GENERAL RECOMMENDATION

During the year 1998 99 the Committee observed that neither the Government nor its Departments/autonomous bodies sent the information required by the Committee inspite of reminders issued by the Haryana Vidhan Sabha Secretariat in time with the result that the work of the Committee was paralysed and the Committee could not perform the assigned job The Committee observed that the Chief Secretary to Government Haryana have already issued instructions to all Departments on the subject which have not been adhered to by various Departments of the Government. In view of the position as given in the case of various Departments/autonomous bodies the Committee took a serious view of the lapse on the part of representatives of the Government/Departments/autonomous bodies for not supplying the required information for months together and recommend that the Chief Secretary to Govt Haryana may take up the matter with the concerned Administrative Secretaries and inform the Committee of the action taken

IMPLEMENTATION OF RECOMMENDATIONS/OBSERVATIONS AS CONTAINED IN THE 23RD REPORT

The Committee scrutinised the replies submitted by the Government and action taken on the recommendations/observations of the Committee as contained in its 23rd report. The Committee also orally examined the representatives of the Government/concerned Departments/autonomous bodies for not expediting the required information with regard to the action taken on the recommendations of the Committee.

The recommendations/observations, which are still outstanding, are shown on the following pages alongwith further observations of the Committee for implementation

Cadrewise number of posts and repre- sentation of Sched- uled Castes	<p>The department supplied lists/ cadrewise position of all the posts as on 9/12/1979 and on 31st March 1994. Besides it the Department also supplied a statement showing the position regarding representation of Scheduled Castes in Group A, B, C and D services as it stood on 9/12/1979 and on 31/3/1994.</p>
---	--

The Committee recommend that various posts in different Groups be filled up in such a way so that the rights of the Scheduled Castes be preserved in accordance with the instructions issued by the Government in this behalf. The Committee further recommend that short fall in various groups may be cleared at the earliest by taking special steps and the Committee be informed about the steps taken in this regard.

The Committee would like to know the latest position about the re coupling of the shortfall within a period of 2 months. The Committee would further like to know the latest position with regard to the action taken against erring officials under Rule 8 of Punjab CSR Volume I Part 1. The Committee would also like to have a copy of the instructions dated 13th July 1998 issued by the Government and promised to be supplied by the representative of the Government.

Thus there remains shortfall of 108 posts in different categories of posts.

It is mentioned here that in respect of all the posts wherein shortfall has been shown deputise seniority is maintained. Rather these posts are also filled deputise on the basis of fleet strength. Therefore calculation of shortfall should have been worked out deputise

Whereas the existing shortfall has been worked out on the total posts in Haryana Roadways. Even then instructions have been issued repeatedly to the field offices to ensure that while making appointment by promotion in these particular categories it may be ensured that first backlog is cleared by appointing/promoting candidates from the SC/ST categories. Virtually there have been no increase in fleet strength of Haryana Roadways for the last six years whereas in the depots posts are created on the basis of prescribed norms against fleet strength. In thus situation the backlog has been cleared against the vacancies which became available as a result of retirements/deaths of the employees. Besides earlier there was complete ban on recruitment. Now the above backlog has been cleared after lifting the ban on recruitment. However all out efforts will be made to clear the remaining shortfall on the availability of vacancies in future.

During the course of oral examination it was pointed out that in the absence of service Rule for Group D how the Department was regulating the services of Group D employees. The Departmental representatives admitted that there must be Service Rules for all category of classes. But in

Non framing of Service Rules for Group 'C' and 'D'

The Committee would like to have a copy of Service Rules of Group C and Group D employees as

7

D The Draft Service Rules of Group D employees were received back from the Administrative Deptt vide their letter dated 16.12.97 for re typing after making necessary corrections as per observations of the Law Deptt. The said Draft Service Rules were first sent back to Administrative Deptt on 8.1.98 and

The absence of these Rules the Department is functioning on the basis of Model Rules. So far as the finalization of the Rules with regard to group C employees are concerned they had finalized them and these would be put up before the Cabinet on the 17th November 1994 and after the approval of the Cabinet these would be notified within one month. So far as the finalization of Rules for Group D' employees are concerned these would take sometime. It was stated that they are working on the said rules and assured the Committee that these would be notified within two or three months.

The Committee feel that these Rules should have been framed/finalised much earlier as non framing of Rules create lot of problem to employees and create many hurdles in the smooth functioning of the Department. The Committee strongly recommend that the Rules for Group C and D be finalized at the earliest and a copy each of them be supplied to the Committee for their information and scrutiny.

Non observation of Instructions
The Committee feels that the instructions issued by State Government in regard to recruitment of adhoc and daily wages are not being observed properly by the Department and reservation quota is not kept in view while making such recruitments.

The Committee therefore strongly recommend that the instructions issued by the Government in this regard should be strictly followed and stern action be taken against the Officers for non observance of these instructions.

again on 6.2.98 after making necessary corrections. Now these Service Rules have been approved by the Council of Ministers and have been sent to the Legal Remembrancer Haryana for publication. A copy of these Service Rules shall be provided when these are published. However Group C Service Rules of the Transport Commissioner office have been notified on 22.1.1998.

7
The Committee would like to know the latest position within 2 months
There has been no recruitment on adhoc basis or on daily wages basis because of ban on recruitment. Therefore question does not arise to defy the Govt Instructions regarding posts reserved for the candidates of SC/ST. However instructions have been reiterated on 13.7.98 asking the field offices to ensure that Govt instructions in the cases of recruited quota while making adhoc appointments/daily wages appointments should be followed in letter and spirit.

