| Class III Posts From the perusal of the material supplied by the Board the overall representation of Scheduled Castes in Class III posts was 12.36% in 1984-85 12.67% in 1985-86 and 12.71% in year 1986-87. But it has been noticed that out of 21427 categories of Posts representation in 2653 categories of posts is very low. Some of such categories of posts are mentioned in the succeeding paragraphs togetherwith the recommendation/observation of the Committee. As per the latest written reply of the Board out of 32929 sanctioned posts of Class III as on 31st March 1987 30706 posts were filled up. The quota meant for Scheduled Castes comes to 6121 whereas only 2905 posts had been filled up from amongst the Scheduled Castes candidates. Thus there was a shortfall of 2216 Scheduled Castes candidates in the Board. | All posts as requisitioned have been filled up through recruitment by HSSC | The Committee decided that U H B V N L may take action for filling up the post meant for SC/BC to recoup the backlog under intimation to the Committee |

The Committee was assured during the course of oral examination of the representative of the Government and Board that sincere efforts would be made to wipe off the backlog against existing vacancies as and when the ban on recruitment would be lifted.

The Committee hope that the Board will take some positive steps in the near future to recoup the shortfall backlog in Class III posts and inform them accordingly.

UDCs The Board has stated in its latest written reply that 1796 posts of UDCs are in position. The quota meant for Scheduled Castes Candidates comes to 359 whereas only 92 posts have been filled up from amongst the Scheduled Castes Candidates. The reasons for the shortfall as stated by the Department/Board were that there is general ban on fresh recruitment and also qualified persons were not available in required strength.

The Committee is unhappy to note the low representation of Scheduled Castes employees on these posts and recommend that some positive steps be taken by the Board to ensure due representation of Scheduled Castes on the posts

All posts are requisitioned have been filled up through recruitment by HSSC except following due to non availability of eligible candidates —

L D C_s [redacted] written reply that 2353 posts of L D C_s are in position. The quota meant for Scheduled Castes candidates comes to 469 whereas only 231 posts have been filled up from amongst the Scheduled Castes candidates. The reasons for the shortfall of 238 posts as stated by the Department/Board were that there is a ban on fresh recruitment for the 7 years and shortfall can only be removed after the ban is lifted. The Committee observe that the period to carry forward the reserved vacancies should be allowed to continue as long as the posts remain vacant.

In its latest written reply the Board has stated that out of 538 sanctioned posts of Drivers as on 31st March 1987 484 posts were filled up out of which 97 posts were meant for Scheduled Castes candidates while only 27 posts were held by Scheduled Castes candidates resulting in a shortfall of 70 persons. The reasons of shortfall as stated by the Board were that the fresh recruitment was generally banned and the men from Scheduled Castes category were not available in the work charged/daily wages cadre from where these have been appointed.

The Committee feel greatly distressed to find the shortfall in the posts of drivers while the Scheduled Castes candidates for posts of drivers are available in number with the Employment Exchanges. The Committee further desire to be informed regarding the steps taken by the Board to make up the deficiency.

The Committee decided that U H B V N L may take action for filling up the post meant for SC/BC to recoup the backlog under instruction to the Committee

The post of Driver is to be filled up from amongst the serving Class IV employees having the prescribed qualification/experience. However in case the departmental candidates are not available the vacancies will be filled up by the direct recruitment. The quota of SC and BC category is being taken care of at the time of appointment.

It will be seen from the above figures that no representation has been given to the Scheduled Castes in Group A and B posts which existed prior to the enforcement of reservation policy from 9th February 1979 to 31st March 1991

The Committee, therefore, recommend that the Haryana State Co-operative Supply and Marketing Federation Limited should give the representation to the Scheduled Castes by implementing the Government Policy at least while the posts are filled up by direct recruitment as per the provisions of the Service Rule of the Federation

**Filling up of
vacancies**

The Departmental representatives during the course of oral examination agreed with the contention of the Committee that there is shortfall in the various categories of Posts. The Committee therefore recommend that the Haryana State Coop Supply and Marketing Federation Limited should make such arrangements that these vacancies are filled up by appointing/promoting persons belonging to reserved categories. The Committee would like to know the action taken in this regard.

The Committee has desired that the latest position be sent to Committee at earliest

Promotional Avenues The Committee have observed after perusing the Common Cadre Rules 1988 of the Haryana State Co operative Supply & Marketing Federation Limited that there are a number of categories for which no promotional avenues exist either for the reserved categories or general categories As per the Govt. instructions issued from time to time and the court's rulings it has been stated that if a person at the time of promotion does not possess the qualification prescribed for direct recruits but possess sufficient experience he can be considered for promotion provided the mode of filling up the required posts by promotion also The Committee, therefore, is of the view that Government should look into the Service Rules and create promotional avenues for the employees already working in the Haryana State Cooperative Supply and Marketing Federation Limited so that they can also be promoted with lesser qualifications/experience than that of a direct recruit The Committee may also be informed about the action taken in this regard

Abolition of posts During the course of oral examination the departmental representatives informed that the Govt have issued orders to abolish the posts which are lying unfilled for the last three years It was also informed that the matter is under consideration and it is being worked out as to how many posts will be covered under the above order The Committee recommend that to recoup backlog the above referred order may not be implemented so far it relates to recouping the shortfall

