may be relevant to mention here that 20% of the seats for the admission to the D. Ed. Course (JBT) are reserved for the candidates belonging to S. C. so that teachers of S. C. category may become available for considering them for recruitment as the candidate of this category are not available in adequate number at present.

	<p>The Committee express their deep concern on the state of affairs that there has more than 10% shortfall in the representation of Scheduled Castes in Class III posts in the Corporation and recommend that urgent steps be taken to fill up the posts and wipe off the backlog.</p>	<p>As regards shortfall in the representation of Scheduled castes in Class III posts in the Corporation, it is submitted that the Corporation has not made any recruitment w.e.f. 21-10-91 viz. the submission of date of earlier reply presented the house on 25-3-92 except two officials appointed in the Corporation on the death of employees of the Corporation.</p>	<p>Regarding filling up of 10 posts of Clerk-cum-typist from the members of S.C. 	<p>The Committee further desire to be informed regarding the steps taken by the Corporation to make up the deficiency.</p>	<p>1. However, it is assured to the Committee that as and when any posts are available the first priority will be given to clear the backlog.</p>	<p>The Committee has perused the reply received from the Government and is of the view that the Corporation should make earnest efforts to wipe off the backlog and the Committee may be informed after taking action on this recommendation.</p>

HARYANA STATE ELECTRICITY BOARD

Recommendation of the Committee	Action taken by the Government	Further observation of the Committee
1	2	3
<p>Class-II posts</p> <p>From the perusal of the material supplied by the Board, the overall representation of Scheduled Castes in Class-III posts was 12.36% in 1984-85, 12.67% in 1985-86 and 12.71% in the year 1986-87. But it has been noticed that out of 21427 categories of posts representation in 2653 categories of posts is very low. Some of such categories of posts are mentioned in the succeeding paragraphs together with the recommendation/observation of the Committee. As per the latest written reply of the Board, out of 32923 sanctioned posts of Class-III as on 31st March, 1987, 30706 posts were filled up. The quota meant for Scheduled Castes comes to 6121, whereas only 3905 posts had been filled up from amongst the Scheduled Castes candidates. Thus there was a shortfall of 2216 Scheduled Castes candidates in the Board.</p>	<p>(i) As already stated in the Board's reply to the 16th report as well as supplementary note on the replies of observations raised by the committee on the welfare of Scheduled Castes of Haryana on 4-12-91, the reason for shortfall in the Class-III posts (Technical & Non Technical) is that the eligible Scheduled Caste Employees are not available in the lower cadre for further promotion to the upper cadre posts. Keeping in view of the above facts, the Board has overhauled recruitment & promotion policy in respect of Class-III (Technical & Non technical posts) thereby increasing the quota of direct recruitment in upper cadre posts as well as initial posts so as to provide more entry of the candidates belonging to SC communities in such cadre posts. This step of the Board will help in minimising the shortfall/backlog of SC candidates in higher/initial (technical/Non technical) Class-III cadre posts. The revised recruitment & promotion policy of the Board in this regard is as under .—</p>	<p>The Committee was assured during the course of oral examination of the representatives of the Government and Board that sincere efforts would be made to wipe off the backlog against existing vacancies as and when the ban on recruitment would be lifted.</p>

	1	2	3
The Committee hope that the Board will take some positive steps in the near future to recoup the shortfall/backlog in Class-III posts and inform them accordingly.

(iii) Sincere efforts will be made to wipe off the backlog of SC employees at the time of selection.

(iv) There is shortfall of 27 Nos. candidates in the cadre of Revenue Divisional Accountant. As already stated in the Board's reply to the 16th report, the main reason for shortfall in this cadre post is that all the posts of Divnl. Accountant have been filled up from amongst departmental employees who had qualified the prescribed departmental Accounts Examination.

It is also mentioned here that despite arranging 4 week's training by the Board on the recommendation of the committee to the employees belonging to SC communities working in the Board, not a single employee belonging to SC communities has passed the said examination so far.

Keeping in view of the above position, the Board has also amended its Recruitment & Promotion Policy in respect of Divnl. Accountant (as stated above in para-1(i)) according to which 50% posts of Divisional Accountant will be filled up by direct recruitment thereby providing more avenue/entry of the SC and other reserved categories in the Accounts Cadre. However, the issue of filling in 21 posts of Divnl. Accountant through Advertisement/or otherwise is in process of finalization and suitable action in this matter is expected very shortly.

quota meant for Scheduled Castes Candidates comes to 359, where as only 92 postes have been filled up from amongst the Scheduled Castes Candidates. The reasons for the shortfall as stated by the Department Board were that there is general ban on fresh recruitment and also qualified persons were not available in the required strength.