1	2	3
Relaxation of experience in the matter of promotion for Scheduled Castes	<p>In their written reply the Department stated that no relaxation in academic qualifications and experience is being given to Scheduled Castes in promotion cases.</p> <p>The Committee feel that in case of technical posts relaxation in academic qualifications and experience is neither desirable nor feasible. However such relaxation especially in experience for non technical posts is possible so that backlog of reservation quota be wiped off expeditiously.</p>	<p>Service Rules of Group C employees have been notified wherein the provision of relaxation in qualifications has been made. The Draft Service Rules of Group D category of the Dep't which are pending for publication also contain the same provision.</p> <p>The effect of implementation of Group C and Group D rules may be intimated to the Committee.</p>

Promotion Prospects through the written reply and the statement furnished by the department indicating number of posts held by the Scheduled Castes employees. The position shown in the statement relates to the period ending 30.9.1986. The Committee feel that no sincere efforts have been made to open promotion prospects for Scheduled Castes employees. The Committee would therefore like to know the latest position in the case and like to know as to whether the question of granting relaxation in the experience condition for members of Scheduled Castes Backward Classes Ex servicemen and Handicapped candidates was considered by the Department if not the reasons thereof.

- (i) Whether the Class III posts reserved for members of the Scheduled Castes and which are being vacant at present would be filled up only on creation of extra vacancies or whether the Bank would fill up the vacancies reserved for members of the Scheduled Castes on lifting of ban on recruitments?

- (ii) What is the position of vacancies that are arising on account of retirement/deathly/promotion of Class III employees?

The Committee have gone previously there was a shortfall of 21 vacancies of Scheduled Castes & Scheduled Tribes categories in Class III as detailed below

Accountant	2
Jr Accountant	4
Clerks	14

	21

As decided in the last meeting of the Vidhan Sabha Committee held on 13.8.97 the Bank has since filled up two posts each of Acctt. & Clerk and one post of Steno typist for which the vacancies were available with the Bank. Besides this one Peon Sh. Jai Singh of S.C. category has again been allowed to join as Clerk in view of Hon'ble High Court's decision dated 20.3.98. By filling up these posts the shortfall has been reduced to 11 as under:

The shortfall in the category of Jr. Acctt. as shown three above is as per Roaster Register

duly checked up by the Deptt of Welfare of Scheduled Castes & Backward Classes Haryana Besides filling up the available posts the Bank has also requested RCS/State Govt to create additional posts for general business of the Bank as well as to make good shortfall of reserve categories as per detail given below

2	Clerks	10	13	23

Since presentlv there is no vacancy of Jr Acctt and Clerk in the Bank the shortfall of above categories could not be made good However it is mentioned that as soon as the additional posts are received the shortfall of these categories will also be made good

THE HARYANA STATE CO-OPERATIVE LAND DEVELOPMENT BANK LTD, CHANDIGARH

Position of Scheduled Castes in Co-operative Institutions

The Committee recommended that the Chief Secretary to Govt Haryana may look into the matter and direct the Co-operation Department to make up the reservation quota in all the Institutions/Board working under Department and desire that action taken in this behalf be intimated to the Committee at the earliest togetherwith the number of posts filled from the persons belonging to Scheduled Castes from 1 + 1984 to date which did not come under the ban imposed by the Government

For not making up the short fall State Govt has issued charge sheet to Sh N K Sharma the then Managing Director HSLDB levelling one of the charge of non Advertising posts for filling up the shortfall of reserved vacancies vide memo No 3993 C 1 96/17/018 dated 22 7 96 The Enquiry Officer Vigilance has been appointed as Enquiry Officer by State Govt vide endst No 2286 1-98/2901 dated 12 2 98 The action in this regards is to be taken by State Govt after the enquiry is completed

The Committee noted with concern the shortfall in Class III posts which is stated to be as much as 84 vacancies

On perusal of the reply it seems that the Managing Director of the Bank had wrongfully filled up posts meant for members of Scheduled Castes by appointing general quota candidates If that is the position would the Bank remove after granting due opportunity those members of the general category who have been appointed against the posts meant for members of the Scheduled Castes Thus Committee is prima facie of the opinion that position of those Class III employees who have been appointed against reserved quota is that of usurper of public office

The Bank should explain its position in writing to this Committee within a period of two weeks from the receipt of copy of these observations

The Committee observed that the result of the inquiry which was to be completed within a period of 4 months was not informed to the Committee till the framing of thus report The Committee therefore recommend that the result of the inquiry may be communicated to the Committee within one month of the presentation of thus Report

11

The Committee would also like to know the result of the LPA which was heard on 11th May 1998 in the case of 15 appointments made in May 1996

The Committee who has not supplied the information as promised by him In this connection it is submitted that the unconfirmed proceedings of the Committee meeting dated 13 8 97 was received in this office on 8 12 97 in which the Hon'ble Member Sh Dillu Ram MLA raised the question which was replied by this institution vide letter No EA/HDB/148675 dated 11 12 97 that 12 appointment letters were issued to the SC category persons for the post of Land Valuation Officer Sh Mahesh Kumar S/o Sh Dila Ram R/O V&PO Kanthal District Kathal whose name was at Sr No 1 at the Selection List did not join upto 14th May 1996 The Bank

had received orders from R C S Haryana Chandigarh on 14.5.96 for not allowing the candidates to join the duties

It is also brought to the notice of Committee that LPA filed in the Hon'ble High Court against the judgement order dated 8.4.97 is still pending. However it is assured that in future whenever any direct recruitment is made the shortfall of Scheduled Caste categories will be made up