INTERIM RECOMMENDATION OF THE COMMITTEE

This Committee noted with grave concern the factum of non allocation of residential plots to members of the Scheduled Castes despite emphatic insistence by the executive and persistent follow up by the present Committee

Having examined most of the Deputy Commissioners in the State of Haryana this Committee has noted with grave concern the following facts —

1 There is a general laxity amongst the officers in implementing the Government schemes for allocation of plots to Scheduled Castes families

The Committee regret to note that except for two districts *i.e.* Karnal and Bhiwani we found the remaining Deputy Commissioners and other subordinate staff wanting in effective implementation of the schemes and redressal of the grievances of those who have been left out

This laxity is a result of either indifference or understanding about the problems of these deprived sections of the society

2 Three surveys for identification of beneficiaries were conducted in the years 1972 1984 and 1989 and is apparent that a period of 8 years has elapsed since the last survey to identify the beneficiaries have been conducted. Despite this claims of a large number of beneficiaries remained unsettled till date

Haryana Government has launched a Scheme titled Mahatma Gandhi Gramin Basti Yojana on 2nd October 2008 to allot free 100 sq. yards residential plots to the eligible Schedule caste Backward Class (A) and BPL families in the villages. Earlier a scheme under 20 Point Programme was being implemented by the Revenue Department for allotment of residential plots free of cost to landless labourers belonging to Scheduled Castes Backward Classes and EWS category

In the first instance the plots are being provided out of the Panchayat lands wherever suitable land is available. Thereafter in the villages where no suitable Panchayat land is available land will be made available either by way of exchange of land or by acquisition basic infrastructure facilities such as pucca streets and drainage are being provided along with these residential plots

3 A prima facie perusal of the figures of the three surveys in most of the districts have left us with an unmistakable impression that succeeding surveys were not conducted properly. For example if 100 beneficiaries were identified in the survey conducted in the year 1972 i.e. the first survey in a village we found that the subsequent surveys held in the years 1984 and 1989 found either no beneficiary in the same village or the number of beneficiaries was as less as 5 to 10. This is an universal fact.

The Deputy Commissioners we examined were in complete agreement that the subsequent surveys were not convincing on the very face of it. In the subsequent years number of beneficiaries should have definitely been increased considering that a period of 17 years had lapsed between the first survey and the third survey. This Committee has also noted the fact that the member of the Scheduled Castes for economic reasons and for reasons of illiteracy continued to have large number of the family as compared to those sections of the society who are economically well being as made out to the size of the family. Even from this perspective number of beneficiaries should have gone up and not come down.

Hence we make the following interim recommendations —

- (i) In order to ameliorate the conditions of members of Scheduled Castes particularly in villages where no shambat land is available the State Government should allocate separate funds and proceed to acquire land for purposes of allocation to those members of

The scrutiny of applications was carried out by the Village Level Committees comprising Sarpanch patwari Gram Sachiv Head of the School SC/BC Lambardar Randum supervisory checks of the applications received was also carried out by the Tahsildars/Naib Tehsildars/BDPOs/SEPOs (10%) IAS officers/ HCS officers/SDMs/DDPOs(5%) DCs(2%) and Divisional Commissioners (1%)

There were 6 07 lac eligible families after scrutiny of applications by the Village Level Committees as on 31 10 2008 Out of these eligible families are 3 25 lac SCs 1 57 BC(A) and 1 25 lac BPL families

the Scheduled Castes who have been denied the benefit of the Government policy or who have not been allotted plots after three surveys on account of the fact that shanlat land in the vicinity of the existing abadi was not available and

The State Government should consider carving separate corpus for this purpose known as MAHATAMA GANDHI HARIJAN AWAS YOJNA”

- (ii) State Government should conduct a fresh survey as on 11.98 in order to identify all beneficiaries including those who have been left out for purpose of allocation of residential plots to members of Scheduled Castes We further recommended that eligibility for purposes of allocation should also be modified to the extent that in Scheduled Caste family not having land holding or a member of its family not in Govt service and not having more than 25,000 per annum by way of income from all sources should be considered eligible for purposes of allocation of these residential plots

- (iii) State Government should appoint a team of officers for purposes of re verifying the veracity of the survey conducted in 1989 as compared to the earlier two surveys If after getting a sample survey such expert body of officers come to the conclusion that variation in actual beneficiaries as on 11.89 is much more

than that of found in the survey of 1989 a fresh survey to determine eligibility as on 11 89 should be conducted in whole of the State of Haryana

Of course if any beneficiary is found to be eligible after this survey he would have precedence in allocation of plots as compared to the beneficiaries found in the survey that may be conducted as on 11 98

(iv) A large number of beneficiaries remained to be either handed over possession or in certain cases registration has not been effected or in certain other cases mutation has not been effected This is the situation as observed by this Committee on examination of figures presented to us by the Deputy Commissioners in most of the districts of State of Haryana

(v) A time bound programme should be framed by the State Government for completion of aforesaid preferably within a period of six months from the last sitting of the Legislature of State of Haryana which is scheduled to be commenced from 19th January 1998

The Committee has desired that the latest position be sent to the Committee at the earliest