The Committee are unhappy to note the low representation of Scheduled Castes employees on these postes and recommend that some positive steps to be taken by the Board to ensure due representation of Scheduled Castes on the post.

Storekeepers | The Department in its latest written reply stated that 34 posts of Store-keepers have been filled up, out of which the quota of Scheduled Castes candidates come to 7, whereas only 2 posts have been filled up from amongst the Scheduled castes candidates. Thus, there is a shortfall of Scheduled Castes persons.

The Committee are very much pained to mention the representation of Scheduled Castes candidates on that posts of Store-keepers is very low deposite the fact that there is no dearth of candidates for this category of this posts. The Committee recommend that special efforts be made to increase their intake in this service within six months.

(iv) It is assured that sincere efforts would be made by the Board to wipe off the backlog against existing vacancies as and when the post of UDCs are advertised and selection made.

As already stated in the Board's reply to the 16th report as well as supplementary note, the posts of Store Keeper are filled up by promotion from amongst the Asstt Store Keeper who have passed the prescribed departmental Accounts Examination. There is no direct recruitment for this cadre.

ii) There was a shortfall of 6 Nos. SC candidates as on 31-3-91 in the cadre of Store Keepers. Thereafter 13 posts of Store Keepers have been filled from 1-4-91 to 30-6-92 out of which 9 posts (i.e. previous shortfall 6+3 due representation) go to the share of SC categories but only 3 posts have been filled up with the eligible personal of SC categories and thus the previous shortfall of 6 Nos. could not be recouped.

iii) Keeping in view of the above backlog, it is mentioned here that necessary instructions have been issued to the CE/Commercial of the Board vide memo. No. Ch. 136/SC/BC/W-179 dt. 23-10-92 to consider promotion of Asstt. Store Keepers belonging to the SC

communities to the post of Store Keeper as and when they become eligible, on priority basis and recoup the shortfall at once

The reasons for the shortfall of 238 posts as stated by the Department/Board were that there is a ban on fresh recruitment for the last seven years and shortfall can only be removed after the ban is lifted.

The Committee observe that the period to carry forward the reserved vacancies should be allowed to continue as long as the posts remain vacant.

As already stated vide supplementary note in the Board's reply there was a shortfall/backlog of 143 Nos SC candidates in the cadre of LDC as on 30-9-91 keeping in view of the above shortfall and further recommendations of the committee, the Board lifted the ban of direct recruitment and advertised 199 posts of LDCs, out of which 180 Posts (i.e. previous shortfall 143 + 37 due share ~~quotient~~) have been reserved for the candidates belonging to the SC community as per standing instructions of Reservation policy. Thereafter 70 posts of LDCs were filled up from 1-10-91 to 30-6-92, out of which 16 posts go to the share of SC communities but 5 posts have been filled up from amongst the candidates belonging to SC communities and thus the shortfall as on 30-6-92 comes to 154 posts as per Annexure 'B'. In fact the interviews against these posts are going on and selection is expected shortly.

It is assured that sincere efforts will be made to wipe off the existing backlog of SC's at the time of selection in the Cadre of L.D.Cs.

The Committee after orally examining the departmental representatives, have come to the conclusion that the position with regard to the representation of Scheduled Castes in various Groups of services require review as the Government could not convince the Committee, which is also apparent from the fact that the Government revised the whole reply to the questionnaire, which involved a lot of labour and burden on the State exchequer. The representations were made by the employees in the year 1980 in this regard. The Committee was sorry to note the affairs of

the department at the Government level when it was told that the file containing the papers on the subject is missing for the last more than a decade and for rendering justice to the Scheduled Castes employees so affected will have to be reconstructed. The Committee took a very dim view and observed that the cuttings appeared to have been made with ulterior motives just to put the employees of reserved categories in poor condition. The Committee, therefore, recommend that the Chief Secretary may go through the whole case personally and the facts after proper enquiry and fixing the responsibility for the lapse alongwith the steps to be taken to promote the

In this connection, proposals received from the EIC are under active consideration of the Government in consultation with Technical Education Deptt. and Social Welfare Deptt. and the feasibility of arranging special Coaching Classes is being examined.

mation as to when the requisition was sent to Subordinate Services Selection Board, Haryana the date of recommendations by the Subordinate Services Selection Board, Haryana and the date of their appointments alongwith the number of Scheduled Casts and Backward Classes candidates appointed, be intimated to the Committee.

De-Reservation of Posts

The Committee observed that the posts in the Department have not been de-reserved after properly implementing the Government instructions. The Committee therefore, recommend that this process may be reviewed with information to the Committee.