Recommendations of the Committee	Action taken by the Government	Further observation of the Committee
1	2	3
<p>The Committee has perused with serious concern and anguish the cursory nature of information supplied by the Federation with regard to backlog of Scheduled Castes vacancies as also the reasons for shortfall. The Committee noted with concern the backlog of 47 Scheduled Castes vacancies in Class III posts and 33 vacancies meant for Scheduled Castes in Class IV posts. The Committee has also noted with concern the reasoning given for shortfall of vacancies. The first reason given by the Federation is that on account of regularisation of daily wages staff in 1979-80 vacancies meant for Scheduled Castes were filled from amongst the general category candidates. This Committee is of the opinion that regularisation policy instructions issued by the State Govt of Haryana from time to time did not permit the Federation for filling up the vacancies meant for members of the Scheduled Castes from amongst the general category candidates. Therefore this reason seems <i>prima facie</i> non feasible to us.</p> <p>Another reason given is that most of the posts of different categories were filled in by promotion of the existing staff. We fail to understand the reasoning as there is no cadre below the Class IV cadre out of which promotions could be made. In any eventuality rules of reservation had to be followed while making promotions and could never be given gone by.</p>	<p>We have already made a reference to the Chief Secretary to Govt Haryana for initiating disciplinary action against those officers who have caused the backlog of Scheduled Castes while working in this Federation on deputation from the State Govt vide letter No Estt/A 2/ Information 3 A/97/4236 dt 20.10.97. In so far as the disciplinary action against the officials of the Federation are concerned we have already called for their explanation which have not been found satisfactory. The chargesheets are therefore, under issue.</p>	<p>In so far as implementation of the decision for dispensing with the services of these employees who have been regularised against the reserved category of Schedule Castes it is submitted that in case we proceed in the matter as per decision it is just possible that people may move to the court and get the matter stayed. In that event the real cause of the weaker section of the Society may suffer. However Federation has already recruited 3 Drivers belonging to Scheduled Castes and another proposal for recruiting about 20 Scheduled</p>

1	2	3
<p>Third reasoning given by the Federation is that some vacancies were filled up on compassionate grounds as per State Government instructions issued by the State Government for making compassionate appointment now here provide that vacancies meant for members of the Scheduled Castes are to be utilised for giving compensation appointments. Similarly this Committee is of the opinion that recommendations of any authority/body including the National Dairy Development Board could not be a justification for giving appointment to a candidate without the candidate having gone through the selection procedure</p> <p>The Committee has noted with serious concern the cursory nature of reply. The Committee would like to fix the responsibility</p>	<p>Castes in Class III is in the pipe line. With the proposed recruitment it is likely that we may be able to clear the backlog of 23.24 Scheduled Castes in Class III alone out of the total backlog of 47. For clearing the remaining backlog in class III the Federation is placing proposals before the Board of Directors for getting additional posts created and as soon as those are created the entire backlog in Class III will be cleared. Similarly in Class IV there is a backlog of 33 out of which proposal for clearing 3 Scheduled Castes in the category of Lab Attendants has already been submitted. At the same time we will be filling up higher posts by selection out of the categories of Helpers/Darv men and in doing so some posts in Class IV will become available. In addition certain posts of Class IV employees will become available because of the additional requirement of staff. In this way we are expecting that backlog in Class IV will also be cleared very shortly.</p>	<p>Under the circumstances it is requested that Federation may be given time of one year to clear the backlog and the progress in this regard may be reviewed periodically.</p>

- the rates for supplying free stationery for the students belonging to Scheduled Castes may also be enhanced in view of the high prices. The Committee also recommend that the Finance Deptt of Haryana Govt may be requested to place sufficient funds at the disposal of the Department for these purposes. The Committee observed that the rates for pre matric scholarship for the children whose parents are engaged in unclean occupation are very low. The Committee therefore recommend that the matter may be taken up with the Govt of India for enhancing these rates under intimation to the Committee.
- Raw Foodgrains (Wheat and Rice) @ 3kg per child per month are being given to children studying in primary classes for 10 months in a year under the Mid-day Meal Scheme

National Literacy have been covered under the World Bank Assisted Project District Primary Education Programmatic (DPEP)"which aims at the cent percent enrolment of children in the age group of 6-11 years especially girls belonging to Scheduled Castes

As a result of the above steps taken by the Government the number of school going children belonging to Scheduled Castes in the age group of 6-11 years has increased by 57340 as is evident from the table given below

Therefore the Committee recommend that the Chief Secretary to Government Haryana may take up the matter with the D P Is Schools and Higher Education to investigate in to the working of the service safe guard as also the nature of the representations received from the persons belonging to Scheduled Castes so that a positive impact on the implementation of the reservation policy be emphasised and the problems of the Scheduled Castes employees in the Education Department could receive immediate attention

The Committee recommend that the efforts may be made to fill up the vacant posts at the earliest under intimation to the Committee

POSITION OF SHORTFALL IN RESPECT OF STATE CADRE STAFF

According to the position of shortfall submitted before the Committee in its meeting held on 23.12.1997 there was a shortfall of 12 posts. Now the shortfall has increased by 2 in

² the case of Secretary Municipal Council/ Committee The reasons of this increase is the non availability of eligible Scheduled Castes candidates as the departmental case under rule 7 are pending against two such officials Total information showing the category wise shortfall and reasons thereof is annexed at Annexure A

**POSITION OF SHORTFALL IN RESPECT OF
DISTRICT CADRE STAFF**

At the time of last review meeting on 23.12.97 there was a shortfall of 53 in various categories of posts. Now this shortfall has unfortunately increased to 82. The reasons of this increase is that the municipal employees were on strike from 16.12.96 to 4.3.97 and on the instructions of the Government the Deputy Commissioner had to appoint staff needed urgently to run the affairs of municipalities. Since thus staff was appointed at a very short notice the roster had not been kept in view. The Government had also decided to absorb the employees recruited during the strike and their adjustment of surplus staff on available posts have been made during last 3 + months period. Virtually no appointments have been made after 24.12.97. The concerned Deputy Commissioners have been asked to explain the reason why

the shortfall increased vide memo no 3A 98/
Sp1 dated 7/12/98

All out efforts will be made to get the shortfall completed at the earliest by making special recruitments of Scheduled Castes Categories against the posts now vacant or likely to fall vacant in near future

HARYANA STATE ELECTRICITY BOARD

Recommendations of the Committee	Action taken by the Government	Further observation of the Committee
1	2	3

Class III Posts From the perusal of the material supplied by the Board the overall representation of Scheduled Castes in Class-III posts was 12.36% in 1984-85, 12.67% in 1985-86 and 12.71% in year 1986-87. But it has been noticed that out of 21427 categories of Posts representation in 2653 categories of posts is very low. Some of such categories of posts are mentioned in the succeeding paragraphs together with the recommendation/observation of the Committee. As per the latest written reply of the Board out of 32929 sanctioned posts of Class III as on 31st March 1987 30706 posts were filled up. The quota meant for Scheduled Castes comes to 6121 whereas only 2905 posts had been filled up from amongst the Scheduled Castes candidates. Thus there was a shortfall of 2216 Scheduled Castes candidates in the Board.

The Committee was assured during the course of oral examination of the representative of the Government and Board that sincere efforts would be made to wipe off the backlog against existing vacancies as and when the ban on recruitment would be lifted.

The Committee hope that the Board will take some positive steps in the near future to recoup the shortfall backlog in Class III posts and inform them accordingly.

In this context it is stated that the matter in respect of lifting of ban for certain categories is to be examined by the Board in the light of emerging requirements and the proposed restructuring of the Board. So far as the question of shortfall in respect of SC candidates in Class III posts is concerned the same is existing from the very beginning as per Annexure A. This is due to the fact that eligible SC candidates were not available in lower cadre posts for promotion to the next posts and also at the time when fresh appointments were made in 1992-93. In order to wipe off the backlog of SC candidates the Board over hauled the Recruitment & Promotion Policy of Class III employees (Technical & Non Technical posts) as under:

Sr No	Category of Post	Previous Recti and Promotion made in Recrt & Promotion Policy	Amendment

This step of the Board helped in minimising the shortfall of SC/ST candidates to some extent in Class III posts

As desired by the Committee the latest position as on 31.12.97 in respect of Class III posts is given as under -

1 Cadre Strength	=	41323
2 Working position is on	=	35596
31.12.1997		
3 Due Representation i.e =		7119
20% meant for SC employees (Out of Col 2)		

4	Total representation of SC employees as on 31.12.97 (Out of Col 3)	=	5343
5	Less representation of SC employees (Col 3-4)	=	1776
6	%age of SC employees in Class-III	=	15%
7	Less representation (in %age)	=	5%

It is further pointed out that in the following categories the posts are filled up by way of promotion from lower cadre posts who qualify Deptt Accounts Examination/Ministerial A/cs Examination but due to non availability of qualified SC/ST Employees their shortfall could not be filled up -

- (i) Ass'tt Store Keeper
- (ii) Store Keep. r
- (iii) Upper Divn. Clerk
- (iv) Divn'l Accountant

In order to wipe off the backlog of SC/ST candidates Board had arranged a speical training of six weeks duration for accounts examination on the direction of the Committee by giving vast publicity among its employees Details are given below Despite these efforts SC/ST candidates in sufficient Nos could not

3

pass the Departmental Accounts Examination
The position with regard to accounts training
and examination is given as under -

	Ministral Accounts	Divisional Accounts
1 Nos of SC/ST candi dates who applied for accounts training	37	—
2 Nos of SC/ST candi dates who attended the accounts training	23	—
3 Nos of candidates who appeared in exam	400	76
4 Nos of SC candidates who appeared in exam (Out of Col 3 above)	58	7
5 Nos of SC candidates who qualified the exam	6	1

From the above position it is evident that
the Board is making best efforts to minimise the
backlog of SC/ST candidates in Class III posts

UDCs

The Board has stated in its latest written reply that 1796 posts of UDCs are in position. The quota meant for Scheduled Castes Candidates comes to 359 whereas only 92 posts have been filled up from amongst the Scheduled Castes Candidates. The reasons for the short fall as stated by the Department/Board were that there is general ban on fresh recruitment and also qualified persons were not available in required strength.

The Committee is unhappy to note the low representation of Scheduled Castes employees on these posts and recommend that some positive steps be taken by the Board to ensure due representation of Scheduled Castes on the posts.

As per Recruitment and Promotion Policy of the Board the posts of UDC are filled up in the following manners –

- (i) 25% posts are filled up by way of direct recruitment.
- (ii) 75% by promotion from the cadre of LDC on qualifying Departmental Ministerial Accounts Examination.

It is evident from the above data that 75% of the posts of UDCs are filled up by way of promotion from amongst the LDCs who qualify the prescribed Departmental Accounts Examination meant for Ministerial Estt. But it is generally seen that the candidates belonging to SC/ST communities are not interested in qualifying the said Examination despite providing training/Refresher Courses to them.