There is no change in respect of Group 'A' and Group 'B' Civil. The position has been explained in the reply against para "Cadre wise Position of Employees' representation of Scheduled Castes."

The Committee is not satisfied with the reply submitted by the Government and would like the reply to their original recommendation.

Relaxation

The Government informed the Committee that the qualifications already prescribed for the technical posts are the barest minimum so as to guard against any serious mishap that may arise due to want of adequate knowledge or expertise. Therefore, no further relaxation can be considered. But at the time of oral

examination, the departmental representative informed that although there is a provision for relaxation of qualifications yet there is no provision for the relaxation in experience.

The Committee wanted to have some information on various other points in this regard which was promised to be sent. However, the Committee is sorry to point out that till the finalization of the report, the desired information was not supplied. The Committee, therefore, recommend that in order to enable the Scheduled Castes persons to get the technical posts, the training may be imparted to the students of final year of Engineering Colleges so that they could be recruited by the Haryana Public Service Commission.

It was informed to the Committee by way of written reply that the roster registers are being maintained as per Government policy. The Committee desired to see the roster registers and looked to a few of them which were not found to have been prepared in accordance with the Government instructions although the department was imparting training through the Haryana Institute of Public Administration in consultation with the Directorate of Welfare of Scheduled Castes and Backward Classes. Besides, the department failed to produce the roster registers pertaining to the field staff. However the registers shown to the

Roster registers are already maintained as per Government instructions issued from time to time which have also been checked by a representative of Social Welfare Department Haryana. Therefore, no further action is required.

The Committee would like to have a detailed reply to their original recommendation.

Committee do not contain summary at the end of recruitment year nor these are signed by the Liaison Officer appointed by the Department. The Committee has recommended to the Chief Secretary under the heading "General Recommendations" to look into this aspect. A few of the instances of irregularity found in the registers are as under :—

(i) **Circle Supdt. (Civil) :**

The Committee have observed that this post has been shown as a promotional post in the register but could not be checked in the absence of gradation list/rules/instructions in this regard. It has also been observed that the Scheduled Castes employees should have been given post at Sr. No. 18 and 24, whereas it has been indicated at Sr. No. 19 and 26 without recording any reasons which is in contravention of the directions issued by the Government. The Committee may be informed details about this irregularity.

(ii) **S.D.E.**

The Committee have observed that—

- (i) **It is not clear from the register as**

to which post is a promotional post and which one is to be filled up by direct recruitment, nor summary has been recorded at the end of the requirement year;

- (ii) the Liason Officer or the official who is maintaining the register, has also not signed it ;
- (iii) there should be indication the words "Liason Officer" below the rubber stamp of "Director, Research and Design".
- (iv) the register show that against Sr. No. 4 on 23rd February, 1983, it has been indicated that no Scheduled Castes candidate is available whereas on 24th February 1983, Shri B.S. Dahiya has been adjusted at Sr. No. 32. It obviously appears to be an error.

The Committee would like to have full details.

Organisational/Administrative set-up revised reply	The Government sent the reply to the questionnaire vide latter dated 19th October, 1990. the Committee with the Department of oral examination. As observed in one of the preceding paragraphs, the Committee found that the revised replies were not factually correct. Besides, the Chairman asked the Commissioner who further asked the Director, Research and Design, to prepare a chart of the administrative set up of the Department for supplying the same to the Committee. The Director, Research and Design, badly failed in his duty not only to this extent but the Committee feels that he is only the negligent officer who is responsible for not implementing the Government instructions with regard to the representation of Scheduled Castes in the Department because twice information was supplied, but the same was not up-to the mark. Such officers of the Department bring a bad name to the department especially when the Head of the Department i.e. the Engineer-in-Chief, is an ignorant officer. The Committee, therefore, recommend that action should be initiated against the erring officer for non-compliance.

The Committee recommend
Complaints that the Department should
maintain a register which
should contain entry with regard to every
complaint received from Scheduled Castes
and Backward Classes Employees. The

No specific complaint has been received.

The Committee would like to know the nature of complaints

Liaison Officer should be made responsible to look into such complaints.

Filling up of Vacant Posts
The Committee recommend that steps should be taken to fill up the vacant posts at the earliest under Intimation to the Committee.

The department gave information by way of written reply about the posts lying vacant in the department.

Besides the above figures, the Department gave the following figures about Group 'A' & 'B' posts which are of technical nature.—

It will be seen from the above figures that no representation has been given to the Scheduled Castes in Group 'A' and 'B' posts which existed prior to the enforcement of reservation policy from 9th February, 1979 to 31st March, 1991.