Further reason of backlog of SC candidates is due to ban on direct recruitments. When the ban was lifted by the Board vide Memo dt 29/10/91 150 posts of UDC were advertised for filling up the same from open market. But in the mean time the Board again imposed the ban on direct recruitment vide memo No Ch 94/CRA/G 3/I/Vol II dt 23/94 as such the recruitment in this category could not be finalised. At present the overall representation of SC/ST candidates

The Committee would like to know the latest position and the efforts made by the Board within 3 months

In the cadre of UDC as under -		
1	Sanctioned Strength	1795 Nos

3	Due representation of SC/ST candidates i.e 20% (Out of col 2)	287
4	Overall representation (Out of col 2)	47 "
5	Vacancy position	360 "
It is assured that the shortfall of SC/ST candidates in the cadre of UDC will be wiped off as and when the qualified LDCs are available for promotion and who applied against advertised posts from the existing vacancies on lifting of the ban on direct recruitment		

Store Keeper The Department in its latest written reply stated that 34 posts of Store Keepers have been filled up out of which the quota of Scheduled Castes candidates come to 7 whereas only 2 posts have been filled up from amongst the Scheduled Castes Candidates thus there is a shortfall of Scheduled Caste persons

The Committee are very much pained to mention the representation of Scheduled Caste candidates on these posts of Store Keepers is very low despite of the fact that there is no dearth of candidates for the category of this post. The Committee recommended that special efforts be made to increase their intake in this service within six months

As stated in the earlier reply of the Board the post of Store Keeper is filled up by way of promotion from amongst the Asstt Store Keepers who pass the prescribed Departmental Accounts Examination and having 4 years experience

The latest position in respect of Store Keeper is given as under –

Store Keeper	Sanctioned posts	1	1
Working position	40	2	40
3 Due representation of SC/ST candidates i.e 20% (6 if Col 2)	8	3	8
4 No of SC candidates working (out of Col 3)	4	4	4
5 Net shortfall of SC candidates	4	5	4

The Committee would like the Board to take steps to rectify the back log under intimation to the Committee within a period of 3 months

	1	2	3
LDCs	<p>The Department/Board has stated in its latest written reply that 2353 posts of LDCs are in position. The quota meant for Scheduled Castes candidates comes to 469 whereas only 231 posts have been filled up from amongst the Scheduled Castes candidates. The reasons for the shortfall of 238 posts as stated by the Department/Board were that there is a ban on fresh recruitment for the last seven years and shortfall can only be removed after the ban is lifted.</p> <p>The Committee observe that the period to carry forward the reserved vacancies should be allowed to continue as long as the posts remain vacant.</p>	<p>In this cadre 80% posts are filled up from open market and 20% by way of promotion amongst the Class IV employees who fulfil the prescribed qualifications.</p> <p>The main reason of shortfall in this category is that there is complete ban on direct recruitment. On the recommendations of the State Govt. the Board lifted the ban on direct recruitment vide memo No Ch. 11/NGE/G-1281/Ban-88 dt 29.12.91 and advertised 299 posts of LDC again advertisement No 131 and 138. Out of 299 posts 180 were allotted to the SC candidates but in the mean time the Board re-imposed the ban on direct recruitment vide memo No Ch. 94/CRA/G 31/Vol II dt 23.94 and as such the selection of LDCs could not be finalised.</p>	<p>The Committee may be informed about the action taken in view of the earlier recommendation within a period of 3 months.</p> <p>At present there is a shortfall of 196 posts of LDCs which will be recouped out of the existing vacancies on priority basis as and when the ban is lifted by the Board.</p>

Drivers In its latest written reply the Board has stated that out of 538 sanctioned posts of Drivers as on 31st March, 1987 484 posts were filled up out of which 97 posts were meant for Scheduled Castes candidates while only 27 posts were held by Scheduled Castes candidates resulting in a shortfall of 70 persons. The reasons of shortfall as stated by the Board were that the fresh recruitment was generally banned and the men from Scheduled Castes category were not available in the work charged/daily wages cadre from where these have been appointed.

The Committee feel greatly distressed to find the shortfall in the posts of drivers while the Scheduled Castes candidates for posts of Drivers are available in number with the Employment Exchanges. The Committee further desire to be informed regarding the steps taken by the Board to make up the deficiency.

As per recruitment and promotion policy of the Board posts of Drivers are filled up from Class IV employees but due to non availability of SC/ST candidates the existing shortfall in cadre of driver could not be wiped off. On the recommendation of the Committee in Nov 1997 the Board arranged a special training for six weeks of driver at Faridabad for SC/ST candidates. The detail of trainees is given as under -

- (i) Nos of application received from SC/ST candidates = 27 Nos
 - (ii) Nos of SC/ST candidates who were not capable to undergo the training of driver = 11 Nos
 - (iii) Nos of SC candidates who have valid driving licence = 7 Nos
 - (iv) Nos of SC/ST candidates who undergone the complete training of driver = 9 Nos
- Some SC/ST candidates who possessed valid driving licence have been appointed as drivers and some are to appear for test before Selection Committee as per Recruitment and Promotion Policy of the Board. They will also be appointed as drivers very soon on qualifying the driving test. Board has also relaxed the

<p>experience of drivers from 5 years to 3 years vide Notification No 261/REG 119/L dt 3.9.88 This step of the Board will certainly help the SC/ST candidates who have undergone the training of driver and obtained valid driving licence from Motor Vehicle Authorities</p> <p>From the above position it is revealed that the Board is taking concrete steps to reduce the backlog of SC/ST candidates in the cadre of driver. It is further assured that more efforts would be made to wipe off the entire shortfall of SC/ST employees against existing vacancies</p>	<p>As already pointed out, under Class III posts the main reason of shortfall of SC/ST candidates in Technical posts is that eligible/ qualified persons belonging to SC/ST categories were not available in sufficient number at the time of direct recruitment. As such this shortfall is continuing since the beginning Similarly in promotion cadre posts the eligible SC employees were not available in lower cadre posts for promotion to higher posts Keeping in view this fact the Board revised the Recruitment and Promotion Policy of various Technical posts thereby increasing the ratio in direct recruitment in initial cadre posts</p>	<p>The Committee would like to know the steps taken by the Board in view of the recommendations of the Committee and the steps taken to wipe off the back long within a period of 3 months</p>	<p>As per latest statement of the Board, there is adequate shortfall on the following posts</p> <ul style="list-style-type: none"> (1) Junior Engineer (F) (2) Divisional Head Draftsman (3) Foremen G I (4) Junior Engineer (Civil) Junior Engineer (F) (Tech Asstt) (5) Drafts sub (6) Sub Supt Attendant (7) SSA

- (8) Shift Attendant and
 (9) Assistant Foreman

The reasons for the shortfall as explained by the Department/Board in its latest written reply were as under

- (i) Qualified persons were not available in general for Technical posts at the time of recruitment
 - (ii) In promotional cadre posts no Scheduled Castes employees were available in the lower rank
- The Committee while sharing the difficulty of the Board in this regard suggest that if candidates belonging to Scheduled Castes having the prescribed academic qualifications were recruited and made fit for the Technical posts reserved for them by giving them necessary training and restriction regarding experience was relaxed they would be able to avail of their legitimate chances of appointment on these post

Taking note of the above Board lifted the ban on direct recruitment vide Memo No Ch 11/NGE/G 1281/Ban 88 dt 29/10/91 with a view to bring sufficient number of SC candidates in initial cadre posts such as ALM Shift Attendant Carrier Attendant Lab Attendant etc and appointed SC/ST candidates in the above said cadre in sufficient numbers and maximum shortfall of SC candidates was recouped from the existing backlog. Meanwhile the Board again imposed the ban on direct recruitment vide memo No Ch 94/CRA/G 37/Vol II dt 23/94. Now the matter regarding lifting of ban for certain categories on direct recruitment is under consideration of the Board. The latest position with regard to shortfall in Technical post as on 31/12/97 is as under

As recommended by the committee for imparting Technical Training to SC/ST candidates for Technical posts it is submitted that the training for Technical posts is being imparted to SC/ST candidates in Polytechnic and I.T.I as well as other institutions by the State Govt and now they are available in sufficient numbers. The Board only arranges Refreshes Courses for Technical staff for getting them specialised in specific jobs after their appointment/recruitment through advertisement.

It is assured that as and when the ban is lifted by the Board necessary steps will be taken to wipe off the backlog in the above said categories through direct recruitment by advertising the vacancies

Class IV The Department/Board supplied the required information in respect of Class IV employees as desired by the Committee in its meeting held on 3rd February 1988. As per the statement of the Board there is adequate shortfall on the following posts

- 1 Havildar/Daftrar/Record Lifter
- 2 Store Mate/Store Attendant
- 3 Bill Distributor
- 4 Mali/Gardner
- 5 Peon
- 6 Truck Cleaner/Cleaner/Oiler/Greaser
- 7 Asstt Pump Driver

The reason for the shortfall have not been explained by the Department/Board in its latest written reply and it has also not mentioned the mode of promotion/appointment

The Committee are surprised to note as to why the Board had not mentioned the reasons of shortfall as well as mode of promotion/appointment. The Committee recommend that some via media may be evolved to cover up the adequate shortfall in these posts

As per Recruitment and Promotion Policy of the Board, the posts of Havildar Daftrar and Record Lifter are filled up by way of promotion from lower cadre posts. Similarly the posts of Peon, Mali and Chowkidar were/are filled up from amongst the serving Work charged Contingent, Daily Wages Staff as well as against SC/ST candidates in sufficient number their shortfall could not be recouped. The practice of recruitment of Workcharged/Daily Wage Staff has also since been dispensed with by the board.

The actual shortfall/backlog of Scheduled castes employees as on 31.12.97 in the following Class IV categories is as under

Sr. No.	Name of Category	Shortfall
1	Havildar/Daftrar/Record Lifter	3
2	Bill Distributor	27
3	Store Attendant/Mate	34
4	Peon	60
5	Mali/Gardner	29
6	Truck/Cleaner/Cleaner/Oiler/Greaser	28
7	Asstt Pump Driver	7
8	Chowkidar	45

In view of the provisions of restructuring of the Board which is envisaged the requirements of these categories will have to be reworked/re-examined

The Committee would like that the steps taken by the Board for re working/re-examination of the requirement as assured in the written reply by the Board may be intimated to the Committee within a period of 3 months

Recommendations of the Committee		Action taken by the Government	Further observation of the Committee
1	2	3	
Cadre wise strength/ representation of Scheduled Castes	The Department gave the following figures about the total number of employees as also about the total number of Scheduled Castes employees –	After the judgement dated 16/2/96 of the Hon'ble Punjab and Haryana High Court in CWP No. 13942 of 1995 titled Balbir Singh Vs. State of Haryana etc. no recruitment in the rank of Constable (except court case/ex. gratia scheme) has been undertaken by the Haryana State Police. Thus the earlier position holds good.	The Committee would like to know the latest position
Class	Total Number of Employees	Total Number of Scheduled Castes employees	
I	130	1	
II	27	2	The position can be better explained by taking an illustration. Take a unit/service/cadre comprising 1000. The reservation in favor of Scheduled Tribes Scheduled Castes and other backward classes is 70% which means that out of the 1000 posts 500 must be held by members of these classes i.e. 270 by other backward classes 150 by Scheduled Castes and 80 by Scheduled Tribes. At a given point of time Let us say the number of member of OBC's in the unit/service/category is only 50 a short fall of 220. Similarly the number of SCs and STs is only 20 and so respectively short of all of 130 and 7. If

The department informed the Committee that after the laying down of reservation policy by the Government with effect from 9th February 1979 the following posts were created/filled up from 9th February 1979 to 31st March 1988			

Class	Through direct recruitment	By promotion	
Total	Scheduled Castes	Total	Scheduled Castes
I	19	5	4
II	9	1	139
III	7588	1531	3365
IV	206	152	—

In view of the above figures, the Committee observed that there is shortfall in the department in different categories of posts and in different groups, although the department is taking effective steps to recoup the shortfall, yet the Committee recommend that the department should make more efforts and amend the Service Rules for various categories of posts, if necessary, so that the shortfall could be recouped to the maximum possible extents. The Committee further recommend that the latest position be also intimated to the Committee.

the entire service/cadre is taken as a unit and the backlog if sought to be made up then the open competition channel has to be choked altogether for a number of years until the number of members of all backward classes reaches 500; i.e till the quota meant for each of them is filled up. This may take quite a number of years because the number of vacancies arising each year are not many. Meanwhile the members of open competition category would become age barred and ineligible. Equality of opportunity in their case would become a mere mirage. It must be remembered that the equality of opportunity guaranteed by clause (1) is to each individual citizen of the country while clause (4) contemplates special provision being made in favour of socially disadvantaged classes. Both must be balanced against each other. Neither should be allowed to eclipse the other. For the above reason we hold that for the purpose of applying the rule of 50% any year should be taken as the unit and not the entire strength of the cadre service or the unit as the case may be.