The Committee, therefore, recommend that the Haryana State Co-operative Supply and Marketing Federation Limited should give the representation to the Scheduled Castes by implementing the Government Policy atleast while the posts are filled up by direct recruitment as per the provisions of the Service Rule of the Federation.

Filling up of Vacancies during the course of oral examination agreed with the contention of the Committee that there is shortfall in the various categories of posts. The Committee therefore, recommend that the Haryana State Cooperative Supply and Marketing Federation Limited should make such arrangements that these vacancies are filled up by appointing/promoting persons belonging to reserved categories. The Committee would like to know the action taken in this regard.	Group-I Dy. Manager/ Distt. Manager 27 22 1 1	There is a back-log of one Dy. Manager in this category. Promotional Avenues

The Committee have observed after perusing the Common Cadre Service Rules, 1988 of the Haryana State Cooperative Supply and Marketing Federation Limited that there are a number of categories for which no promotional avenues exists either for the reserved categories or general categories As per the Government instructions issued from time to time and the courts rulings, it has been settled that if a person at the time of promotion does not possess the qualification prescribed for direct recruits but possess sufficient experience, he can be considered for promotion provided the mode of filling up the required posts is by promotion also.

The Committee, therefore, is of the view that Government should look into the Service Rules and create promotional avenues for the employees already

working in the Haryana State Cooperative Supply and Marketing Federation Limited so that they can also be promoted with lesser qualifications/experience than that of a direct recruit. The Committee may also be informed about the action taken in this regard.

Abolition of Posts

During the course of oral examination, the departmental representatives informed that the Government have issued orders to abolish the posts which are lying un-filled for the last three years. It was also informed that the matter is under consideration and it is being worked out as to how many posts will be covered under the above order. The Committee recommend that to recoup the backlog the above referred order may not be implemented so far it relates to recouping the shortfall.

Since these posts are lying vacant for the last over three years and those have not been filled up, in case these are abolished, there will be no short-fall in the S. C. categories and as such the question of abolition of the posts relating to back-log of S. C. categories does not arise

✓ **Advertisements of Posts**
It was informed to the Committee during the course of oral examination that the vacant posts were advertised during the last three years. But, because of non-availability of suitable persons, the posts are still lying vacant. The Committee recommend that such posts may be re-advertised under intimation to the Committee.

The Committee would like to know the latest position.

8 Vacancies of steno-typists are lying vacant. Some of the posts reserved for SC category were advertised, but no suitable candidate could qualify the test. In the meantime, the Haryana Govt. had modified the qualifications for some posts including steno-typists according to which a steno typist has to pass the short-hand/type test in both languages i.e. Hindi and English. Necessary amendment is being made in Hafed's C.C.

Rules, 1988. After that these vacancies will be advertised and short-fall will be completed.

INSPECTOR (QUALITY CONTROL)

7 posts which include 2 posts of SC category of Inspector (Quality Control) were advertised in March, 92 Selection has been made final. The posts of F.I (Jr.) have been advertised. However, the mode of recruitment has been changed. These posts are now to be filled up from among the suitable clerks during 1992. 13 posts of F.I (Jr.) were filled up out of which only one clerk of S.C category was promoted as F.I. (Jr.)

ACCOUNTANT 'C' GRADE

62 posts of Accountant 'C' grade were advertised in Nov 90. The recruitment of Accountant 'C' grade is under consideration

During the course of oral examination, it was informed by the departmental representatives that there is no provision for the Cooption of Scheduled Caste Members although there exists a Cooption system at the State level as well as district level. Of course, there is a provision to nominate Scheduled Caste Member in the Primary Societies. The Committee, therefore, recommend that provision for the Cooption of Scheduled Caste Members, may be made under intimation to the Committee.

10 posts of Sr Scale Stenographers are sanctioned. These posts were filled up by promotion from amongst the steno-typists who had qualified the promotional test. Since no candidate belonging to S.C category could qualify the promotional test, two posts out of 10 posts meant for S.C category, were filled from the general category candidates, who had qualified the promotional test. This was done because hafed is a Commercial Organisation and these posts could not be kept vacant for an indefinite period for want of qualified S.C category candidates. The short-fall will be completed on the availability of vacancies.

Maintenance of Roster Register
During the term of the Committee, the committee noticed that inspite of the instructions issued by the Chief Secretary to Government, Haryana there are still many Departments left who are not maintaining roster registers as per the instructions inspite of the fact that they have been imparted training by the Haryana Institute of Public Administration in consultation with the Director, Welfare of Scheduled Castes and Backward Classes Departments.