We are in respectful agreement with the above statement of law. Accordingly we over rule the decision in Devadasan. We have already

discussed and explained the 50% rule in paras 93 to 96. The same position would apply in the case of carry forward rule as well. We however agree that an year should be taken as the unit or basis as the case may be for applying the rule of 50% and not the entire cadre strength

In view of above decision of the Apex Court and advice tendered by the Law Department the State Govt have made new policy reg recruitment/reservation vide their letter No 22/79/95 3GS III dated 12.9.97 The operative part of the guidelines is read as under

'It has been decided by the Govt that for the purpose of applying rule of 50% an year should be taken as the unit and not the entire strength of the cadre service or the unit as the case may be. If reserved vacancy of any category remains unfilled in the first attempt then these posts should be re advertised during and within the same year. However if the reserved vacancy still remains unfilled at the end of the year these would not be added as a backlog in the next year. In the next year also the total posts filled up from the reserved categories shall not exceed 50% in all."

A perusal of the above judgement of the Apex Court and instructions/guidelines issued by the State Government it is abundantly clear

that department is not in a position to remove shortfall in the case of S C Category. However in order to minimise chances of shortfall in the recruitment in future the Govt have amended relevant Police rule vide Notification No GSR 88/Const /Art/309/97 dated 25.11.97 by making provision of relaxation in age physical standard as well as educational qualification i.e. 8th class pass instead of Matric. In this way best efforts will be made in recruitment of Constable of S C category as per amended policy and Police Rules.

48

B-I List Department that there is no provision for reservation while preparing for list B I according to Punjab Police Rule 13.7 and High Court rulings The Committee therefore observed that to protect the rights of Scheduled Castes for promotion to B I there should be some reservation. The Committee therefore recommend that the Department should take effective steps either to amend the above referred rules or issue some instruction so that the interest of Scheduled Castes candidates are safeguarded. The steps taken in this regard or the policy so framed by the Government be intimated to the Committee

The department has already started promotional courses. During the last year promotional courses started in the month of October. Another session of promotional courses has been started in the month of April 1998. Special directions have been issued to all range DlGs for deputing SC/BC category candidates in promotional courses as per prescribed percentage strictly as per the Govt policy circulated vide their letter dated 18.9.92. Thus best efforts are being made to minimise the chances of shortfall in future

The Committee would like to know the latest position

The Committee would like to know the details of all the requisitions sent to the Commission			
The Committee would like to know if there is any shortfall in the category of Backward Classes as also whether any post belonging to the Scheduled Castes category has been filled up by recruiting personnel belonging to the general category			

Besides above figures the Department give the following figures Groupwise showing the number of posts carried forward during the last 3 year

The Committee observed that still there is shortfall of reserved category in various posts. The Committee would like to have a detailed reply within a period of 2 months.

It will be seen from the above figures that no representation has been given to Scheduled Castes in Group A posts as also the shortfall exists in other Groups. The Committee therefore recommend that the department should give due representation to the Scheduled Castes by implementing the reservation policy atleast while the posts are filled up by direct recruitment in order to safeguard the interests of the poorer sections of the society. The shortfall so recouped be intimated to the Committee.

<p>Framing of Harvana Public Works Department (Building & Roads Branch) Headquarters office Ministerial (Group 'C') Rules, 1979</p> <p>The Committee was pained to observe that at the time of framing the above referred rules cuttings made with lead pencil but without initials were to be accepted which later on got the approval of Council of Ministers before publication on 28th August, 1979. The representations were made by the employees in the year 1980 in this regard. The Committee was sorry to note the affairs of the department at the Government level when it was told that the file containing the papers on the subject is missing for the last more than a decade and for rendering justice to the Scheduled Castes employees so affected will have to be reconstructed. The Committee took a very dim view and observed that the cuttings appeared to have been made with ulterior motives just to put the employees of reserved categories in poor condition. The Committee therefore recommend that the Chief Secretary may go through the whole case personally and the facts after proper enquiry and fixing the responsibility for the lapse alongwith the steps to be taken to promote the officials who have been ignored/could not be considered because of the above cuttings be informed to the Committee at the earliest</p>	<p>The matter is under consideration with the Engineer in Chief. The information asked for vide letter No 1/2/90-4 B&R(W) dt 19-5-98 is yet to be received from E in C</p>	<p>The Committee would like to know the latest position within a period of one month as the matter is lingering on for quite sufficient time</p>

The backlog in Scheduled Castes categories carried forward during the above period in respect of posts filled by direct recruitment only is explained in the written reply.

In view of the above, the Committee intended to have the details of the recruitments made during the period under question but the same was not supplied by the Government till the finalisation of this report. The Committee, therefore,

recommend that the details about the recruitment made, number of posts meant for the reserved category and whether these posts were actually filled in, be intimated to the Committee so that backlog could be rechecked

**Organisational/
Administrative
setup revised
reply**

The Government sent the reply to the questionnaire vide letter dated 19th October 1990. Since the replies were not correct the Government revised the replies and sent the same on 27th December 1990 before the first meeting of the Committee with the Department for oral examination. As observed in one of the preceding paragraphs the Committee found that the revised replies were not factually correct. Besides the Chairman asked the Commissioner who further asked the Director Research and Design to prepare a chart of the administrative set up of the Department for supplying the same to the Committee. The Director Research and Design badly failed in his duty, not only to this extent but the Committee feel that he is only the negligent officer who is responsible for not implementing the Government instructions with regard to the representation of Schedule Castes in the Department because twice information was supplied but the same was not up to the mark. Such officers of the Department bring a bad name to the Department especially when the Head of the Department i.e. the Engineer in Chief is an ignorant officer. The Committee therefore recommend that action should be initiated against the erring officer for non compliance

E I C is again being requested to send his specific recommendations in view of the observations of Secretary, Haryana Vidhan Sabha

The Committee would like to know the action taken for re opening the case

It will be seen from the above figures that no representation has been given to the Schedule Castes in Group 'A' and 'B' posts which existed prior to the enforcement of reservation policy from 9th February 1979 to 31st March 1991

The Committee, therefore, recommend that the Haryana State Co-operative Supply and Marketing Federation Limited should give the representation to the Scheduled Castes by implementing the Government Policy at least while the posts are filled up by direct recruitment as per the provisions of the Service Rule of the Federation

**Filling up of

INTERIM RECOMMENDATION OF THE COMMITTEE

Thus Committee noticed with grave concern the factum of non allocation of residential plots to members of the Scheduled Castes despite emphatic insistence by the executive and persistent follow up by the present Committee.

Having examined most of the Deputy Commissioners in the State of Haryana this Committee has noted with grave concern the following facts

1. There is a general laxity amongst the officers in implementing the Government schemes for allocation of plots to Scheduled Castes families

The Committee regret to note that except for two districts i.e. Karnal and Bhiwani we found the remaining Deputy Commissioners and other subordinate staff wanting in effective implementation of the schemes and redressal of the grievances of those who have been left out

This laxity is a result of either indifference or understanding about the problems of these deprived sections of the society

2. Three surveys for identification of beneficiaries were conduct in the years 1972, 1984 and 1989 and it is apparent that a period of 8 years has elapsed since the last survey to identify the beneficiaries have been conducted. Despite this claims of a large number of beneficiaries remained unsettled till date

3 A prima facie perusal of the figures of the three surveys in most of the districts have left us with an unmistakable impression that succeeding surveys were not conducted properly. For example if 100 beneficiaries were identified in the survey conducted in the year 1972 i.e. the first survey in a village we found that the subsequent surveys held in the years 1984 and 1989 found either no beneficiary in the same village or the number of beneficiaries was as less as 2 to 10. This is an universal fact.

The Deputy Commissioners we examined, were in complete agreement that the subsequent surveys were not convincing on the very face of it. In the subsequent years number of beneficiaries should have definitely been increased considering that a period of 17 year had lapsed between the first survey and the third survey. This Committee has also noted the fact that the member of the Scheduled Casters for economic reasons and for reasons of illiteracy continued to have large number of the family as compared to those sections of the society who are economically well being as made out to the size of the family. Even from this perspective number of beneficiaries should have gone up and not come down.

Hence we make the following interim recommendations

- (i) In order to ameliorate the conditions of members of Scheduled Castes particularly in villages where no sharmiat land is available the State Government should allocate separate funds and proceed to acquire land for purposes of allocation to those members of the Scheduled C astes who have been denied the benefit of the Government policy or who have not been allotted

plots after three surveys on account of the fact that shamlat land in the vicinity of the existing abadu was not available and

the State Government should consider carving separate corpus for this purpose known as MAHATAMA GANDHI HARJAN AWAS YOJNA

(ii) State Government should conduct a fresh survey as on 1-1-98 in order to identify all beneficiaries including those who have been left out for purpose of allocation of residential plots to members of Scheduled Castes

We further recommended that eligibility for purposes of allocation should also be modified to the extent that in Scheduled Caste family not having land holding or a member of its family not in Govt service and not having more than 25,000 per annum by way of income from all sources should be considered eligible for purposes of allocation of these residential plots

(iii) State Government should appoint a team of officers for purposes of verifying the veracity of the survey conducted in 1989 as compared to the earlier two surveys. If after getting a sample survey such expert body of officers come to the conclusion that variation in actual beneficiaries as on 1-1-89 is much more than that of found in the survey of 1989 a fresh survey to determine eligibility as on 1-1-89 should be conducted in whole of the State of Haryana

Of course if any beneficiary is found to be eligible after this survey he would have precedence in allocation of plots as compared to the beneficiaries found in the survey that may be conducted as on 11.98

(ii) A large number of beneficiaries remained to be either handed over possession or in certain cases registration has not been effected or in certain other cases mutation has not been effected. This is the situation as observed by this Committee on examination of figures presented to us by the Deputy Commissioners in most of the districts of State of Haryana

(i) A time bound programme should be framed by the State Government for completion of aforesaid preferably within a period of six months from the last sitting of the Legislature of State of Haryana which is scheduled to be commenced from 19th January 1998

Conclusion

Poorest of the power and most deprived sections of the Society who have been discriminated against in every sphere political social economic have been denied their due for a number of years

It is the obligation of each one of to undo the wrong done and to ensure that they are given enough impetus to compete equally with rest of us. Only one thing can ensure this It is the change in our approach and approach of each individual living on the fact of earth moreso in the Haryana State More

humanitarian and social purpose approach is required for complete assimilation of these deprived sections of society into the national mainstream Ultimately initiative must come from the top and there is no one better than the Legislature of State of Haryana which represents the collective wisdom of all sections Onus therefore is on this Legislature to act and now and act quickly
